Such a large mural would not seem to comply with the city's sign ordinance and does not seem consistent with the architecture at the apartment complex or elsewhere along Camelback Road. It potentially would be as much an eyesore as the huge illustrations that the city has allowed on other Old Town buildings and an affront to the image of the West's Most Western Town. -- sent by John Polich (case# 6-DR-2016#2)

What is the subject matter of this mural? From all information it appears we will have a "billboard" on the corner of Camelback and Parkway. How often would they be allowed to change the content of the mural? Is wording allowed? Is there a purpose to this? We live across the street and I'm not so sure I want to look out at the same mural 24/7. Its like I said, a "billboard" of sorts like along the highway. -- sent by susan m. strainis (case# 6-DR-2016#2)
