

The site plan illustrates the layout of the Mountain View Center. It features four main buildings labeled A, B, C, and D. Building A is a small rectangular structure in the upper left. Building B is a large, irregularly shaped building in the lower left. Building C is a large, irregularly shaped building in the lower right. Building D is a small rectangular structure in the upper right. The plan also shows several parking lots, including a large one in the center and smaller ones around the buildings. Surrounding streets include Shea Boulevard to the north, Mountain View to the east, and an unnamed street to the south. The plan includes various dimensions and bearings for the boundaries and internal structures. A large circular feature, possibly a pond or a large tree, is located in the center of the site. The plan is oriented with North at the top.
