Request: 18 high-end Residential villas

Proposal: Sterling Villas

Location: South of 101st Street. Cross streets Siesta Lane and 101st Street

The Purpose of this Request:

Sterling Villas Phase II is an extension of the Sterling Collection Projects consists of 18 high-end residential Villas comprises of single and duplex units. It is located between light commercial developments to the west on North Thompson Peak Parkway and single family residential to the north and east. In response to two different zoning neighborhoods, Sterling villas aim to create a residential neighborhood that bridges the surrounding developments.

Located on a gently sloping site, Sterling Villas Phase II embraces dramatic panoramic mountain views to the east and west. Desert landscaping and pedestrian paths are part of the Master Plan to help develop a unique experience within the planned community. The Pedestrian paths meandering throughout the site separate pedestrians from the vehicle traffic while providing direct access to the adjacent sports club and Canyon Village.

The elegance and formality of the existing communities of the Sterling Collection will continue with the Sterling Villas. The color palette and architectural styles of the Villas are designed to complement the Spanish Colonial and Mediterranean styles of the neighboring communities of Silverleaf and DC Ranch.

The resort style living, close proximity and accessibility to the neighboring commercial and recreation areas, the villas embrace *Scottsdale General Plan* by creating the ultimate Arizona desert community. Residents can take advantage of the desert landscape and truly enjoy the Sterling Villas lifestyle.
