

NEIGHBORHOOD INVOLVEMENT and CITIZEN OUTREACH Silverstone at Pinnacle Peak

August 18, 2005

Case # 7-GP-2005, 15-ZN-2005, 13-UP-2005

Overview

This neighborhood involvement plan is being performed in association with a Major General Plan amendment request, a rezoning request, and use permit request for the redevelopment of 160 acres located at the southeast corner of Pinnacle Peak and Scottsdale Roads. RHVT and its design team have created a project that is a master planned community based on traditional planning principles inspired by historic Arizona towns and pre-WWII neighborhoods.

The entire project team is sensitive to the importance of neighborhood involvement and creating a relationship with property owners, residents, business owners, homeowners associations, and other interested parties. Communication with these parties is ongoing throughout the process. Work on compiling stakeholders and preparing for the neighborhood outreach began prior to the application filing and will continue throughout the process. Communication with impacted and interested parties will take place with verbal, written, electronic, and door-to-door contact.

Community Involvement

We have identified and made initial contact with individuals and interested groups regarding the General Plan Amendment and Rezoning requests:

- Coalition of Pinnacle Peak Homeowners Association
- Bella Vista Homeowners Association
- Los Portones Homeowners Association
- Los Gatos Homeowners Association
- Village at Sonoran Hills Homeowners Association
- Los Portones Homeowners Association
- Talara Homeowners Association
- The Premiere at Pinnacle Peak Homeowners Association
- Desert Shadows Middle School – Principal Dr. Sam Cianfrano
- Paradise Valley School District
- Major property owners in the area (Giant Industries, PPOP LLC)
- Individual business owners within the notice area

Representatives of the neighborhood outreach team attended the City of Scottsdale's General Plan Open Houses and held their Open House for neighbors regarding the General Plan Amendment, Zoning Case, and Use Permit on Wednesday, August 10 in the multi purpose room at La Mirada Park. Surrounding property owners and other interested parties were noticed via first class mail within one mile of the proposed project. The notice contained

information regarding the Open House, the project, and contact information to obtain additional information and feedback (see attached letter, labels, and map).

The open house meeting was attended by 68 people (see attached sign in sheets) who were all interested in the project. Residents were appreciative of the outreach effort and the plans on display. Many people are in support of the project evidenced by the nearly fifty signatures on our petition of support. Concerns voiced by a few people were about traffic infrastructure and density.

Meetings have already been held with the Coalition of Pinnacle Peak leadership, the Paradise Valley School District, Los Gatos, and the Pinnacle Peak Country Club Homeowner's Association. Meetings are also scheduled with the Bella Vista Homeowner's Association, Los Portones, La Vista Neighborhood Association, and Pinnacle Peak Estates. In addition, the outreach team is going door to door to show the site plan to the neighboring businesses. As we make presentations on the proposed General Plan and Rezoning cases we are making neighbors aware of the proposed senior care facility and the use-permit request.

A vital part of the outreach process is to allow people to express their concerns and understand issues and attempt to address them in a professional and timely matter. As previously stated the entire team realizes the importance of the neighborhood involvement process and is committed to communication and outreach for the project.

Silverstone - One Mile Area

July 25, 2005

Dear Neighboring Property Owner:

The purpose of this letter is to inform you that applications have been made to the City of Scottsdale to amend the General Plan and Zoning designations for the approximately 160 acre parcel located at the southeast corner of Scottsdale and Pinnacle Peak Roads. Rawhide Western Theme Park currently leases the property from RHVT Limited Partnership (RHVT) and will be relocating November 2005. RHVT is proposing to change the land use designation from Cultural/Institutional to Mixed Use. The rezoning consists of changing from the current Western Theme Park Zoning District to a Planned Community Development with underlying zoning consisting of Central Business District and R-5 Multiple-Family Residential District.

RHVT has proposed a well designed blended master planned community including office, employment, retail and multi-generational residential uses. Silverstone at Pinnacle Peak will be a high end master development that creates a sense of place and sets the standard for future development in the area.

We will be holding a Neighborhood Open House on Wednesday, August 10, 2005, from 6:00 PM to 7:00 PM in the Multi Use Room of La Mirada Desert Park, located at 8950 E. Pinnacle Peak Road for those who are interested in receiving additional information regarding the details of this project. If you will be unable to attend the Open House but would still like more information, please feel free to contact Terry Benson or Matthew Ludick with Technical Solutions at (602) 957-3434. Tim Curtis with the City of Scottsdale is the project coordinator for this project and he can be reached at (480) 312-4210.

Sincerely,

Paul Smith
President

NEIGHBORHOOD INVOLVEMENT and CITIZEN OUTREACH Silverstone at Pinnacle Peak

June 20, 2005
Case # 7-GP-2005

Overview

This neighborhood involvement plan is being performed in association with a Major General Plan amendment request and a rezoning request for the redevelopment of 160 acres located at the southeast corner of Pinnacle Peak and Scottsdale Roads. RHVT and its design team have created a project that is a master planned community based on traditional planning principles inspired by historic Arizona towns and pre-WWII neighborhoods.

The entire project team is sensitive to the importance of neighborhood involvement and creating a relationship with property owners, residents, business owners, homeowners associations, and other interested parties. Communication with these parties is ongoing throughout the process. Work on compiling stakeholders and preparing for the neighborhood outreach began prior to the application filing and will continue throughout the process. Communication with impacted and interested parties will take place with verbal, written, electronic, and door-to-door contact.

Community Involvement

We have identified and made initial contact with individuals and interested groups regarding the General Plan Amendment request:

- Coalition of Pinnacle Peak Homeowners Association
- Bella Vista Homeowners Association
- Los Portones Homeowners Association
- Village at Sonoran Hills Homeowners Association
- The Premiere at Pinnacle Peak Homeowners Association
- Desert Shadows Middle School – Principal Dr. Sam Cianfrano
- Paradise Valley School District
- Major property owners in the area (Giant Industries, PPOP LLC)
- Individual business owners within the notice area

Surrounding property owners and other interested parties will be noticed via first class mail within 750 feet from the proposed project. The notice will contain information regarding public meetings, the project, and contact information to obtain additional information and feedback. Groups that have been contacted regarding the General Plan Amendment will be contacted again with information on the zoning case.

Representatives of the neighborhood outreach team attended the City of Scottsdale's General Plan Open Houses and will be scheduling their own Open

July 25, 2005

Dear Neighboring Property Owner:

The purpose of this letter is to inform you that applications have been made to the City of Scottsdale to amend the General Plan and Zoning designations for the approximately 160 acre parcel located at the southeast corner of Scottsdale and Pinnacle Peak Roads. Rawhide Western Theme Park currently leases the property from RHVT Limited Partnership (RHVT) and will be relocating November 2005. RHVT is proposing to change the land use designation from Cultural/Institutional to Mixed Use. The rezoning consists of changing from the current Western Theme Park Zoning District to a Planned Community Development with underlying zoning consisting of Central Business District and R-5 Multiple-Family Residential District.

RHVT has proposed a well designed blended master planned community including office, employment, retail and multi-generational residential uses. Silverstone at Pinnacle Peak will be a high end master development that creates a sense of place and sets the standard for future development in the area.

We will be holding a Neighborhood Open House on Wednesday, August 10, 2005, from 6:00 PM to 7:00 PM in the Multi Use Room of La Mirada Desert Park, located at 8950 E. Pinnacle Peak Road for those who are interested in receiving additional information regarding the details of this project. If you will be unable to attend the Open House but would still like more information, please feel free to contact Terry Benson or Matthew Ludick with Technical Solutions at (602) 957-3434. Tim Curtis with the City of Scottsdale is the project coordinator for this project and he can be reached at (480) 312-4210.

Subject: Citizen Outreach Plan for Rawhide

CITIZEN OUTREACH PLAN FOR CASE 177- PA-2005

The outreach team supporting the General Plan Amendment Application for the 160 acre parcel at Pinnacle Peak and Scottsdale Road has already started with a preliminary overview meeting at the Coalition of Pinnacle Peak Homeowner's Association on April 12, 2005 . We have already started contacting individual property owners and residential neighbors by going door to door with a preliminary site plan and renderings in order to educate them about the proposal.

We will continue to contact neighbors door to door and in their neighborhood association meetings focusing on the impacted neighbors in the Bella Vista, Los Portones, Premier at Pinnacle Peak, and the Village at Sonoran Hills neighborhoods. In addition, we will be meeting with the leadership of Desert Shadows Middle School, which is located next to the proposed general plan amendment area.

In addition to the preliminary posting on the site, we will be holding an neighborhood open house and will be appropriately noticing neighbors by mail.
