Project History & Status

Silverstone at Pinnacle Peak ("Silverstone") is a 160 (gross) acre Master Planned Community located at the southeast corner of Scottsdale & Pinnacle Peak Roads. The Silverstone community master plan was officially approved by the City of Scottsdale City Council on January 10, 2006 (Case 15-ZN-2005). The zoning district boundaries for Silverstone are approved for Planned Community District (PC) with comparable underlying zoning of Central Business District (C-2), Commercial Office District (C-O), and Multiple Family Residential District (R-5). The rezoning approval including stipulations and requirements that outlined public infrastructure that was to be constructed by the developer and by the City, with the City's obligation to constructing all Scottsdale Road improvements. Subsequent to the City's adoption of Silverstone's rezoning approval, Silverstone's developer completed extensive onsite and offsite infrastructure improvements including dry and wet utilities, a bridge, roadways, landscaping and stormwater handling improvements. These improvements were substantially completed in 2009, except for the Rawhide Wash channel, which cannot be completed until a bridge is constructed by the City where Rawhide Wash crosses Scottsdale Road at approximately the midpoint of Silverstone's frontage along Scottsdale Road. The Scottsdale Road bridge construction commenced in September of 2012, and is anticipated to be completed mid-2013. This will allow Silverstone's developer to complete the Rawhide Wash channel and would provide the opportunity for development of the C-2 parcel at the northwest corner of Silverstone. As of today, two owners enjoy use of their properties within the Silverstone project. The City of Scottsdale operates Appaloosa Public Library on land that was gifted to the City by the Developer. And Vi at Silverstone operates a Continuing Care Retirement Community.

Purpose of Request

The purpose of this request is to amend the stipulations of Case 15-ZN-2005 to allow Silverstone's developer to construct a Sprouts Grocery anchored neighborhood shopping center on Parcel C of the Silverstone project. For this to occur, an existing stipulation must be amended within the rezoning case (Item #10 of Exhibit 1, Ordinance No. 3651) that stipulates "No office or retail development (Parcels C and D) shall occur until Scottsdale Road and Pinnacle Peak Road are built to their ultimate configurations." At the time of the rezoning over six years ago (Jan. 2006), it was anticipated by the City that Scottsdale Road (along Silverstone's frontage) would be fully constructed in 2010. Silverstone's developer fulfilled its obligation under this stipulation by completing Pinnacle Peak Road in 2009. Silverstone's developer originally anticipated the ability to develop the office and retail parcels in 2010. However, the downturn of the Nation's economy stalled the City's plan to complete Scottsdale Road in 2010 as originally planned. This economic downturn also stalled practically all development in North Scottsdale, a dynamic that both directly and indirectly impacts the Silverstone project in terms of the Project's original traffic concerns, since the communities concerns regarding the development of Silverstone's office and retail parcels stemmed from the aggregate of all traffic in the immediate region of Silverstone. Traffic engineers now confirm that Scottsdale Road is experiencing far less traffic than initially anticipated, with no negative impacts generated by the ultimate construction of Silverstone's proposed neighborhood shopping center. Accordingly, Silverstone requests that rezoning Case 15-ZN-2005 be amended to eliminate Item #10 of Exhibit 1.

28. TRANSPORTATION IMPACT AND MITIGATION ANALYSIS

Re: SEC Pinnacle Peak Road and Scottsdale Road – Silverstone Commercial Development – Trip Generation and LOS Analysis

Dear Mr. Eisenberg:

This analysis was completed to support the approval process of the proposed retail development located at the southeast corner of the intersection of Pinnacle Peak Road and Scottsdale Road in Scottsdale, Arizona. The project proposes to develop a 74,604 square foot shopping center project. The site was initially evaluated as part of the Traffic Impact and Mitigation Analysis (TIMA) prepared in December 2005 by Parsons Brinkerhoff for the Silverstone at Pinnacle Peak project. This analysis compares the trip generation potential of the currently proposed retail land uses to the original trip generation of the development, as well as reviewing the anticipated level of service (LOS) at the intersection of Pinnacle Peak Road and Scottsdale Road and the proposed driveways based on the revised building areas and existing traffic conditions.

The site consists of approximately 12.35 acres and is currently undeveloped. The site plan depicts the proposed shopping center development consisting of several buildings totaling 74,604 square feet of shopping center land use. There are two driveways onto Pinnacle Peak Road on the northern edge of the site. The eastern driveway provides right-in/right-out only access to the development from Pinnacle Peak Road. Left turn movements are restricted at this location by a diverter median within the driveway and the existing raised center median. The existing western driveway provides full access to the development from Pinnacle Peak Road and aligns with a full access driveway into the existing development on the north side of Pinnacle Peak Road. Additionally, there is a third driveway that gives access to the site on the west side of the development on Scottsdale Road. This driveway provides full access to and from the development, with no median on Scottsdale Road to inhibit left turns.

Silverstone Commercial Development Land Use Trip Generation Potential

The original site plan was analyzed based on the land uses and existing building sizes identified in the original Silverstone at Pinnacle Peak project consisting of 95,000 square feet of shopping center. Using the trip rates provided in the Institute of Transportation Engineers' *Trip Generation, 8th Edition*, the anticipated number of trips generated by the original development at full occupancy is shown in **Table 1**.

Table 1 – Silverstone Commercial Development Trip Generation Potential

Land Use	ITE Code	Quantity	Units	Daily	AM Peak			PM Peak		
				Total	In	Out	Total	In	Out	Total
Shopping Center	820	95,000	SF	6,568	91	58	149	301	314	615

Shopping Center (ITE 8th Edition)

Daily (ITE 820)

$$\text{Ln}(T) = 0.65 \times \text{Ln}(1000\text{'s of SF}) + 5.83$$

50% In 50% Out

AM Peak Hour (ITE 820)

$$\text{Ln}(T) = 0.59 \times \text{Ln}(1000\text{'s of SF}) + 2.32$$

61% In 39% Out

PM Peak Hour (ITE 820)

$$\text{Ln}(T) = 0.67 \times \text{Ln}(1000\text{'s of SF}) + 3.37$$

49% In 51% Out

As shown in **Table 1**, the original land use at full occupancy has the potential to generate 6,568 daily trips, with 149 trips occurring during the AM peak hour, and 615 trips occurring during the PM peak hour.

Proposed Site Trip Generation

The proposed site plan consists of 74,604 square feet of shopping center (ITE 820) land use. Using the trip rates provided in the Institute of Transportation Engineers' *Trip Generation, 8th Edition*, the anticipated number of trips generated by the proposed development at full occupancy is shown in **Table 2**.

Table 2 – Proposed Development Trip Generation

Land Use	ITE Code	Quantity	Units	Daily	AM Peak			PM Peak		
				Total	In	Out	Total	In	Out	Total
Shopping Center	820	74,604	SF	5,613	79	51	130	256	267	523
Shopping Center Pass By				2,385	0	0	0	109	113	222
New Trips				3,228	79	51	130	147	154	301
Total Trip Generation				7,998	79	51	130	365	380	745
Total Pass By Trips				2,385	0	0	0	109	113	222
Total New Trips				3,228	79	51	130	147	154	301

Shopping Center (ITE 8th Edition)

Daily (ITE 820)

$$\text{Ln}(T) = 0.65 \times \text{Ln}(1000\text{'s of SF}) + 5.83$$

50% In 50% Out

AM Peak Hour (ITE 820)

$$\text{Ln}(T) = 0.59 \times \text{Ln}(1000\text{'s of SF}) + 2.32$$

61% In 39% Out

PM Peak Hour (ITE 820)

$$\text{Ln}(T) = 0.67 \times \text{Ln}(1000\text{'s of SF}) + 3.37$$

49% In 51% Out

Pass By Daily (ITE 820)

$$\text{Ln}(T) = -0.29 \text{ Ln}(X) + 5 \quad 42.5 \%$$

Table 2 shows that if developed with the proposed land uses the site would generate a total of 5,613 daily trips with 130 of these trips occurring in the AM peak hour and 523 occurring in the PM peak hour.

Net Change in Trip Generation

Changes to the proposed development's total square footage have resulted in changes to the development's trip generation. **Table 3** summarizes the net change in trip generation.

Table 3 –Net Change in Trip Generation

Land Use	ITE Code	Quantity	Units	Daily	AM Peak			PM Peak		
				Total	In	Out	Total	In	Out	Total
Shopping Center	820	95,000	SF	6,568	91	58	149	301	314	615
Shopping Center	820	74,604	SF	5,613	79	51	130	256	267	523
Net Change				955	12	7	19	45	47	92

These calculations indicate that the proposed development is expected to generate approximately 955 fewer trips on a daily basis than the previous land use assumptions. During the AM peak hour, the proposed development will generate approximately 19 fewer trips and, during the PM peak hour, it will generate approximately 92 fewer trips than the previous land use assumptions would generate.

Level of Service Analysis – Existing Plus Proposed Development

Approach counts at the intersection of Pinnacle Peak Road and Scottsdale Road collected in April of 2011 were provided by the City of Scottsdale. A copy of the counts is attached in the **Appendix**. The peak hour turn percentages presented in the TIMA analysis for the approaches to the intersection of Pinnacle Peak Road and Scottsdale Road were used to estimate current peak hour turning volumes. These volumes are shown in **Figure 1** along with the geometry at each of the intersections adjacent to the site.

The LOS at the intersection of Pinnacle Peak Road and Scottsdale Road was evaluated using the turning movements and geometry shown in **Figure 1**. The LOS for the intersection of Pinnacle Peak Road and Scottsdale Road was evaluated using the *2010 Highway Capacity Manual* methodology for signalized intersections. The results of this analysis are shown in **Table 4**.

Table 4 – Existing Level of Service

Intersection	NB			SB			EB			WB		
	L	T	R	L	T	R	L	T	R	L	T	R
<i>Scottsdale and Pinnacle Peak</i>												
AM Peak	B	B	A	C	E	-	D	F	C	F	D	A
PM Peak	D	D	A	E	C	-	D	D	A	C	D	B

The AM Peak hour operates at a poor level of service during the AM peak hour. This is due to the existing significant volumes on the streets adjacent to the site.

Level of Service Analysis – Build Out Conditions

The new site generated trips (identified in **Table 2**) were assigned to the site driveways, existing and proposed, based on the directional distribution presented in the original TIMA analysis and are presented in **Figure 2**. The pass-by trips,

trips that are not new to the adjacent street volumes, were assigned separately and are shown in **Figure 3**. The resulting total site traffic volumes are shown in **Figure 4**. The total site traffic volumes were added to the existing volumes from **Figure 1** and are presented in **Figure 5**.

The LOS at the site driveways and the intersection of Pinnacle Peak Road and Scottsdale Road was evaluated using the total traffic volume from **Figure 5** and geometry shown in **Figure 1**. The LOS for the three sight driveways were evaluated using the *2010 Highway Capacity Manual* methodology for unsignalized intersections. The LOS for the intersection of Pinnacle Peak Road and Scottsdale Road was evaluated using the *2010 Highway Capacity Manual* methodology for signalized intersections. The results of this analysis are shown in **Table 5**.

Table 5 – Build Out Level of Service

Intersection	NB			SB			EB			WB		
	L	T	R	L	T	R	L	T	R	L	T	R
<i>Pinnacle Peak and West Driveway</i>												
AM Peak	-	-	B	-	-	-	A	A	-	-	A	-
PM Peak	-	-	B	-	-	-	B	A	-	-	A	-
<i>Pinnacle Peak and East Driveway</i>												
AM Peak	-	-	B	-	-	-	-	-	-	-	-	-
PM Peak	-	-	B	-	-	-	-	-	-	-	-	-
<i>Scottsdale and site Driveway</i>												
AM Peak	-	-	-	A	-	-	-	-	-	F	-	B
PM Peak	-	-	-	C	-	-	-	-	-	F	-	D
<i>Scottsdale and Pinnacle Peak</i>												
AM Peak	B	B	A	C	D	-	D	F	C	E	E	A
PM Peak	D	D	B	E	C	-	D	D	A	D	D	C

The AM Peak hour continues to operate at a poor level of service during the AM peak hour. The relatively small increase in volume in the AM peak hour generated by the proposed development, less than 1%, does not materially change the level of service. Additionally, there will likely be a period of time before the total occupancy of the site is completed and additional capacity improvements on Scottsdale Road could potentially be completed by the City during this time period. Left turn movements at the unsignalized site driveways experience delays typical of unsignalized access points on arterial streets. Most of these movements can be avoided by selecting alternate routes to and from the site which allow for left turns to be made at the signalized intersection of Pinnacle Peak Road and Scottsdale Road.

Based on the results of the analysis, the traffic generated by the proposed Silverstone Commercial Development will not significantly impact the operation of the existing intersection of Pinnacle Peak Road and Scottsdale Road, and the proposed driveways are anticipated to operate at levels consistent with typical arterial street access points.

Eisenberg Company

Full service commercial real estate

February 7, 2013

City of Scottsdale
Planning & Development Services Department
7447 E Indian School Road, Suite 100
Scottsdale, AZ 85251

**RE: CASE NUMBER: 15-ZN-2005#2
SILVERTONE RETAIL CENTER, SEC OF SCOTTSDALE RD AND PINNACLE PEAK RD
CITY OF SCOTTSDALE NEIGHBORHOOD MEETING
NOTIFICATION AND MAILING LISTS**

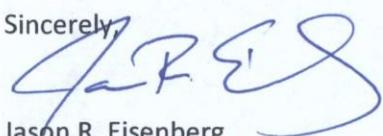

Rezoning Development Application Checklist
14 Citizen and Neighborhood Involvement Process Requirements

City of Scottsdale Meeting was held January 29, 2013 from 6:00 pm – 7:30 pm at the Appaloosa Library

1. Mailing List- We were provided a list of interested parties by Jesus Murillo with the City of Scottsdale (attached)
2. Mailing List- We also visited the Maricopa County Assessor Website and obtained a list of residents whom live within a 750 square foot boundary around the property (map is attached)
3. We mailed by First Class USPS the notification letter (attached)
4. Sign in Sheet (attached)
5. Comments to the meeting (letter from Jason Eisenberg attached)
6. Appaloosa Library contract (attached)

We believe this should satisfy the requirement for # 14 on the Rezoning Development Application Checklist. Please let us know if you have any further questions regarding the meeting.

Sincerely,

Jason R. Eisenberg
Vice President of Development & Acquisitions
Eisenberg Company

Pinnacle Peak Park offers free guided nature tours. You can leisurely hit the trail Tuesdays through Sundays beginning at 10 a.m. Tours are available on a drop-in basis, no reservations needed. Pinnacle Peak Park is located at 26802 N. 102 Way. www.scottsdaleaz.gov/parks/pinnacle

Scottsdale Senior Services' third annual "All Things Senior" Expo & Tradeshow, from 9 a.m. to 1 p.m. Feb. 20 at the Scottsdale Center for the Performing Arts. This free event will feature roughly 120 exhibitors, providing a wide range of information about products, services, programs and other great resources for the Valley's 50+ community. www.ScottsdaleAZ.Gov/Seniors/SeniorExpo

"Swim the Cities" by visiting any Scottsdale aquatic center and tracking your miles to swim your way to great prizes, better health and fun destinations. There is no registration fee – just participate each time you use the facility throughout 2013. The idea is to swim (the distance around or through,) six famous cities around the world including Singapore, Rome, and Manhattan to name a few! For more information, call 480-312-POOL or visit www.scottsdaleaz.gov/parks.

RE: SILVERSTONE RETAIL CENTER / 15-ZN-2005#2

Dear Neighbor/Property Owner:

The purpose of this letter is to inform you of an application we are making to the City of Scottsdale for stipulation modifications in connection with the approved retail development on the southeast corner of Scottsdale and Pinnacle Peak Roads (case 15-ZN-2005#2). We are not requesting modification to the existing Planned Community District zoning. Rather, this is only a request to modify the existing zoning stipulations.

We are pleased to invite you to a neighborhood open house meeting to be held at the Appaloosa Library, 7377 E. Silverstone Drive, Scottsdale, Arizona, 85255 on January 29, 2013, from 6:00 to 7:30 p.m., to share your comments, observations and opinions as we process the stipulation modification application through the City. We will have representatives from the development team in attendance to listen to your comments and answer any questions.

In the event that you are unable to attend the neighborhood meeting, please feel free to contact me at 602-468-6100 or by email at jason@eisenbergcompany.com or you can contact our City Planner, Jesus Murillo at 480-312-7849 or by email at jmurillo@scottsdaleaz.gov to discuss any questions you may have about the proposed request.

If you are planning to attend, we look forward to seeing you there.

Very truly yours,

Jason R. Eisenberg

RE: SILVERSTONE RETAIL CENTER / 15-ZN-2005#2

Dear Neighbor/Property Owner:

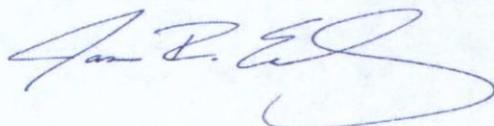

The purpose of this letter is to inform you of an application we are making to the City of Scottsdale for stipulation modifications in connection with the approved retail development on the southeast corner of Scottsdale and Pinnacle Peak Roads (case 15-ZN-2005#2). We are not requesting modification to the existing Planned Community District zoning. Rather, this is only a request to modify the existing zoning stipulations.

We are pleased to invite you to a neighborhood open house meeting to be held at the Appaloosa Library, 7377 E. Silverstone Drive, Scottsdale, Arizona, 85255 on February 25, 2013, from 6:00 to 7:30 p.m., to share your comments, observations and opinions as we process the stipulation modification application through the City. We will have representatives from the development team in attendance to listen to your comments and answer any questions.

In the event that you are unable to attend the neighborhood meeting, please feel free to contact me at 602-468-6100 or by email at jason@eisenbergcompany.com or you can contact our City Planner, Jesus Murillo at 480-312-7849 or by email at jmurillo@scottsdaleaz.gov to discuss any questions you may have about the proposed request.

If you are planning to attend, we look forward to seeing you there.

Very truly yours,

Jason R. Eisenberg

Reason for Application: Applicant is requesting site plan approval for approximately 12 acres on the Southeast corner of Scottsdale road and Pinnacle Peak for grocery anchored retail development. Zoning for proposed use is already in place and design review and landscape submittals to follow.

History: Silverstone at Pinnacle Peak ("Silverstone") is a 160 (gross) acre Master Planned Community located at the southeast corner of Scottsdale & Pinnacle Peak Roads. The Silverstone community master plan was officially approved by the City of Scottsdale City Council on January 10, 2006 (Case 15-ZN-2005). The zoning district boundaries for Silverstone are approved for Planned Community District (PC) with comparable underlying zoning of Central Business District (C-2), Commercial Office District (C-O), and Multiple Family Residential District (R-5). Silverstone's developer completed extensive onsite and offsite infrastructure improvements including dry and wet utilities, a bridge, roadways, landscaping and stormwater handling improvements. These improvements were completed on or before Summer 2009, except for the Rawhide Wash channel, which cannot be completed until a bridge is constructed by the City where Rawhide Wash crosses Scottsdale Road at approximately the midpoint of Silverstone's frontage along Scottsdale Road. The Scottsdale Road bridge construction commenced in September of 2012, and is anticipated to be completed mid-2013. This will allow Silverstone's developer to complete the Rawhide Wash channel and would provide the opportunity for development of the C-2 parcel at the northwest corner of Silverstone. As of today, two owners enjoy use of their properties within the Silverstone project. The City of Scottsdale operates Appaloosa Public Library on land that was gifted to the City by the Developer. And Vi at Silverstone operates a Continuing Care Retirement Community.

**RE: CASE NUMBER: 15-ZN-2005#2
SILVERTONE RETAIL CENTER, SEC OF SCOTSDALE RD AND PINNACLE PEAK RD
CITY OF SCOTSDALE NEIGHBORHOOD MEETING
NOTIFICATION AND MAILING LISTS**

Rezoning Development Application Checklist
14 Citizen and Neighborhood Involvement Process Requirements

City of Scottsdale Meeting was held January 29, 2013 from 6:00 pm – 7:30 pm at the Appaloosa Library

1. Mailing List- We were provided a list of interested parties by Jesus Murillo with the City of Scottsdale (attached)
2. Mailing List- We also visited the Maricopa County Assessor Website and obtained a list of residents whom live within a 750 square foot boundary around the property (map is attached)
3. We mailed by First Class USPS the notification letter (attached)
4. Sign in Sheet (attached)
5. Comments to the meeting (letter from Jason Eisenberg attached)
6. Appaloosa Library contract (attached)

We believe this should satisfy the requirement for # 14 on the Rezoning Development Application Checklist. Please let us know if you have any further questions regarding the meeting.

Sincerely,

Jason R. Eisenberg

**RE: CASE NUMBER: 15-ZN-2005#2
SILVERTONE RETAIL CENTER, SEC OF SCOTSDALE RD AND PINNACLE PEAK RD
CITY OF SCOTSDALE NEIGHBORHOOD MEETING**

Dear Jesus,

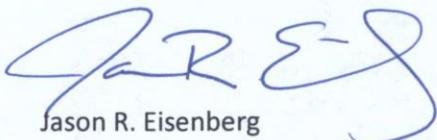

On January 29, 2013 per the City of Scottsdale requirements for stipulation changes, we held a neighborhood meeting at the Appaloosa Library, 7377 E. Silverstone Drive, Scottsdale, Arizona, 85255, from 6:00 to 7:30 pm.

Project attendees at the meeting:

Mike Pacheco, Director for Silverstone Development & RHVT Limited Partnership
John Berry, Attorney for RHVT Limited Partnership
Craig F. Eisenberg, Master Developer for Silverstone Retail Center, President of Eisenberg Company
Jason R. Eisenberg, Vice President of Development & Acquisitions for Eisenberg Company
Larry Ellermann, Architect for Silverstone Retail Center

We had one guest show up for the neighborhood meeting, Linda Whitehead, who supported the project and the stipulation change. We had no other attendees/guests at the meeting. We believe this should satisfy the requirement for the city, and please let us know if you have any further questions regarding the meeting.

Sincerely,

Jason R. Eisenberg
Vice President of Development & Acquisitions
