

July 11th, 2011

Dear Neighbor:

As you may remember, Optima DCH Development, Inc. is beginning with demolition of the existing Orchidtree Apartments located at 68th Street and Camelback to make way for Optima Sonoran Village. We are excited about moving forward with construction and making this corner something that the neighborhood can once again be proud of.

As a part of the demolition our contractors will need to do some intermittent work on the exterior of the buildings during the hours of 6 PM to 6 AM due to the extreme daytime temperatures. We are very committed to continuing our good relationship with our neighbors, so we have imposed on our contractors a work plan that limits noise and neighborhood intrusion.

If you experience any problems or have any concerns about this necessary work associated with the demolition please do not hesitate to call one of the contacts below:

Our neighborhood outreach consultants Technical Solutions: 602.957.3434
Spray Systems (contractor) site supervisor Robert Morales: 602.757.8834 (24 Hrs)

Thank you for your cooperation.

Sincerely,

A handwritten signature in dark ink, appearing to read "D. Hovey Jr." with a stylized flourish at the end.

David Hovey Jr., AIA
Vice President
