Re: The Downside Risk Scottsdale / Live Entertainment

Dear Neighbor,

The purpose of this letter is to provide information regarding The Downside Risk Scottsdale, located at 8989 N. Scottsdale Rd., Ste. 608 (the "Property") within the Shops at Gainey Ranch. An application to the City of Scottsdale (the "City") for a Conditional Use Permit ("CUP") is being filed.

The Downside Risk Scottsdale, previously located in Downtown Scottsdale is an iconic restaurant and tavern with a long history of serving Scottsdale residents. The property is currently under renovation transforming it from office space to a restaurant.

Our office represents The Downside Risk Scottsdale in the matter of obtaining a live entertainment CUP. Below please find a description of the application, my contact information, City contact information and a brief discussion of the CUP process. Your input is very important to us. The CUP approval process is intended to fully explain and incorporate surrounding property owner's questions and suggestions.

The Property is a restaurant open for lunch and dinner exclusively, live entertainment will be restricted to the hours of 11:00am to 12:00am and up to 1:00am on weekends; activities will be emblematic of entertainment associated with lunch and dinner service.

While a formal application has not yet been filed, the City has assigned the prospective application to Greg Bloemberg, Planner who can be reached at 480-312-4306 or by email at gbloemberg@scottsdaleaz.gov. My contact information is below.

The CUP application will undergo review from the City's planning staff and during that time, we invite your questions and comments. Thereafter the City's Planning Commission and City Council will hear this request in a public hearing that you are invited to attend. We welcome your questions and comments.

Very truly yours,

Joseph D. Goforth

impossible to rent to the type of tenants that want to rent. I can see downside risk from my driveway at #4 + #6. It does not seem ethical that people who already own + have owned property should have to put up with unwanted noise, especially when there is an ordinance in place, supposedly protecting people.
