

# Project Pre-Application Questionnaire

After this application is submitted at the Planning & Development Services Department, a city staff member will contact the Applicant to schedule the Pre-Application meeting.

*This checklist has been prepared to assist you in submitting a pre-application to the City of Scottsdale. At the pre-application meeting, a Project Coordinator will notify you of the items required for your formal project application.*

Date: 8-25-09 Project No.: 500 - PA - 2009

### Pre-Applications

Most projects are required to go through the application and entitlement process, and many of those are required to go through one of four public hearing processes for approval. The first step is to submit a preliminary application ("pre-app") to allow staff to begin reviewing your request. A pre-app meeting is scheduled with a Project Coordinator, and will occur a few weeks after submittal. To process your pre-application in a timely manner, the attached forms and all required materials must be provided to enable your meeting to be productive and efficient.

### How to Submit

Present this completed form, all required materials and fees to the Planning & Development Services Department located in Suite 105 of One Civic Center (see map). Make checks payable to "City of Scottsdale."

### Pre-Application Meeting

At the pre-application meeting, city staff highlights areas where you need to pay particular attention, and which, if any, public hearing process you will be required to go through. The Project Coordinator may advise on the following:
