Collection of any rents, issues and profits and other sums of money by Beneficiary shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice. Beneficiary shall not be liable for the failure to collect any rents, issues or profits or other sums due on the failure to assign or enforce any of the foregoing rights. To appoint a Receiver to take charge of the property, collect the rents, issues and profits therefrom, care for and repair the same, improve the same when necessary or desirable, lease and rent the property or portions thereof including leases existing beyond the term of Receivership, plant cultivate and harvest crops thereon, and otherwise use and utilize the property, and to have such other powers as may be held by the Court. Trustee specifically agrees that the Receiver may be appointed without any notice to Trustee whatsoever, and the Court may appoint a Receiver without reference to the adequacy or inadequacy of the security, or the solvency or insolvency of Trustee, and without reference to other matters normally taken into account by Courts in the appointment of receivers, so long as the execution of Trustee to trustee, authorizes the appointment of a Receiver, when Trustee is in default and Beneficiary has requested the appointment of a Receiver. Trustee hereby agrees and consents to the appointment of the particular person or firm (including an officer or employee of Beneficiary) designated by Beneficiary as Receiver and hereby waives its rights to suggest or nominate any person or firm as Receiver in opposition to that designated by Beneficiary.

3. No remedy herein provided shall be exclusive of any other remedy which now exists or which may hereafter exist by law. Every power or remedy hereby given to Trustee or to Beneficiary, or to which either of them may be otherwise entitled, may be exercised from time to time and as often as may be deemed expedient by them; and either of them may pursue inconsistent remedies. If Beneficiary holds any and total security for any obligation secured hereby, it may enforce the sale thereof at its option, either before, contemporaneously with, or after the sale is made hereunder, and on any default by Trustee, Beneficiary may, at its option, offset against any indebtedness owing by it to Trustee, the whole or any part of the indebtedness secured hereby, and the Beneficiary is hereby authorized and empowered at its option, without any obligation so to do, and without affecting the obligation hereof, to apply toward the payment of any indebtedness of the Trustee to the Beneficiary, any and all sums of money of Trustee which the Beneficiary may have in its possession or under its control, including but without limiting the generality of the foregoing, any savings account, deposit, investment certificate, escrow or trust funds.

Should it become necessary for Trustee or Beneficiary, by its election to pursue any of the remedies hereinabove prescribed, either personally or through its agents, managers or receivers, to enter upon and take possession of the secured property or any part thereof, and collect the rents, issues, profits, earnings or income therefrom, Trustee or Beneficiary shall be entitled to receive as compensation for its management a fee equal to 5% of all such revenues collected therefrom.

4. RECONVEYANCE OR PAYMENT. If Trustee shall pay or cause to be paid all sums of money as provided in the note or notes and all other sums herein agreed to be paid by Trustee or secured hereby and the interest thereon, and also the reasonable expense of this trust, then Trustee, upon delivery to or of this Deed of Trust, said note or notes marked fully paid, and satisfactory evidence of the payment in full of all other indebtedness hereby secured shall, upon the written request of Beneficiary, reconvey, without warranty regarding title, possession or encumbrance, all of the title to said property granted to Trustee in due and lawful, and full, title, reserving no rights. The grantee in said reconveyance may or may not be designated as "The man or his heirs, legatees, assigns and their assigns". The present holder of the property, 100% of the real property described in said Deed of Trust, in reconveyances in whole or in part shall be at the sole cost of the grantee. The recitals in such reconveyance of any inaccuracy or facts shall be conclusive proof of the truthfulness thereof.

5. NON WAIVER. Acceptance by Beneficiary of any sum on account of any indebtedness secured hereby after the date when such sum is due or after recording a notice of default and election to sell, shall not constitute a waiver of the right either to require prompt payment when due of all sums secured hereunder or to declare a default or failure to pay or a waiver of the right to proceed with the sale of said property under such notice for any unpaid balance of said indebtedness. Any delay by Beneficiary in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any right or remedy hereunder. The failure of Beneficiary to exercise any action or right to accelerate maturity of the sums secured by this Deed of Trust, the forbearance of Beneficiary before or after the exercise of such option or right, or the withdrawal or abandonment of a proceeding, provided for by this Deed of Trust, shall not be a waiver of the right to exercise such option or right to accelerate the maturity of such sums by reason of any past, present or future event which would permit acceleration under the Deed of Trust. The payment of taxes, insurance or the payment of taxes or other fees or charges by Beneficiary shall not be a waiver of Beneficiary's right to accelerate the maturity of the sums secured by the Deed of Trust. No waiver by Beneficiary of any rights under this Deed of Trust shall be effective unless in writing. Consent by Beneficiary to one transaction, occurrence, amendment, change, modification or option exercise shall not be deemed to consent to any or all other rights to resume such consent to any other transaction, occurrence, amendment, change, modification or option exercise.

#### 8. GENERAL PROVISIONS

a. The term "Trustee" shall mean all parties executing this Deed of Trust as Trustee, their respective heirs, legatees, devisees, administrators, executors and assigns, and all successors to the interest of Trustee herein.

b. The term "Beneficiary" shall mean the owner and holder of the note secured hereby (whether or not named as Beneficiary herein) and any successor to interest in the Beneficiary.

c. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and neuter, the singular number includes the plural, and vice versa, and if more than one person is named as Trustee, the obligations of Trustee shall be the joint and several obligations of each such person.

d. Captions and paragraph headings used herein are for convenience only and are not a part of this agreement and shall not be used in construing it.

e. Time is of the essence on all of Trustee's obligations hereunder.

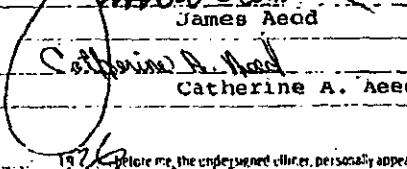

f. No offset of claim which Trustee now or may in the future have against Beneficiary shall relieve Trustee from paying installments or performing any other obligation hereof or secured hereby.

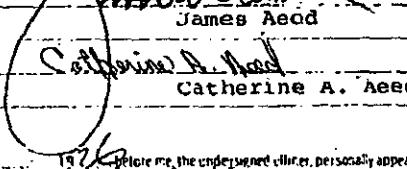

g. This Deed of Trust cannot be changed except by agreement in writing signed by Trustee and Beneficiary.

h. If any provision hereof should be held unacceptable or invalid, in whole or in part, then such unenforceable or void provision or part thereof shall be deemed separable from the remaining provisions hereof and shall in no way affect the validity of the remainder of this Deed of Trust.

i. Notwithstanding any provisions herein, or in the note secured hereby, or in any related agreement between Trustee and Beneficiary, the total liability of Trustee for payments in the nature of interest shall not exceed the limits now imposed by the laws of the state of Arizona.

j. Trustee requests that a copy of any Notice of Sale hereunder be mailed to him at the mailing address set forth below.
