Project Data:

Project Name: THE SUMMIT AT SCOTTSDALE
Project Location: 32531 N SCOTTSDALE AKA: NEC ASHLER HILLS DR & SCOTTSDALE RD (QS 55-45)
Improvements: GRADING, LANDSCAPE

On January 10, 2002, Kerry Huston, City of Scottsdale Public Works Inspector, performed an inspection for defective workmanship or materials of subject project improvements. Findings of that inspection indicated that there were no apparent deficiencies observed, or that improvements requiring correction were repaired to the satisfaction of the inspector.

You are, therefore, relieved of obligations for warranty purposes as cited in Section 108.8 of the Maricopa Association of Governments (MAG) specifications regarding improvements on this project.

Sincerely,

Joseph D. Morris
Field Engineering Manager
