P R O G R A M

Class II - "Better"

Columbia™ G2G Series Gates with Lock Boxes

*Same specifications as standard
"G2G" gates — PLUS:*

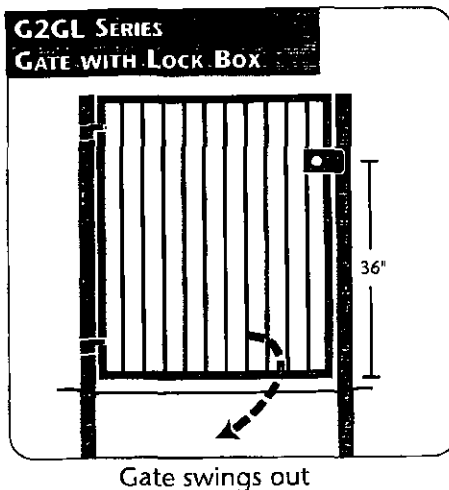

- Single lockbox to allow key locking of gate.
(Use any standard 2-3/8" backset lock.)
- Lockbox welded on right, with 36" from bottom
of gate to center of lockbox, as viewed from outside (as shown),
(If lockbox needs to be relocated, call for custom price).
- Gate hinged on left side and swings outward,
as viewed from outside (as shown).
- 4" or less space between vertical pickets

See pages 75-76 for Posts and Hardware - sold separately.
