Comprehensive Sign Criteria  
Proposed Amendment**

Dear Andrew:

This letter is to serve as a written request to amend the current sign criteria for The Shops at Gainey Village.

We are looking to change Part D # 7a & # 11 with in the sign packet, our request is that letter height and color requirements for Pad "C" are amended, these changes will allow Pad "C" to have a 42" letter height for a two line copy, and allow for corporate colors. Please see the attached revisions to the current Sign Criteria.

Should you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,
