Number of Residents Contacted for Meeting

310 (see enclosed resident name list). The letters regarding the neighborhood meeting went out on February 27th 2017.

Notification Sign (White Neighborhood Meeting Sign)

The white notification sign regarding the neighborhood meeting was placed on property Friday March 3rd, 2017.

General Meeting Objectives:

1. No neighbors showed up. We did have maps, site plans and photo sim package handouts.
2. Plan was to explain project in detail emphasize stealth, aesthetics, distance from property lines, existing wireless facilities including ATT monopalm which is closer to property lines. The need for this Verizon monopalm due to previously site at Pavilion's (behind Home Depot) being removed and reasons for moving it north on property from previously approved location.

Number of Residents who Responded to Project Notification and Neighborhood Meeting Letter

I: Peggy De'Amato Peggy believed initially that Smartlink was representing the AT&T existing monopalm which is closest to her residence (approximately 140' to northwest). I had 3 phone

conversations with Peggy lasting from 30-40 minutes on each call. Peggy's issues are with the AT&T monopalm not Verizon's 500 feet north of her home. We did not discuss the Verizon monopalm at all because she does not object to the tower. I did listen to a variety of complaints about the AT&T monopalm including: A) She should get paid for the air space above her property. B) RF emissions pertaining specifically to her house and her husband's health including existing "electrical buzzing noises emanating from the tower" and hopefully when the ATT tower is moved, she won't hear the buzzing. C) The tower being located on Inner Circle and it should be deemed illegal plus people watching fireworks and workers can look into her backyard. D) Peggy speaking at length that she desires the owners of Days Inn to buy her property so she can move to Prescott. In conclusion, Peggy was to only resident out of 307 property owners who contacted Smartlink on behalf of Crown Castle. Peggy informed me that she would not attend the neighborhood meeting because she had not issue with the Verizon monopalm. I could not make her understand that I am not representing the ATT tower at this time, however, I was patient and answered here questions when possible.

RE: New Crown Castle/Verizon Artificial Palm Tree Wireless Communication Facility

Dear Resident or Stakeholder:

Crown Castle is sending this letter for the purpose of providing notification to you concerning its pending Conditional Use Permit application with the City of Scottsdale (Project No: 840-PA-16) to be relocated at the Days Inn and Suites, 7330 N. Pima Road.

The proposed Crown Castle Wireless Communication Facility will consist of one new 62'-6" artificial palm tree that was originally approved by the City of Scottsdale on 1/13/16 case number 13-UP-2015. The new owners of the property requested that the site be moved to the north approximately 200 feet to accommodate redevelopment. Please reference the attached site plan and photo simulation.

If you require more information or have questions, please contact Marck Sawyer at 480-550-2088 or email at marck.sawyer@smartlinkllc.com. I will be happy to answer any questions or provide additional materials. In addition you can contact Keith Neiderer, Planner at the City of Scottsdale, 480-312-2953 or email at kneiderer@scottsdaleaz.gov

Sincerely,

Marck Sawyer
