

**STAFF APPROVAL REQUEST  
TO MODIFY DRB-APPROVED COLOR OF BUILDING A AWNINGS  
Case # 95-DR-2004**

**Stetson Canal Project**

The above noted Development was approved by the Development Review Board on July 7, 2005. Stetson Canal LLC is requesting to modify the color of the Building A awnings (located west of the city plaza) from the approved blue to Sunbrela "Black Cherry", Style # 4640. The proposed color is compatible with the exterior colors and finishes of Building A. The designers for the restaurant space (The Food Bar) immediately adjacent to the awnings has requested the color modification to better integrate the awnings with their overall color scheme.
