Southwest Corner of Scottsdale Road and Camelback Road

Application No. 1-IID-2003

Application in Support of an Infill Incentive District and Plan

CITIZEN REVIEW REPORT

Prepared For the City of Scottsdale
September 2003

**Scottsdale Waterfront LLC
Application No. 1-IID-2003**

Citizen Review Plan

Introduction

Scottsdale Waterfront LLC is submitting an application in support of an Infill Incentive District and Plan that would include the Scottsdale Waterfront project located on the south side of Camelback Road, west of Scottsdale Road, north of the Arizona Canal, and east of Goldwater Boulevard.

Methodology

The project team has conducted significant outreach into the community to date. There has been contact with numerous individual and group stakeholders and interested parties since January 2003. The stakeholders briefed as the project plans were evolving included such groups as follows:

- 1 Whitwood, Villa D'Este, Villa Adrian neighborhood leaders
- 2 Scottsdale Focus
- 1 Downtown Scottsdale Partnership Board
- 2 Representatives of the Tang Family and Greg Thompson
- 3 Fred Unger, Spring Creek Development
- 4 JEMB Realty
- 5 5th Avenue Merchants Association Board of Directors
- 6 Barbara Espinoza, Save Old Scottsdale
- 7 Tom Giller
- 3 Sam West, TOPS
- 8 Scottsdale Chamber of Commerce
- 9 Scottsdale Gallery Association
- 10 Greater Pinnacle Peak Homeowners Association

- 11 Coalition of Pinnacle Peak
- 12 Scottsdale Board of Realtors
- 13 Hundreds of property owners south of the canal, resulting in 475+ support petition signatures

The rezoning application is expected to be of particular interest to all property owners within a 750 foot radius of the project. As such, written notification by first class mail was made within 10 days of submittal of the application to the City of Scottsdale to those residents and the Scottsdale School District #48 notifying them of the pending project. The letter included the proposed project description, contact(s) for additional information, and how citizens may comment.

Subsequent to that , a notification letter detailing the date, time, and location of two (2) public input meetings were mailed to 170 residents within 750 feet of the project . The open house style meetings were held on at least two (2) different days and at two (2) different times of day to maximize access and availability to interested parties and stakeholders. In addition, a special meeting was held especially for the neighbors of the Villa Adrian and Villa D'Este neighborhoods. Multiple articles appeared in both the Arizona Republic and the Scottsdale Tribune as a notice of the neighborhood open houses. Both public open houses were well attended. (see attachments)

The intensive public outreach and public comment that has been ongoing has engendered a number of changes to the project site plan and architectural style. In light of that, significant public support for the project has been gathered and demonstrated by petition signatures and support forms (see attachments).

Dear Property Owner or Neighborhood Association:

Re: Case #1-IID-2003, Southwest Corner of Scottsdale Road and Camelback Road

The purpose of this letter is to advise you that a request has been filed with the City of Scottsdale to utilize the Infill Incentive District designation per A.R.S. 9-499.10. on approximately 11.3 gross acres located at the southwest corner of Camelback Road and Scottsdale Road.

The subject property is zoned D/RCO-Type 2 PBD, with approved amended development standards and subject to stipulations of approval under rezoning case 43-ZN-1995. The project proposal is a mixed-use development comprised of residential, retail, and office uses. This application is not a request for rezoning. Zoning on the property will not be changed. The primary project-specific planning elements requested to be approved per the Infill Incentive District include the site plan and the amendment of certain development standards and design guidelines, including, but not limited to, building height.

You are invited to neighborhood open house meetings scheduled to provide you with the opportunity for public input and questions. **These two open house meetings are scheduled to be held at the City of Scottsdale Community Design Studio located at 7506 E. Indian School Road (northeast corner of Indian School Road and 75th Street).**

- **Wednesday, August 20, 2003 5:00 – 7:00 pm**
- **Wednesday, September 3, 2003 7:00 – 9:00 pm**

For your added information, I am attaching a location map and a proposed site plan.

Please call me at 480-429-3061 or send an email to mwest@beusgilbert.com if you have questions or need additional information. The City of Scottsdale Project Coordinator for this case is Kurt Jones. He can be reached at 480-312-2524.

"We, the undersigned, support development of the Scottsdale Waterfront located at the corner of Scottsdale Road and Camelback, in a configuration consisting of residential, office, and retail uses, including two 135 ft, not including mechanical and architectural appurtenances, condominium buildings. We believe that this project will revitalize downtown Scottsdale by attracting year round residents, tourists, and upscale residential and office users and will provide distinctive shopping and dining alternatives. The Waterfront is key to revitalizing downtown via canal bridges that will provide connections to the historic Scottsdale shopping district and to Scottsdale Fashion Square."
