RE: MEDICAL MARIJUANA DISPENSARY
AT: 5900 E. Granite Reef Rd. Stes. 105 & 115
Scottsdale, Az. 85250

Scottsdale, Az, May 25, 2011

CITY OF SCOTTSDALE
PLANNING COMMISSION
7447 E. Indian School Rd. Ste. 105
Scottsdale, Az. 85251

Dear Members of the City Planning Commission:

We have the information that the City of Scottsdale Planning Commission's Commissioners are meeting today May 25, 2011 to conduct the preparation of the case in which the Application submitted by Taxonomy Healing Practices to implement and operate a Medical Marijuana Dispensary at 5900 Granite Reef Rd. Ste 107 & 115 in Scottsdale. (Corner of Granite Reef Rd & McDonald Dr.) will be on the agenda to be approved or not approved.

We the undersigning are: Homeowners, Parents, School Principals, Vice Principals, Church's Pastors, Congregation's members, Small Business Owners, Professionals, Tax payers, Registered voters and Residents members of the Community long time living and working in the area in which this Dispensary is intending to operate. We are not against the usage of Medical Marijuana to help severely ill patients. We have a great deal of sympathy to all persons in need of this kind of treatments, BUT, WE ALL AGREE, THAT A DISPENSARY OF THIS NATURE, SHOULD BE LOCATED IN A MEDICAL FACILITY, A HOSPITAL AREA OR IN A COMMERCIAL-MEDICAL BUILDING, NOT IN OUR NEIGHBORHOOD WHICH IS EMINENTLY A RESIDENTIAL AREA.

We are extremely worried and concerned about the implementation and operation of this type of Dispensary because we have five Schools extremely closed to this location: SAGUARO HIGH SCHOOL at approximately three blocks; MOHAVE MIDDLE SCHOOL at the same distance; NAVAJO ELEMENTARY and PUEBLO ELEMENTARY very near; BOYS AND GIRLS CLUB at three blocks, in 82nd & Rose Lane; McCORMICK PRESCHOOL at half a block; one CHURCH at block and a half in Granite Reef Rd; and another two CHURCHES within five blocks distance from this projected Marijuana Dispensary .

WE ARE RESPECTFULLY APPEALING TO YOUR GOOD JUDGEMENT IN CONSIDERING THIS CASE, BECAUSE THE FOLLOWING FACTS:

- 1- We have a great number of Children and Teenagers attending to these Schools and Churches nearby, we are worried that a Dispensary of this nature, will attract not only patients, will attract other different non-desirable individuals that can jeopardize the safety of our children.
- 2- Some Homeowners residing here, are Senior Citizens, vulnerable neighbors that can easily be the target for hold-ups, home invasion etc.

UP TO NOW, OUR NEIGHBORHOOD HAS BEEN A PRETTY, SAFE, QUIET AND EXCELLENT PLACE TO LIVE AND RAISE OUR CHILDREN.

HAVING A MARIJUANA DISPENSARY SO NEAR, COULD ATTRACT THE TYPE OF TROUBLE THAT NONE OF US WISH TO HAVE.

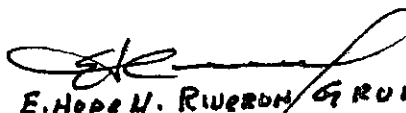

WE ARE ALSO WORRIED TO ABOUT OUR PROPERTY VALUE OR IT'S SELLABILITY BECAUSE, IN THE EVENT THAT WE DECIDE TO SELL, NOT MANY BUYERS WILL LIKE TO BUY A HOME WITH A MARIJUANA DISPENSARY ON THE CORNER.

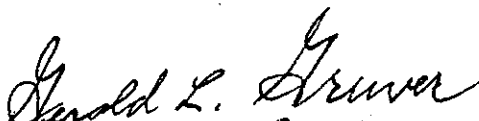

WE THINK THAT ALL OF THE ABOVE MENTIONED REASONS EXPOSED IN THIS LETTER, ARE POWERFUL AND REASONABLE ENOUGH FOR ALL OF YOU, TO TAKE IN CONSIDERATION OUR PETITION.

WE ARE OPPOSED TO THIS MARIJUANA DISPENSARY IN OUR NEIGHBORHOOD AND ARE APPEALING TO ALL OF YOU, TO NOT GRANT THE APPROVAL TO THE APPLICATION AND TAKE IN CONSIDERATION OUR OPINION IN THE GOOD SAKE OF OUR SAFETY AND THE BENEFIT OF ALL OF US AS COMMUNITY MEMBERS.

Thanking you all, for the attention to this letter, we remain;

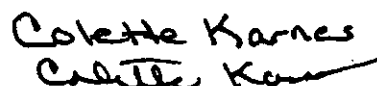

Respectfully yours.

PETITION
Opposition to Conditional Use Permit for
Taxonomy Healing Practices
case no. 24-UP-2011, 191-PA-2011

The individuals below have signed this petition to register opposition to the conditional use permit requested by "Taxonomy Healing Practices" to operate a medical marijuana dispensary at 5900 N. Granite Reef Road, Scottsdale, AZ.

The undersigned request that the City of Scottsdale Planning Commission DENY the conditional permit to "Taxonomy Healing Practices". Our reasons include:

- A Medical Marijuana Dispensary is not a good fit for our neighborhood; there are 5 schools, 1 daycare center, 4 churches, and 2 parks in a 1/2-1 mile radius from the proposed site. This is a true neighborhood with a high concentration of families, small businesses, and hard-working people who are trying to maintain their property values and quality of life.
- A Medical Marijuana Dispensary will not "create a sense of community through land uses", which it is supposed to accomplish in accordance with the City of Scottsdale's General Plan regarding Land Use. Instead, the undersigned believe it will significantly hamper our neighborhood's safety, business environment, and community space for families.
- A Medical Marijuana Dispensary will not meet the standards of the General Plan that according to Report 8-TA-2010-MEDICAL MARIJUANA TEXT AMENDMENT that "encourages the community to protect neighborhoods, enhance employment environments, and support tourism and tourism experience." Crime reports from other states point to an increase in crime around medical marijuana dispensaries, problems for neighboring businesses whose clientele decrease as a response to medical marijuana traffic, and a decrease in property value.

PETITION
Opposition to Conditional Use Permit for
Taxonomy Healing Practices
case no. 24-UP-2011, 191-PA-2011

The individuals below have signed this petition to register opposition to the conditional use permit requested by "Taxonomy Healing Practices" to operate a medical marijuana dispensary at 5900 N. Granite Reef Road, Scottsdale, AZ.

The undersigned request that the City of Scottsdale Planning Commission DENY the conditional permit to "Taxonomy Healing Practices". Our reasons include:

- A Medical Marijuana Dispensary is not a good fit for our neighborhood; there are 5 schools, 1 daycare center, 4 churches, and 2 parks in a 1/2-1 mile radius from the proposed site. This is a true neighborhood with a high concentration of families, small businesses, and hard-working people who are trying to maintain their property values and quality of life.
- A Medical Marijuana Dispensary will not "create a sense of community through land uses", which it is supposed to accomplish in accordance with the City of Scottsdale's General Plan regarding Land Use. Instead, the undersigned believe it will significantly hamper our neighborhood's safety, business environment, and community space for families.
- A Medical Marijuana Dispensary will not meet the standards of the General Plan that according to Report 8-TA-2010-MEDICAL MARIJUANA TEXT AMENDMENT that "encourages the community to protect neighborhoods, enhance employment environments, and support tourism and tourism experience." Crime reports from other states point to an increase in crime around medical marijuana dispensaries, problems for neighboring businesses whose clientele decrease as a response to medical marijuana traffic, and a decrease in property value.

PETITION
Opposition to Conditional Use Permit for
Taxonomy Healing Practices
case no. 24-UP-2011, 191-PA-2011

The individuals below have signed this petition to register opposition to the conditional use permit requested by "Taxonomy Healing Practices" to operate a medical marijuana dispensary at 5900 N. Granite Reef Road, Scottsdale, AZ.

The undersigned request that the City of Scottsdale Planning Commission DENY the conditional permit to "Taxonomy Healing Practices". Our reasons include:

- A Medical Marijuana Dispensary is not a good fit for our neighborhood; there are 5 schools, 1 daycare center, 4 churches, and 2 parks in a 1/2-1 mile radius from the proposed site. This is a true neighborhood with a high concentration of families, small businesses, and hard-working people who are trying to maintain their property values and quality of life.
- A Medical Marijuana Dispensary will not "create a sense of community through land uses", which it is supposed to accomplish in accordance with the City of Scottsdale's General Plan regarding Land Use. Instead, the undersigned believe it will significantly hamper our neighborhood's safety, business environment, and community space for families.
- A Medical Marijuana Dispensary will not meet the standards of the General Plan that according to Report 8-TA-2010-MEDICAL MARIJUANA TEXT AMENDMENT that "encourages the community to protect neighborhoods, enhance employment environments, and support tourism and tourism experience." Crime reports from other states point to an increase in crime around medical marijuana dispensaries, problems for neighboring businesses whose clientele decrease as a response to medical marijuana traffic, and a decrease in property value.

May 24, 2011

To the City Council Members:

I have been informed that the city zoning commission is considering putting a medical marijuana facility at 5900 N. Granite Reef Rd.

This site is barely 500 feet away from my child care center which serves 100-120 children per day. There are also 4 other schools in the immediate area.

This would be a disastrous move both for the children and families in the area. I do strongly believe in the concept of the dispensary, but it needs to be placed in a safe more appropriate location.

6018 N. Granite Reef Rd.

CITY OF SCOTTSDALE
PLANNING COMMISSION
7447 E. Indian School Rd. Ste. 105
Scottsdale, Az. 85251

Dear Planning Commission Members:

I am writing this letter to express our concerns in regard to have a Medical Marijuana Dispensary in our neighborhood.

I am a Pastor of the GARDEN CHURCH, the Church is located just one block from the intended Marijuana Dispensary location.

Our Congregation's members and myself had signed the Petition opposing to have approve the Taxonomy Healing Practices Application for the City of Scottsdale Conditional Use Permit (CUP) to be on May 25, 2011 agenda.

We all are supporting our community's residents who are opposing to this Conditional Use Permit to be approved, because we all agreed that a Medical Marijuana Dispensary so closed to the numerous Schools, Churches and Parks, will be extremely risky due to the potential increase in "Crime" that this will create.

We have learned that other States as: California and Colorado which had Medical Marijuana Dispensaries operating in their neighborhoods, are experiencing a big amount of "Crime increases", after they had approved the Marijuana Dispensaries. We do not wish this will happen to us here.

We are appealing to all of you Commissioners, to exercise extreme conscientious analysis of all the facts, before you all make a final decision.

BY NOT APPROVING THIS CONDITIONAL USE PERMIT, YOU ALL ARE CONTRIBUTING TO KEEP OUR COMMUNITY IN GOOD GROWING POTENTIAL, PRESERVING THE SAFETY OF ALL OUR CHILDREN, TEENS SENIOR CITIZENS AND ALL OF US.

Yours in Christ,

Pastor Gene James

Dear Sir,

As a small business owner of Value Cleaners on 6010 N.
Granite Reef Rd.

I am very concerned about the opening of a marijuana dispensary at
5900 N Granite Reef steiar 107 Scottsdale AZ.

My business is 1/2 a block from this site and I am very
concerned about the safety of my children who are attending to
schools over here and also about crime that will be increasing in our
neighborhood.

We are opposing to the opening a marijuana dispensary,
because it will imply that our neighborhood safety will be extremely
affected is this dispensary open his doors here

Respectfully yours
Chang kun Park,

Clip~N~Clean Pet Salon

A Day Spa For Pets

May 24, 2011

To the City of Scottsdale Planning Commission
Dear Sirs,

As a business owner in the Scottsdale area of McDonald Road and Granite Reef Rd. I am protesting the location of a medical marijuana distribution center in our neighborhood.

In our area the young and old the schools churches, and businesses need a safe drug free environment. I believe that locating the marijuana distribution center in our area would be a big mistake. It will entice unfavorable people, who pretend to need marijuana for medical purposes, but rather they sell it elsewhere for a profit and even tempt some youngsters to buy it. This would put the citizens of our community in harms way. I do not want the medical marijuana center to locate in our neighborhood. Find a more suitable location.

Sincerely,
Clare A. Surter

May 21, 2011

City of Scottsdale
Planning Commission
7447 E. Indian School Road, Ste. 105
Scottsdale, AZ 85251

Dear Members of the City Planning Commission:

I have recently become very concerned about a matter going before your commission, regarding an application submitted by Taxonomy Healing Practices to establish and operate a Medical Marijuana Dispensary at 5900 Granite Reef Road, Suite 107 in Scottsdale.

This is very alarming to me, especially considering the location. This is basically a residential area with multiple schools and churches, and family dwellings. It is a neighborhood! We do not need this type of a facility in this area. We are living in challenging times and we certainly don't need to invite this type of outlet into a family oriented environment. My daughter is a student at Saguaro High School and we attend church and shop in this neighborhood. There are no medical facilities in the area and it just doesn't make sense for this type of a business to be operated at this location.

The claim is "medical marijuana", thus it should be placed in an area housing medical facilities and practitioners. You as council members have a responsibility to safeguard the safety and welfare of the people that you represent. I would ask you to stand firm against such an inappropriate placement of a dispensary of marijuana, and all of the potential bad that could result.

As a member of this community, I do understand that moving my family out of the area is an option also.

Thank you for your consideration in this matter.

Sincerely,

R. Spence Ellsworth

Will Humble
Director
Arizona Department of Health Services
150 N. 18th Avenue
Phoenix, Arizona 85007

Re: Arizona Medical Marijuana Program

Dear Mr. Humble:

I understand that on April 13, 2011, the Arizona Department of Health Services filed rules implementing the Arizona Medical Marijuana Act (AMMA), passed by Arizona voters on November 2, 2010. The Department of Health Services rules create a regulatory scheme for the distribution of marijuana for medical use, including a system for approving, renewing, and revoking registration for qualifying patients, care givers, nonprofit dispensaries, and dispensary agents. I am writing this letter in response to numerous inquiries and to ensure there is no confusion regarding the Department of Justice's view of such a regulatory scheme.

The Department has advised consistently that Congress has determined that marijuana is a controlled substance, placing it in Schedule I of the Controlled Substances Act (CSA). That means growing, distributing, and possessing marijuana in any capacity, other than as part of a federally authorized research program, is a violation of federal law regardless of state laws that purport to permit such activities. As has been the case for decades, the prosecution of individuals and organizations involved in the trade of illegal drugs and the disruption of illegal drug manufacturing and trafficking networks, is a core priority of the Department of Justice. The United States Attorney's Office for the District of Arizona ("the USAO") will continue to vigorously prosecute individuals and organizations that participate in unlawful manufacturing, distribution and marketing activity involving marijuana, even if such activities are permitted under state law.

An October, 2009, memorandum from then-Deputy Attorney General Ogden provided guidance that, in districts where a state had enacted medical marijuana programs, USAOs ought not focus their limited resources on those seriously ill individuals who use marijuana as part of a medically recommended treatment regimen and are in clear and unambiguous compliance with such state laws. And, as has been our policy, this USAO will continue to follow that guidance. The public should understand, however, that even clear and unambiguous compliance with AMMA does not render possession or distribution of marijuana lawful under federal statute.

Moreover, the CSA may be vigorously enforced against those individuals and entities who operate large marijuana production facilities. Individuals and organizations – including property owners, landlords,

Letter to Director Will Humble
May 2, 2011
Page 2

and financiers – that knowingly facilitate the actions of traffickers also should know that compliance with AMMA will not protect them from federal criminal prosecution, asset forfeiture and other civil penalties. This compliance with Arizona laws and regulations does not provide a safe harbor, nor immunity from federal prosecution.

The USAO also has received inquiries about our approach to AMMA in Indian Country, which comprises nearly one third of the land and five percent of the population of Arizona, and in which state law – including AMMA – is largely inapplicable. The USAO currently has exclusive felony jurisdiction over drug trafficking offenses in Indian Country. Individuals or organizations that grow, distribute or possess marijuana on federal or tribal lands will do so in violation of federal law, and may be subject to federal prosecution, no matter what the quantity of marijuana. The USAO will continue to evaluate marijuana prosecutions in Indian Country and on federal lands on a case-by-case basis. Individuals possessing or trafficking marijuana in Indian Country also may be subject to tribal penalties.

I hope that this letter assists the Department of Health Services and potential registrants in making informed choices regarding the possession, cultivation, manufacturing, and distribution of medical marijuana.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Dennis Burke". The signature is fluid and cursive, with the first name "Dennis" and last name "Burke" clearly distinguishable.

DENNIS K. BURKE
United States Attorney
District of Arizona

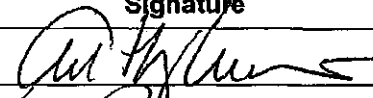

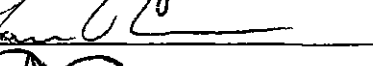

PETITION IN OPPOSITION OF THE MEDICAL MARIJUANA DISPENSARY

We, the undersigned, oppose the Medical Marijuana Dispensary proposed at the southwest corner of McDonald Road and Granite Reef Road (5900 N. Granite Reef Road, Suites #107 and #115). As nearby residents, workers, church members, and parents of school-aged children, we find this as an inappropriate use with the proposed use being located in close proximity to residential neighborhoods, four (4) schools, three (3) churches, a Boys and Girls Club, and many other family and children-friendly restaurants and businesses.

PETITION IN OPPOSITION OF THE MEDICAL MARIJUANA DISPENSARY

We, the undersigned, oppose the Medical Marijuana Dispensary proposed at the southwest corner of McDonald Road and Granite Reef Road (5900 N. Granite Reef Road, Suites #107 and #115). As nearby residents, workers, church members, and parents of school-aged children, we find this as an inappropriate use with the proposed use being located in close proximity to residential neighborhoods, four (4) schools, three (3) churches, a Boys and Girls Club, and many other family and children-friendly restaurants and businesses.
