Subject: Address and Entity Information

Importance: High

Hi Bryan,

I was hoping we could chat today. I wanted to touch base with you regarding a few questions I had regarding the CUP application.

- Theresa will be submitting SQ CUP Live Entertainment application to you today. However, there are a few items that will need to be modified.
- I will need to replace the application that was submitted because it has the wrong parcel numbers. The parcel numbers for our site are as follows. (I apologize in advance, the numbers were incorrect on our Alta survey that I had on file.)
Parcel number for Phase I and II are 215-56-056G and Phase III are parcels 215-56-056 D, 215-56-056H, 215-56-056J.
- ✓ The Ownership that is shown on the County Assessor's site is correct for Phase I - "SDQ Fee, LLC." Phase III Ownership is NOT correct on the County Assessor's site: Ownership is currently shown as Kierland Crossing Residential, LLC. The new ownership is "SDQ 3 Fee, LLC." Our Management Entity is "**Kierland Crossing, LLC.**" We would like to use this Entity as the applicant.
- ✓ We still need to submit the Appeals of Dedication, Exactions, or Zoning Regulations Form. I will have this signed and turned into you by Wednesday of this week.
- ✓ Proposition 207- I currently have our legal team reviewing this information. I want to make sure we can sign off on this form. The Wolff's filled it out before and just need to clear it from our legal team. Most of our legal team has been out for a week at a convention, so they are not going to be able to get to this information until tomorrow.
- Please contact me via cell if you have any questions or modifications. I do greatly appreciate your help in this process. I will be out in AZ again on Wed, Thurs and Friday of this week.

Thank you again!!!
