Glen,

Thank you, just wanted to make sure the ladder swing was understood. Looks good to go.

Roxanne,

We have widened the "paseo" plaza to accommodate the 24' Fire Lane and will plant trees outside of the fire lanes, turning radii, and aerial bucket radius.

Greg,

Excellent!

So they are abandoning/relocating some of the trees on those outside turns?

Thanks,

Roxanne

Greg,

Please see the attached Fire Lane update keeping the route thru the "paseo" as shown on Submittal 1. All the widths and turning radii are labeled.

Please confirm that this revision will be acceptable for the next submittal.

Thanks,
