August 1st, 2008

Coordinator: Matt Engstrom

Project Name: Martini Ranch Trellis

Project Location: Martini Ranch 7295 E Stetson Dr. Scottsdale, AZ 85251

Description of Request:

The purpose of this application is to keep the added trellises on the patio area of Martini Ranch. The trellises protect the patio from Arizona's damaging weather and add style which are good for the building itself and the community around it.

- There is outdoor furniture underneath trellises.
- Location of trellises are within the existing courtyard area. They were originally constructed for the Superbowl events. They remained. They realize now they need approvals / permits which is the result of this application.
