RE: Peppin Site

Dear Mr. Frenkel,

This letter is being sent to you attention to clarify any uncertainty regarding the parking supply credited to run with the land in perpetuity at the Park at the Mall site (7363 Scottsdale Mall). As you know, the City calculates parking demand and then requires all development to provide the required parking on site. In situations where a parcel in the Downtown area can not provide adequate parking, there are programs available to provide this parking.

In 1974, the parcel of land generally referred to today as the Peppin property, purchased through lease agreement in the form of an Improvement District (ID), 12 parking stalls. There is no record of any other supply of parking, either on site or through other City program at that time. Common logic would assume that no one would purchase 12 parking stalls unless such a purchase was the difference between what was required and what was provided for or credited through other means. However, there is no record of any such credit which would run with the land at the above mentioned parcel, either at that time, or now.

The City is prepared to recognize that in 1974, there must have been a credit granted when the parking structure was built, but not properly recorded, which would account for the differential in parking supply at the time of the purchase of the 12 Improvement District stalls. This credit, in addition to the 12 stalls previously purchased will represent the sum total of the parking "credit" which exists on the site and will run in perpetuity on the site.

This is clearly out of the norm for the City of Scottsdale, and does not represent the usual situation in calculating parking demand and supply. The City's General Plan clearly suggests that all new development must "pay it's own way" and the zoning ordinance enforces this philosophy by requiring all parcels to create their "own" parking onsite. The City can neither prove nor disprove that a "credit" or on site supply existed at the time of the purchase of the 12 stalls. Therefor, the City will recognize that a credit of some type must have been granted on this parcel. This same logic will not hold true on **all** downtown parking calculations and should not be considered to be a universal approach. In general, parcels must

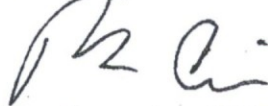

provide for their own supply to meet the demand they are creating; and the onus of proof rests with the property owner.

Parking Credit

At this time, the City is prepared to grant you a credit for a grand total of 53 parking stalls; 16 through Improvement District and the remaining 37 through "credit" granted as part of the unclear nature of the construction of the garage. These credits are based on old, historical staff reports which indicate that various projects through the years on the Mall meet parking demand and assigns a credit for parking to each site. To reiterate the point made above, while the City recognizes a credit for parking in this situation, it should not be considered to a uniform approach to parking calculation in the Downtown Area, and projects outside the scope of the Mall must be able to show how their supply meets the demand of the proposed land use.

If you would like any further explanation or information regarding this information, please do not hesitate to contact me at (480) 312-7059 or by email at mcummins@scottsdaleaz.gov.

In the following space, please describe the project or the request.

A use permit is being requested for Tapas Pepin so that a flamenco show, consisting of two dancers and a guitarist, can be performed on Friday and Saturday nights. Two shows at 8:00 pm and 10:00pm. In addition, a single guitarist ~~will~~ will perform Sunday - Thursday.

8. 12-UP-92 -- use permit approval for jewelry design in an SR District (Service Residential) at 2922 North 70th Street.

Ms. Collins reviewed the request for a jewelry design and manufacturing business in an existing 3,200 square foot building. The business activity would be for the custom design of rings, necklaces and earrings with five designers employed on the premises. The impact to the community will be no greater than the office use currently occupying the building. Staff had no stipulations for this use permit.

Upon question by Chairman Prior, the applicant was not present and there was no public comment.

9. 14-UP-92 -- use permit approval for live entertainment in a C-2 District at 7363 Scottsdale Mall.

Ms. Padian reviewed the request for live entertainment associated with a new business in the old Chez Louis building located on the west side of Scottsdale Mall. The new restaurant would be called "Tapas Pepin" and feature flamenco shows which will occur within the dining area and consist of two dancers and a guitarist. The shows would be held in Friday and Saturday at 8:00 p.m. and 10:00 p.m. with a single guitarist performing on other nights of the week.

The location is felt to be ideal for the use and is compatible with other evening activities on the Scottsdale Mall and it is not close to any residential uses.

Upon question by Chairman Prior, the applicant was present, agreed with the stipulations, and there was no public comment.

10. 5-AB-92 -- abandonment of a certain portion of Desert Cove Alignment right-of-way located within "The Cove" subdivision -- west of 96th Street on the north side of Desert Cove Alignment.

Ms. Heffernan declared a conflict of interest and left the panel for this item.

Mr. Hadder reviewed the abandonment of 25 feet of right-of-way, the need for which has been eliminated by the realignment of Desert Cove Avenue by a subdivision plat for "The Cove".

Upon question by Chairman Prior, the applicant was not present and there was no public comment.

Ms. Heffernan returned to the panel.

MOTION by Mr. Simonson to forward items 21-ZN-92, 22-ZN-92, 10-UP-92, 12-UP-92, and 14-UP-92 to the City Council with a recommendation to approve with any attached stipulations; motion was seconded by Ms. Hall and approved unanimously.

MOTION by Ms. Allen to forward 5-AB-92 to the City Council with a recommendation to approve; second by Ms. Hall and carried with Ms. Heffernan abstaining.

REGULAR AGENDA

12. 20-ZN-92 -- amend the approved stipulations for case 93-Z-84 on a 165 acre parcel (more or less) -- the northeast, southeast, and southwest quadrants of Shea Boulevard and Scottsdale Road.

Mr. Hadder reviewed the request to amend the traffic stipulations in response to recent policy determinations. The stipulations had called for the developer to relocate a signal from Scottsdale Road and Mercer to the north intersection of Scottsdale Road and Mescal and add a new signal at Saguaro and Scottsdale Road. The City of Scottsdale has modified its policy in this location and plans to retain the existing signalized intersection as a part of a bypass loop around the Shea/Scottsdale intersection with no signal at Saguaro and Scottsdale Road.

An additional amendment to the traffic stipulations would remove the limitation of access to only Shea Boulevard. A fire station was recently approved in this area so a driveway makes since with some separation from 74th Street. There is also an electrical substation and both parcels front to Shea. A right-in/right-out driveway to this parcel is acceptable and meets current traffic standards.

Mr. Hadder stressed that this is not a rezoning; this is the removal of stipulations dealing with Street Requirements from the original zoning of the case.

Ms. Heffernan clarified that the City has made a commitment that the signal will remain at Scottsdale Road and Mercer for the businesses and Mr. Hadder stated that this was correct.

Chairman Prior opened public comment.

Herbert Green, 7130 East Gary Road, read a portion of a letter into the record which had been sent to Mr. Dick Bowers and Mayor Drinkwater.

I urge the rejection of new traffic signal at Scottsdale Road and Mescal. It is illogical for a city to purposefully increase a traffic pattern past an elderly area. There is a two lane roadway past Pueblo Norte . There are more than ample

DISCUSSION:

The request is for patron dancing in association with an existing use permit for live entertainment in a restaurant in the downtown area. The site is located on the west side of Scottsdale Mall in a restaurant called "Pepin".

The owners received approval for live entertainment in July of 1992 through case 14-UP-92. They are asking to amend the use permit to include patron dancing. The owners are proposing to add a small dance floor (12'X 15') to accommodate dancing.

Patron dancing is compatible with the live entertainment at this location and it is also compatible with the other night time activities on the Scottsdale Mall. In addition, the use is not close to any residential uses.

**AGREEMENT FOR THE WAIVER OF CLAIMS
FOR DIMINUTION IN VALUE OF PROPERTY**

THIS AGREEMENT FOR THE WAIVER OF CLAIMS FOR DIMINUTION IN VALUE OF PROPERTY (the "Agreement") is made in favor of the City of Scottsdale ("City") by 7363. LLC a Limited Liability Corporation ("Owner").

RECITALS

A. Owner is the fee title owner of property, Parcel No(s).130-23-210A located at 7363 E Scottsdale Mall (the "Property").

B. Owner acknowledges that he/she has made a request to the City for application of its land use laws for the development of the Property and is under no compulsion, economic or otherwise, to enter into this Agreement.

C. Arizona statute ARS § 12-1134.A provides that a city must pay just compensation to a land owner, in some cases, if the city approves a land use law that reduces the fair market value of the owner's property. This law is sometimes referred to as "Proposition 207" or the "Private Property Rights Protection Act". (ARS 12-1131, et.seq.)

D. The Private Property Rights Protection Act (e.g., A.R.S. § 12-1134.I) authorizes private property owners to enter into agreements with political subdivisions to waive any claim for diminution in value of their property in connection with any action requested by the property owner.

E. City and Owner seek to resolve whether the application of the City's land use laws to the Property constitute a "diminution in value" of the Property or other harm entitling Owner, now or in the future, to seek compensation from the City under the Private Property Rights Protection Act.

IT IS AGREED AS FOLLOWS:

Owner hereby makes the following acknowledgements and representations:

1. Owner acknowledges that:
 - a. The recitals set forth above are true and correct and are incorporated herein by this reference.
 - b. Owner is aware of the Private Property Rights Protection Act. (ARS 12-1131, et. seq.)
 - c. Owner has independently determined and believes that the application of the City's land use laws to the Property will not reduce the fair market value of the Property.

d. Owner is aware that, as a condition of receiving approvals under the City's land use laws, the City may impose various requirements upon the Property, such as requirements for right-of-way dedications, time limitations for development, and other zoning ordinance stipulations and conditions.

2. The undersigned Owner agrees as follows:

a. The Owner agrees that the stipulations and conditions set forth in Exhibit A shall be included as part of the ordinance that will be considered by the Scottsdale City Council. Owner agrees that compliance with the stipulations and conditions set forth in Exhibit A will govern development of the property. Owner further understands and agrees that stipulations and conditions may be added or modified during the public hearing process and that those stipulations and conditions will be incorporated into this Agreement.

b. Owner hereby waives and fully releases any and all financial loss, injury, claims and causes of action that Owner may have, now or in the future, for any "diminution in value" and for any "just compensation" under the Private Property Rights Protection Act based on the Owner's request in Case No. 22-ZN-2015. This waiver constitutes a complete release of any and all claims and causes of action that may arise or may be asserted under the Private Property Rights Protection Act.

c. Owner hereby agrees to indemnify, hold harmless and defend City, its officers, employees and agents, from any and all claims, causes of actions, demands, losses and expenses, including reasonable attorney's fees and litigation costs asserted by or resulting from any of the present owners of any interest in the Property seeking any potential compensation, damages, attorney's fees or costs under the Private Property Rights Protection Act that they may have based on the Owner's request in Case No. 22-ZN-2015.

d. This Waiver Agreement shall run with the land and shall be binding upon all present and future owners of any interest in the Property. Owner consents to the recording of this Agreement with the County Recorder in which the Property is located.

e. The Owner agrees that, as of the effective date of this Agreement, he/she has received equal protection of the laws and due process of all claims and requests, and has not suffered any compensable regulatory taking (as those terms and their related claims are defined by Arizona state and federal constitutional jurisprudence).

3. Owner warrants and represents that Owner is the owner of the fee title to the Property.

4. The person who signs this Agreement on behalf of Owner personally warrants and guarantees to City that he has legal power to bind Owner to this Agreement.

Additional Ways Information is Collected Through the Website

Browser Log Files. Our servers automatically log each visitor to the Website and collect and record certain information about each visitor. This information may include IP address, browser language, browser type, operating system, domain names, browsing history (including time spent at a domain, time and date of your visit), referring/exit web pages and URLs, and number of clicks. The domain name and IP address reveal nothing personal about the user other than the IP address from which the user has accessed the Website.

A cookie is a small piece of data that is sent to your Internet browser from a web server and stored on your computer's hard drive and that can be re-sent to the serving website on subsequent visits. A cookie, by itself, cannot read other data from your hard disk or read other cookie files already on your computer. A cookie, by itself, does not damage your system. We, our advertisers and other third parties may use cookies to identify and keep track of, among other things, those areas of the Website and third party websites that you have visited in the past in order to enhance your next visit to the Website. You can choose whether or not to accept cookies by changing the settings of your Internet browser, but some functionality of the Website may be impaired or not function as intended. See the **Third Party Opt Out** section below.

Web Beacons. Some of our web pages and electronic communications may contain images, which may or may not be visible to you, known as Web Beacons (sometimes referred to as "clear gifs"). Web Beacons collect only limited information that includes a cookie number; time and date of a page view; and a description of the page on which the Web Beacon resides. We may also carry Web Beacons placed by third party advertisers. These Web Beacons do not carry any Personal Information and are only used to track usage of the Website and activities associated with the Website. See the **Third Party Opt Out** section below.

Unique Identifier. We may assign you a unique internal identifier to help keep track of your future visits. We may use this information to gather aggregate demographic information about our visitors, and we may use it to personalize the information you see on the Website and some of the electronic communications you receive from us. We keep this information for our internal use, and this information is not shared with others.

Third Party Opt Out. Although we do not presently, in the future we may allow third-party companies to serve advertisements and/or collect certain anonymous information when you visit the Website. These companies may use non-personally identifiable information (e.g., click stream information, browser type, time and date, subject of advertisements clicked or scrolled over) during your visits to the Website in order to provide advertisements about products and services likely to be of greater interest to you. These companies typically use a cookie or third party Web Beacon to collect this information, as further described above. Through these technologies, the third party may have access to and use non-personalized information about your online usage activity.

You can opt-out of certain online behavioral services through any one of the ways described below. After you opt-out, you may continue to receive advertisements, but those advertisements will no longer be as relevant to you.

- You can opt-out via the Network Advertising Initiative industry opt-out at <http://www.networkadvertising.org/>.

When Information Is Disclosed By FNF

We may provide your Personal Information (excluding information we receive from consumer or other credit reporting agencies) to various individuals and companies, as permitted by law, without obtaining your prior authorization. Such laws do not allow consumers to restrict these disclosures. Disclosures may include, without limitation, the following:

- To agents, brokers, representatives, or others to provide you with services you have requested, and to enable us to detect or prevent criminal activity, fraud, material misrepresentation, or nondisclosure in connection with an insurance transaction;
- To third-party contractors or service providers who provide services or perform marketing services or other functions on our behalf;
- To law enforcement or other governmental authority in connection with an investigation, or civil or criminal subpoenas or court orders; and/or
- To lenders, lien holders, judgment creditors, or other parties claiming an encumbrance or an interest in title whose claim or interest must be determined, settled, paid or released prior to a title or escrow closing.

We provide Personal Information and non-Personal Information to our subsidiaries, affiliated companies, and other businesses or persons for the purposes of processing such information on our behalf and promoting the services of our trusted business partners, some or all of which may store your information on servers outside of the United States. We require that these parties agree to process such information in compliance with our Privacy Notice or in a similar, industry-standard manner, and we use reasonable efforts to limit their use of such information and to use other appropriate confidentiality and security measures. The use of your information by one of our trusted business partners may be subject to that party's own Privacy Notice. We do not, however, disclose information we collect from consumer or credit reporting agencies with our affiliates or others without your consent, in conformity with applicable law, unless such disclosure is otherwise permitted by law.

We also reserve the right to disclose Personal Information and/or non-Personal Information to take precautions against liability, investigate and defend against any third-party claims or allegations, assist government enforcement agencies, protect the security or integrity of the Website, and protect the rights, property, or personal safety of FNF, our users or others.

We reserve the right to transfer your Personal Information, as well as any other information, in connection with the sale or other disposition of all or part of the FNF business and/or assets. We also cannot make any representations regarding the use or transfer of your Personal Information or other information that we may have in the event of our bankruptcy, reorganization, insolvency, receivership or an assignment for the benefit of creditors, and you expressly agree and consent to the use and/or transfer of your Personal Information or other information in connection with a sale or transfer of some or all of our assets in any of the above described proceedings. Furthermore, we cannot and will not be responsible for any breach of security by any third parties or for any actions of any third parties that receive any of the information that is disclosed to us.

Information From Children

We do not collect Personal Information from any person that we know to be under the age of thirteen (13). Specifically, the Website is not intended or designed to attract children under the age of thirteen (13). You affirm that you are either more than 18 years of age, or an emancipated minor, or possess legal parental or guardian consent, and are fully able and competent to enter into the terms, conditions, obligations, affirmations, representations, and warranties set forth in this

Privacy Notice, and to abide by and comply with this Privacy Notice. In any case, you affirm that you are over the age of 13, as **THE WEBSITE IS NOT INTENDED FOR CHILDREN UNDER 13 THAT ARE UNACCOMPANIED BY HIS OR HER PARENT OR LEGAL GUARDIAN.**

Parents should be aware that FNF's Privacy Notice will govern our use of Personal Information, but also that information that is voluntarily given by children – or others – in email exchanges, bulletin boards or the like may be used by other parties to generate unsolicited communications. FNF encourages all parents to instruct their children in the safe and responsible use of their Personal Information while using the Internet.

Privacy Outside the Website

The Website may contain various links to other websites, including links to various third party service providers. FNF is not and cannot be responsible for the privacy practices or the content of any of those other websites. Other than under agreements with certain reputable organizations and companies, and except for third party service providers whose services either we use or you voluntarily elect to utilize, we do not share any of the Personal Information that you provide to us with any of the websites to which the Website links, although we may share aggregate, non-Personal Information with those other third parties. Please check with those websites in order to determine their privacy policies and your rights under them.

European Union Users

If you are a citizen of the European Union, please note that we may transfer your Personal Information outside the European Union for use for any of the purposes described in this Privacy Notice. By providing FNF with your Personal Information, you consent to both our collection and such transfer of your Personal Information in accordance with this Privacy Notice.

Choices With Your Personal Information

Whether you submit Personal Information to FNF is entirely up to you. You may decide not to submit Personal Information, in which case FNF may not be able to provide certain services or products to you.

You may choose to prevent FNF from disclosing or using your Personal Information under certain circumstances ("opt out"). You may opt out of any disclosure or use of your Personal Information for purposes that are incompatible with the purpose(s) for which it was originally collected or for which you subsequently gave authorization by notifying us by one of the methods at the end of this Privacy Notice. Furthermore, even where your Personal Information is to be disclosed and used in accordance with the stated purposes in this Privacy Notice, you may elect to opt out of such disclosure to and use by a third party that is not acting as an agent of FNF. As described above, there are some uses from which you cannot opt-out.

Please note that opting out of the disclosure and use of your Personal Information as a prospective employee may prevent you from being hired as an employee by FNF to the extent that provision of your Personal Information is required to apply for an open position.

If FNF collects Personal Information from you, such information will not be disclosed or used by FNF for purposes that are incompatible with the purpose(s) for which it was originally collected or for which you subsequently gave authorization unless you affirmatively consent to such disclosure and use.

You may opt out of online behavioral advertising by following the instructions set forth above under the above section "Additional Ways That Information Is Collected Through the Website," subsection "Third Party Opt Out."

Access and Correction

To access your Personal Information in the possession of FNF and correct inaccuracies of that information in our records, please contact us in the manner specified at the end of this Privacy Notice. We ask

individuals to identify themselves and the information requested to be accessed and amended before processing such requests, and we may decline to process requests in limited circumstances as permitted by applicable privacy legislation.

Your California Privacy Rights

Under California's "Shine the Light" law, California residents who provide certain personally identifiable information in connection with obtaining products or services for personal, family or household use are entitled to request and obtain from us once a calendar year information about the customer information we shared, if any, with other businesses for their own direct marketing uses. If applicable, this information would include the categories of customer information and the names and addresses of those businesses with which we shared customer information for the immediately prior calendar year (e.g., requests made in 2015 will receive information regarding 2014 sharing activities).

To obtain this information on behalf of FNF, please send an email message to privacy@fnf.com with "Request for California Privacy Information" in the subject line and in the body of your message. We will provide the requested information to you at your email address in response.

Please be aware that not all information sharing is covered by the "Shine the Light" requirements and only information on covered sharing will be included in our response.

Additionally, because we may collect your Personal Information from time to time, California's Online Privacy Protection Act requires us to disclose how we respond to "do not track" requests and other similar mechanisms. Currently, our policy is that we do not recognize "do not track" requests from Internet browsers and similar devices.

FNF Compliance with California Online Privacy Protection Act

For some websites which FNF or one of its companies owns, such as the Customer CareNet ("CCN"), FNF is acting as a third party service provider to a mortgage loan servicer. In those instances, we may collect certain information on behalf of that mortgage loan servicer for fulfilling a service to that mortgage loan servicer. For example, you may access CCN to complete a transaction with your mortgage loan servicer. During this transaction, the information which we may collect on behalf of the mortgage loan servicer is as follows:

- First and Last Name
- Property Address
- User Name
- Password
- Loan Number
- Social Security Number - masked upon entry
- Email Address
- Three Security Questions and Answers
- IP Address

The information you submit is then transferred to your mortgage loan servicer by way of CCN.

The mortgage loan servicer is responsible for taking action or making changes to any consumer information submitted through this website. For example, if you believe that your payment or user information is incorrect, you must contact your mortgage loan servicer.

CCN does not share consumer information with third parties, other than those with which the mortgage loan servicer has contracted to interface with the CCN application.

All sections of the FNF Privacy Notice apply to your interaction with CCN, except for the sections titled Choices with Your Personal Information and Access and Correction. If you have questions regarding the choices you have with regard to your personal information or how to access or correct your personal information, you should contact your mortgage loan servicer.

Any liability of Fidelity National Financial, Inc. and your exclusive remedy with respect to the use of any product or service provided by Fidelity National Financial, Inc. including on or accessed through the Website, will be the re-performance of such service found to be inadequate.
