Scottsdale City Staff & Council:

After much consideration and in response to considerable local area resident and staff opposition regarding the relocation of Greasewood Flat to the 10-acre site near 128th St. and Ranch Gate Rd., I am requesting to formally withdraw cases 5-GP-2014 and 11-ZN-2014. We appreciate the due diligence given this matter by the city. For more than 100 years the Cavalliere families have been strong supporters and proud residents of Scottsdale. We appreciate the importance of preserving what remains of the Sonoran Desert and respect the City's desire to forever protect this very special amenity. Please contact me if you have any questions regarding this request.

Sincerely,

George A. Cavalliere
Trustee, Hilton Hills Property
128th St. & Ranch Gate Rd.
