Subject: I'm opposed to the expansion

This mental health facility is in the middle of a high density residential neighborhood. There is a neighborhood of single family homes due east of the facility, a multi family high density apartment complex on the northeast diagonal corner, a multi-family high density community directly north of this facility, a multi-family high density community directly west of this facility, and 2 high density multi-family communities directly south of this facility. Less than 1 mile south of this facility is a high school. I live directly north of this facility and I am awakened at 4 a.m. by delivery trucks, garbage collectors, ambulances, school buses. This is no place to have a mental health facility, nor to even consider expanding this facility. This facility has plenty of monetary resources and could relocate to a larger facility in a less dense area, such as an industrial park, or a commercial area. There are many children and young adults, as well as a 7 senior citizen retirement or rehab facilities.

NEIGHBORHOOD NOTIFICATION PROCESS

Per the requirements of the City of Scottsdale, community members were notified of requests for Conditional Use Permit and Development Review. In advance of a community Open House meeting held on July 23, 2015, a white "Project Under Review" sign was posted on the property at the southwest corner of Miller Road and Earll Drive on July 9, 2015; refer to enclosed Affidavit of Posting and photographs. Furthermore, a Letter of Notification was delivered via first-class mail to all residents, homeowners' associations, and interested parties within a 750' radius of the property; refer to enclosed notification contact list and map. A total of 746 letters were mailed, and 39 were returned as undeliverable. Phone numbers to contact a Banner Health representative were provided on the sign and the letter; no parties reached out to Banner Health via phone.

The Open House Meeting was held on July 23, 2015, 6-7PM, at Scottsdale Civic Center Library, Gold Room. Three homeowners attended this meeting. Exhibits, Meeting Minutes, and a sign-in sheet from this meeting are attached for your review. Homeowners' primary concerns focused on current operations and security, traffic, and landscape. Cherie Martin, CEO of Banner Behavioral Health Hospital, discussed the current operations and security protocols, which all attendees considered acceptable. Per the Traffic Impact & Mitigation Analysis (enclosed in this submittal), the proposed location of driveways and increased number of licensed beds will have minimal impact to vehicular traffic within the neighborhood, which the neighbors found acceptable. Homeowners also inquired as to the type and density of proposed landscape. The Banner Health team reviewed the enclosed exhibits and discussed the proposed drought-tolerant landscape elements, which will improve the public streetscapes and offer shade to public areas. All homeowners in attendance responded positively to the exhibits, and inquired as to the possibility of touring the facility after construction is complete.

As all protocols regarding neighborhood notification were followed and all homeowners expressed general satisfaction with the proposed design, we hereby request that Conditional Use Permit and Development Review be approved for this project.

RE: Banner Behavioral Health Hospital Open House
Case No. 475-PA-2015 Proposed Conditional Use Permit Amendment and Development Design Review

The Banner Behavioral Health Hospital located at 7575 East Earl Drive in Scottsdale began operating in 1978 as Camelback Hospital. In 1999, Banner Health assumed ownership and operations of the behavioral health hospital. Banner Behavioral Health Hospital is deeply committed to excellent patient care for community behavioral needs through highly skilled and compassionate staff in a therapeutic healing environment. There is currently a shortage of beds for behavioral patient care at facilities within the Phoenix metro area. Banner Health is proposing to replace some outdated facility patient rooms and provide some additional new private patient rooms/beds to better service the Scottsdale and east valley community behavioral health needs.

This notice is to invite you to an informational open house meeting that will allow you and your neighbors to learn more about the proposed Conditional Use Permit Amendment ("CUP") for the site plan changes and Development Design Review ("DR"). This meeting will take place as follows:

DATE: JULY 23, 2015
TIME: 6 P.M. to 7 P.M.
LOCATION: SCOTTSDALE CIVIC CENTER LIBRARY
GOLD ROOM
3839 NORTH DRINKWATER BLVD
SCOTTSDALE, AZ
480-312-7323

You are receiving this invitation because you are a property owner or a neighborhood association officer for property near the proposed Banner Behavioral Health Hospital location. Banner Health intends to redevelop a portion of the existing campus, all of which is within the proposed Conditional Use Permit Amendment area. The proposed site redevelopment includes demolition of approximately 30 existing patient bed, and the development of 96 new patient rooms of which 30 patient rooms will be replacement of current patient rooms, all within a new two-story configuration with new indoor recreational and dining space and reconfiguration and expansion of site surface parking facilities to include new site landscaping.

At the July 23, 2015 meeting, we will provide some proposed project conceptual design materials for informal review and discussion and make a short project overview presentation of the proposed CUP Amendment and the Development Design Review. There will also be time and opportunity for questions. We have not yet formally submitted the CUP Amendment and the DR applications to the City of Scottsdale and we will not do so until after this meeting and after we've properly heard neighborhood comments and issues.

As with all CUP and Design Review applications, adjacent property owners and neighborhood associations may submit written comments to the City Planning & Development Services Department (PDSD) prior to any public hearings. You may also attend the public hearings to deliver your comments in person. You will receive separate notices directly from the City for any future public hearings. If you'd like to speak personally with someone at the City on this matter, please feel free to call Mr. Dan Symer, Planner directly at 480-312-4218 (E-mail dsymer@scottsdaleaz.gov).

Thank you for your time and I look forward to seeing you at the July 23rd open house meeting. If you have any questions before the meeting, or if you cannot attend the meeting and would like to discuss any concerns or questions, you can reach me at (480-543-3104) or via email at Bill.Smith@bannerhealth.com

Sincerely,

Bill Smith Banner Health Development and Construction Project Executive Sr. Director East
