Hi Jorge:

If you would, just send me an email stating that you contacted the various utility companies (cox, swgas, etc) and there is no conflict - thus, no response. We can't force them to respond but I want to show Staff that you tried. Thank you.

Please, review for conflict the attached proposed G.L.O.P.E. abandonment in connection with an application to be filed with the City of Scottsdale. Said easement is located within the Notre Dame Preparatory High School, located south of Bell Road and east of 98th Street (see attached exhibit).

Thanks
