AGENDA ITEM	
What agenda item are you commenting on?	Sports Complex
COMMENT	
Comment:	My wife and I live at Villages North along the canal and just west of the proposed sports complex. We are opposed to that planned complex because of the increased noise and lights close to our residence in the evening when we enjoy sitting outside on our balcony. The peace and quiet of our residential area will be severely disrupted by the planned development. Increased traffic will also be a problem. Please locate the complex in an area further from residences.
