definitively rule that out. The computer systems contained patients' names, dates of birth, addresses, health insurance information, clinical information and in some instances, social security numbers. This incident did not affect all FAA patients. It only affected FAA patients for whom MIMS provided billing services after January 31, 2010.

MIMS has no evidence that any of the information has been used inappropriately. However, out of an abundance of caution, MIMS mailed letters to affected FAA patients beginning November 18, 2015. MIMS is offering free credit monitoring services to all eligible patients and has established a dedicated call center to answer patients' questions about the incident. We deeply regret any inconvenience or concern this may cause our patients. To help prevent something like this from happening in the future, MIMS is taking steps to enhance the security of its computer systems, including reviewing its security processes, strengthening network firewalls, and continuing to incorporate best practices in IT security. ***Subject: Crossroads East PCD***

Dear Property Owner/Interested Party:

We are representing JLB Partners and LGE Design Build on a zoning request for a 12.26 +/- acre property located at the southeast corner of Scottsdale Road and Chauncey Lane. The request is for a zoning case to amend the existing Crossroads East PCD/Planned Community District (19-ZN-2002/19-ZN-2002#2) comparable district of PRC/Planned Regional Center to allow for the development of a mixed-use project comprised of restaurant, retail, office and residential uses. The Crossroads East PCD has a land use table that allows developers to select the appropriate comparable zoning district at the time of development. Under this proposal, the developer is seeking to utilize the PRC district, amending development standards to allow for the proposed mixed-use development and requesting additional residential units within the overall Crossroads East master plan land use budget. The proposed mixed use development on the 12.26 +/- acre parcel includes approximately 52,700 +/- s.f. of retail, restaurant and office and 308 upscale residential units. A conceptual site plan is included with this mailing.

We are sending this letter to you to make you aware of this zoning application and give you an opportunity to contact us regarding the request. We are also hosting a neighborhood open house meeting on **Monday, January 4th from 5:30pm-6:30pm at Appaloosa Library located at 7377 E. Silverstone Drive, Scottsdale, 85255** and we will have additional drawings to show the neighbors and afford you an opportunity to ask questions in person or simply review the proposal. Please feel free to contact me (information below) or our City Planner Greg Bloemberg, 480-312-4306 or [gbloemberg@scottsdaleaz.gov](mailto:gbloemberg@scottsdaleaz.gov) with any questions. For reference, our case number with the City is **1138-PA-2015**.

Sincerely,

Michele Hammond (applicant representative)
