Dear Neighbor:

Scottsdale Fashion Square has been the crown jewel retail center for Downtown Scottsdale since 1961. During that time, the center – and property – have evolved greatly by way of thoughtful development.

In our effort to continue to retain and attract the best luxury brands and provide the highest quality shopping experience for our customers, we have submitted an application with the City of Scottsdale to assist in our newest vision for the future. On behalf of Scottsdale Fashion Square, we are requesting to build up to 150' in height in some locations in conformance with the adopted Downtown Plan's Regional- Type 2 sub-district to accommodate a mixed use development including, but not limited to, hotel, office, residential, and retail (with the potential for a high-end organic grocer). The purpose of this request is to reallocate the square footage that is currently permitted to be built in specific areas across the property that will allow for more sustainable development responsive to the market. We are hopeful that these additional uses will strengthen the retail core and truly allow Downtown Scottsdale to be a live, work, and play community.

We are pleased to invite you to attend an open house to review our proposal. Please join us at the Scottsdale Fashion Square Retail Center in the former bebe Space (west end of the mall near Neiman Marcus on the Lower Level), from 5:30 p.m. to 6:30 p.m. on Thursday, September 10, 2015. We have attached a map for your convenience. The best parking will be in the two-level parking garage, underneath Dillard's, accessed off of 68<sup>th</sup> Street just north of Camelback Road.

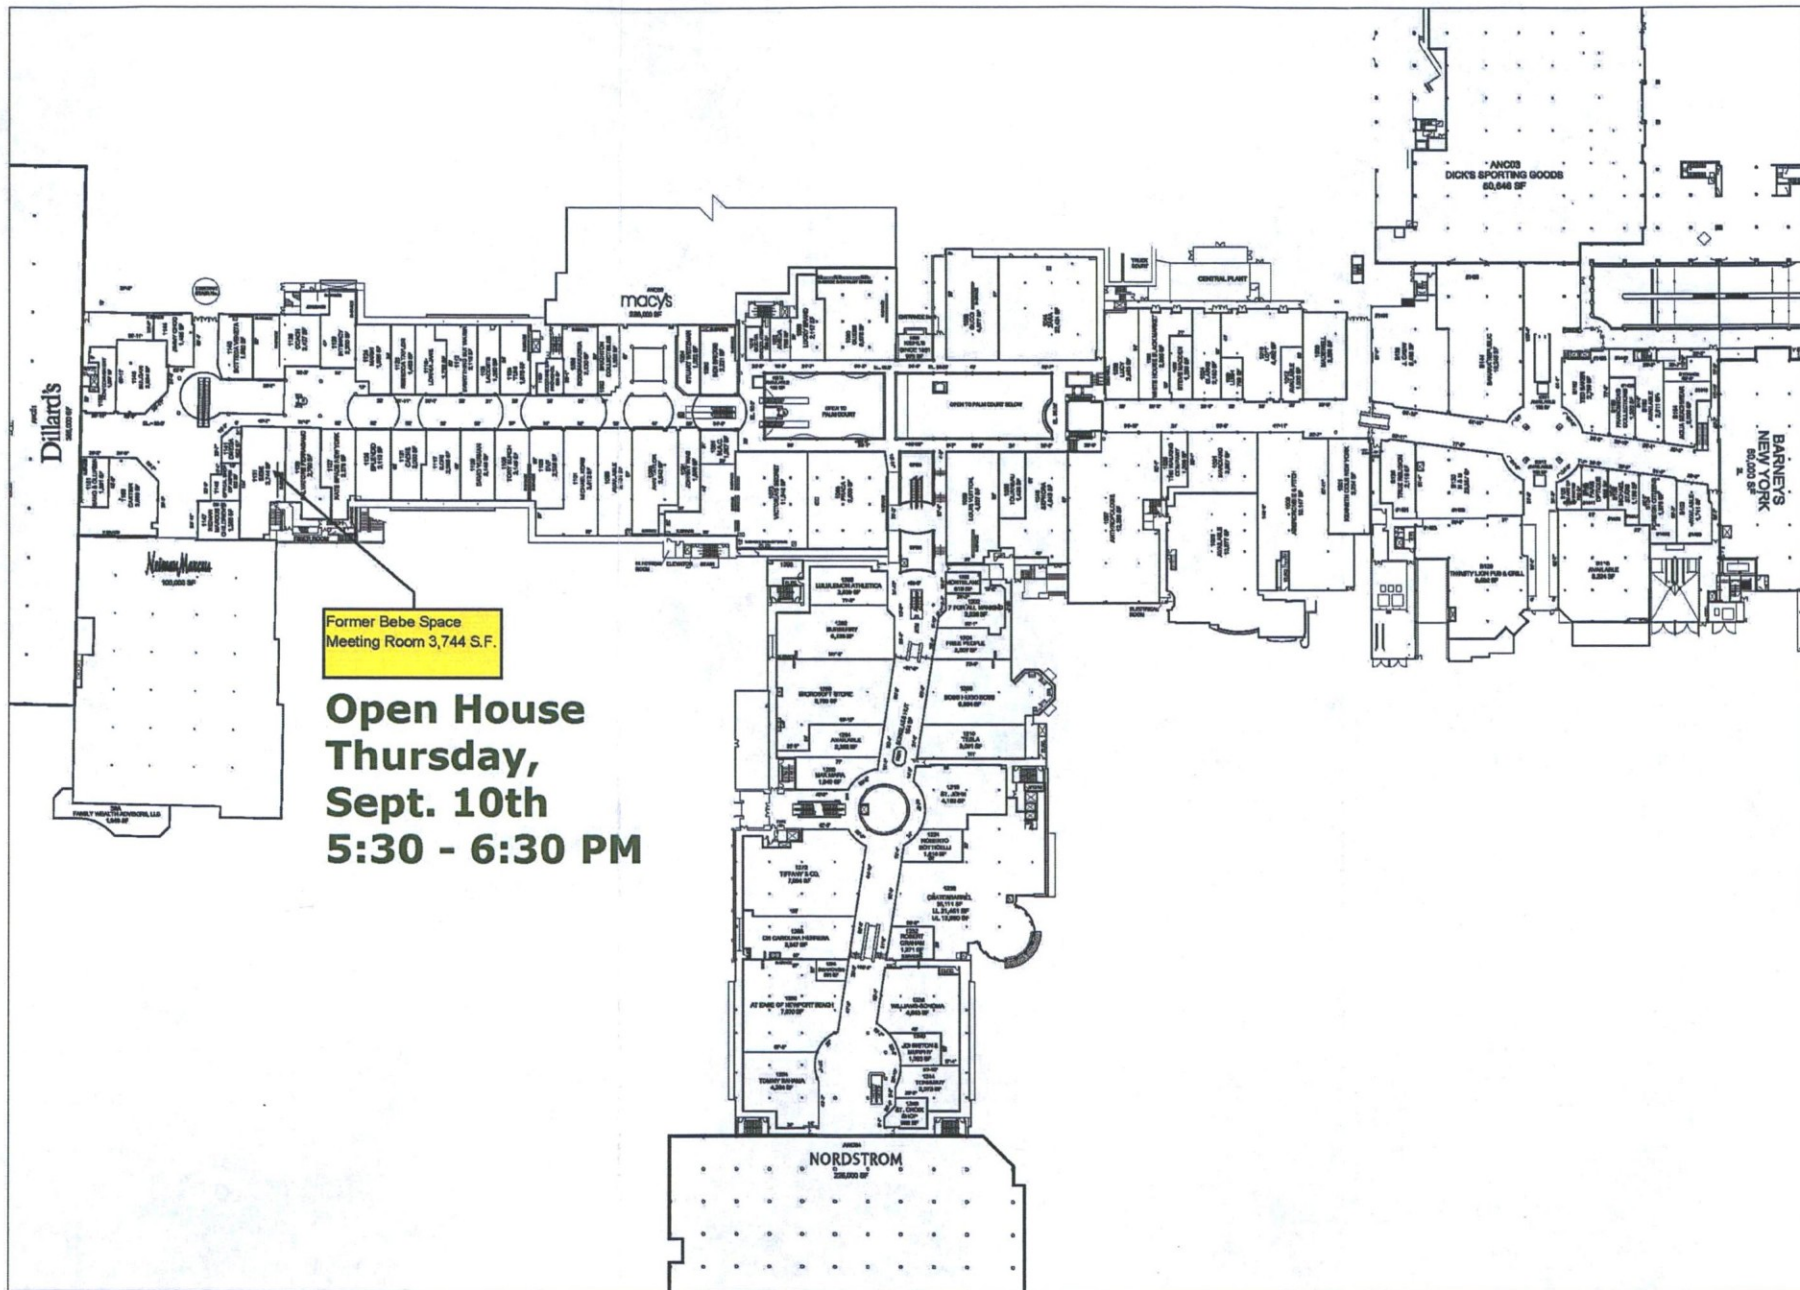

In the meantime, if you have any questions, please contact our neighborhood outreach team, Technical Solutions, at 602-957-3434. The City of Scottsdale Project Coordinator for this project is Greg Bloemberg, who can be reached at 480-312-4306.

Dear Neighbor:

Scottsdale Fashion Square has been the crown jewel retail center for Downtown Scottsdale since 1961. During that time, the center – and property – have evolved greatly by way of thoughtful development.

In our effort to continue to retain and attract the best luxury brands and provide the highest quality shopping experience for our customers, we have submitted a pre-application (817-PA-2015) with the City of Scottsdale to assist in our newest vision for the future. On behalf of Scottsdale Fashion Square, we are requesting approval of a Zoning District Map Amendment application to rezone the property from Downtown/Regional Commercial Office – Type 2 Planned Block Development Overlay Downtown Overlay (D/RCO-2 PBD DO) to Downtown/Downtown Regional Use – Type 2 Planned Block Development Overlay Downtown Overlay (D/DRU-2 PBD DO). The D/DRU-2 PBD DO is the corresponding zoning district to implement the Downtown Plan's Downtown Regional – Type 2, which the mall is designated. As part of the application, we will be requesting a new development plan that will 1) redistribute existing approved square footage and 2) request building heights up to 150' in some locations (please see the attached zoning boundary map).

The purpose of this request is to reallocate building square footage that is currently permitted to other areas on the site that will better allow for more sustainable development responsive to the market accommodating a mixed use potential that may include, but is not limited to, hotel, office, residential and retail (with the potential for a high-end organic grocer). We are hopeful that these additional uses will strengthen the retail core and enhance Downtown Scottsdale's reputation as a live, work, and thrive community.

We are pleased to invite you to attend an open house to review our proposal. Please join us at The W Hotel in Scottsdale (7277 E. Camelback Road) in Hospitality Suite 707 (accessed by the elevators just past the front desk) from 5:30 p.m. to 6:30 p.m. on Tuesday, December 1, 2015.

In the meantime, if you have any questions, please contact our neighborhood outreach team, Technical Solutions, at 602-957-3434. The City of Scottsdale Project Coordinator for this project is Bryan Cluff, who can be reached at 480-312-2258 or [BCluff@ScottsdaleAZ.gov](mailto:BCluff@ScottsdaleAZ.gov). **CITIZEN REVIEW & NEIGHBORHOOD INVOLVEMENT REPORT**  
**Scottsdale Fashion Square**  
March 9, 2016

## **Overview**

This Citizen Review Report is being performed in association with a request for a Zoning District Map Amendment to rezone a 55.2+/- acre property located on the northwest corner of Scottsdale Road and Camelback Road from Downtown/Regional Commercial Office – Type 2 Planned Block Development Overlay Downtown Overlay (D/RCO-2 PBD DO) to Downtown/Downtown Regional Use – Type 2 Planned Block Development Overlay Downtown Overlay (D/DRU-2 PBD DO). The D/DRU-2 PBD DO is the corresponding zoning district to implement the Downtown Plan's Downtown Regional – Type 2. This Citizen Review Report will be updated throughout the process.

The entire project team is sensitive to the importance of neighborhood involvement and creating a positive relationship with property owners, residents, business owners, homeowners associations, and other interested parties. Communication with some of these parties has already begun and will be ongoing throughout the process. Work on compiling stakeholders and preparing for the neighborhood outreach began prior to the application filing and will continue throughout the process. Communication with impacted and interested parties may take place with verbal, written, electronic, and door-to-door contact.

## **Community Involvement**

The outreach team has been communicating with neighboring property owners, HOA's, and community members by telephone, one-on-one meetings and small group meetings. Members of the outreach team will continue to be available to meet with any neighbors who wish to discuss the project. Additionally, they will be contactable via telephone and/or e-mail to answer any questions relating to the project.

Surrounding property owners, HOAs and other interested parties were noticed via first class mail regarding the project. The distribution of this notification met the City's requirements as specified in the Citizen Review

**25-ZN-2015**  
**04/04/2016**

Checklist. This notification contained information about the project, as well as contact information. This contact person will continue to provide, as needed, additional information and the opportunity to give feedback. The notification also contained information regarding two neighborhood Open Houses that were held on November 30, 2015 and December 1, 2015 at The W Hotel in Scottsdale for those who wished to learn more about the project. The site and times were posted on the Early Notification Sign prior to the Open Houses.

A total of 52 interested people attended the Open Houses. Attendees were generally supportive of the project, with a couple of neighbors having questions regarding the height, setbacks/stepbacks, traffic, and possible uses for the buildings. There has been additional follow up with neighbors since the Open House regarding these issues.

Since the time of the Open House, the outreach team has met individually with several neighbors that have requested more information as well. Extensive time has been spent creating line of sight renderings for neighbors both within Optima and Waterfront to show the impacts of the proposal for individual units. The offer to create these renderings for other neighbors will continue.

A vital part of the outreach process is to allow people to express their concerns and understand issues and attempt to address them in a professional and timely matter. As previously stated the entire team realizes the importance of the neighborhood involvement process and is committed to communication and outreach for the project.

Dear Neighbor:

Scottsdale Fashion Square has been the crown jewel retail center for Downtown Scottsdale since 1961. During that time, Fashion Square has evolved greatly by way of thoughtful development. In our effort to continue to retain and attract the best luxury brands and provide the highest quality shopping experience for our customers, we have submitted an application with the City of Scottsdale to assist in our newest vision for the future. The City is currently reviewing our application and proposed development plan.

As mentioned in our prior letter, Scottsdale Fashion Square is requesting approval of a Zoning District Map Amendment application (25-ZN-2015) to rezone the property from Downtown/Regional Commercial Office – Type 2 Planned Block Development Overlay Downtown Overlay (D/RCO-2 PBD DO) to Downtown/Downtown Regional Use – Type 2 Planned Block Development Overlay Downtown Overlay (D/DRU-2 PBD DO). The D/DRU-2 PBD DO is the corresponding zoning district to implement the Downtown Plan's Downtown Regional – Type 2, which the mall is designated. Based on the first review of the application by City Staff, we are making a technical change to the application by adding an Infill Incentive District application to the request. The Infill Incentive District will be utilized to amend the inclined stepback plane for buildings adjacent to the downtown boundary, specifically at the northeast corner of the site to ensure that there is appropriate transition to the adjacent residential neighborhoods. There is, however, no substantive change to the proposed development plan as submitted to the City that was the subject of two prior neighborhood meetings. As was the case with our original application, the revised application will 1) establish a new development plan for the mall and 2) request building heights up to 150' in some locations (please see the attached updated zoning boundary map).

The purpose of this request will allow for more sustainable development accommodating a mix of uses that may include, but are not limited to, hotel, office, residential and retail (with the potential for a high-end organic grocer). We are hopeful that these additional uses will strengthen the retail core and enhance Downtown Scottsdale's reputation as a live, work, and thrive community.

As always, if you have any questions, please contact our neighborhood outreach team, Technical Solutions, at 602-957-3434. The City of Scottsdale Project Coordinator for this project is Bryan Cluff, who can be reached at 480-312-2258 or [BCluff@ScottsdaleAZ.gov](mailto:BCluff@ScottsdaleAZ.gov). The D/DRU-2 PBD DO is the corresponding zoning district to implement the Downtown Plan's Downtown Regional – Type 2, which the mall is designated. As part of the application, we will be requesting a new development plan that will 1) redistribute existing approved square footage and 2) request building heights up to 150' in some locations (please see the attached zoning boundary map).

The purpose of this request is to reallocate building square footage that is currently permitted to other areas on the site that will better allow for more sustainable development responsive to the market accommodating a mixed use potential that may include, but is not limited to, hotel, office, residential and retail (with the potential for a high-end organic grocer). We are hopeful that these additional uses will strengthen the retail core and enhance Downtown Scottsdale's reputation as a live, work, and thrive community.

We are pleased to invite you to attend an open house to review our proposal. Please join us at The W Hotel in Scottsdale (7277 E. Camelback Road) in Hospitality Suite 707 (accessed by the elevators just past the front desk) from 5:30 p.m. to 6:30 p.m. on Tuesday, December 1, 2015.

## **CITIZEN REVIEW & NEIGHBORHOOD INVOLVEMENT REPORT**

### **Scottsdale Fashion Square**

December 3, 2015

#### **Overview**

This Citizen Review Report is being performed in association with a request for a Zoning District Map Amendment to rezone a 55.2+/- acre property located on the northwest corner of Scottsdale Road and Camelback Road from Downtown/Regional Commercial Office – Type 2 Planned Block Development Overlay Downtown Overlay (D/RCO-2 PBD DO) to Downtown/Downtown Regional Use – Type 2 Planned Block Development Overlay Downtown Overlay (D/DRU-2 PBD DO). The D/DRU-2 PBD DO is the corresponding zoning district to implement the Downtown Plan's Downtown Regional – Type 2. This Citizen Review Report will be updated throughout the process.

The entire project team is sensitive to the importance of neighborhood involvement and creating a positive relationship with property owners, residents, business owners, homeowners associations, and other interested parties. Communication with some of these parties has already begun and will be ongoing throughout the process. Work on compiling stakeholders and preparing for the neighborhood outreach began prior to the application filing and will continue throughout the process. Communication with impacted and interested parties may take place with verbal, written, electronic, and door-to-door contact.

#### **Community Involvement**

The outreach team has been communicating with neighboring property owners, HOA's, and community members by telephone, one-on-one meetings and small group meetings. Members of the outreach team will continue to be available to meet with any neighbors who wish to discuss the project. Additionally, they will be contactable via telephone and/or e-mail to answer any questions relating to the project.

Surrounding property owners, HOAs and other interested parties were noticed via first class mail regarding the project. The distribution of this notification met the City's requirements as specified in the Citizen Review

**25-ZN-2015**  
**12/21/15**

Checklist. This notification contained information about the project, as well as contact information. This contact person will continue to provide, as needed, additional information and the opportunity to give feedback. The notification also contained information regarding two neighborhood Open Houses that were held on November 30, 2015 and December 1, 2015 at The W Hotel in Scottsdale for those who wished to learn more about the project. The site and times were posted on the Early Notification Sign prior to the Open Houses.

A total of 52 interested people attended the Open Houses. Attendees were generally supportive of the project, with a couple of neighbors having questions regarding the height, setbacks/stepbacks, traffic, and possible uses for the buildings. There has been additional follow up with neighbors since the Open House regarding these issues.

A vital part of the outreach process is to allow people to express their concerns and understand issues and attempt to address them in a professional and timely matter. As previously stated the entire team realizes the importance of the neighborhood involvement process and is committed to communication and outreach for the project.

November 19, 2015

Dear Optima Resident:

Scottsdale Fashion Square has been the crown jewel retail center for Downtown Scottsdale since 1961. During that time, the center – and property – have evolved greatly by way of thoughtful development.

In our effort to continue to retain and attract the best luxury brands and provide the highest quality shopping experience for our customers, we have submitted a pre-application (817-PA-2015) with the City of Scottsdale to assist in our newest vision for the future. On behalf of Scottsdale Fashion Square, we are requesting approval of a Zoning District Map Amendment application to rezone the property from Downtown/Regional Commercial Office – Type 2 Planned Block Development Overlay Downtown Overlay (D/RCO-2 PBD DO) to Downtown/Downtown Regional Use – Type 2 Planned Block Development Overlay Downtown Overlay (D/DRU-2 PBD DO). The D/DRU-2 PBD DO is the corresponding zoning district to implement the Downtown Plan's Downtown Regional – Type 2, which the mall is designated. As part of the application, we will be requesting a new development plan that will 1) redistribute existing approved square footage and 2) request building heights up to 150' in some locations (please see the attached zoning boundary map).

The purpose of this request is to reallocate building square footage that is currently permitted to other areas on the site that will better allow for more sustainable development responsive to the market accommodating a mixed use potential that may include, but is not limited to, hotel, office, residential and retail (with the potential for a high-end organic grocer). We are hopeful that these additional uses will strengthen the retail core and enhance Downtown Scottsdale's reputation as a live, work, and thrive community.

We are pleased to invite you to attend an open house to review our proposal geared especially for the residents of Optima Camelview Village. Please join us at The W Hotel in Scottsdale (7277 E. Camelback Road) in Hospitality Suite 707 (accessed by the elevators just past the front desk) from 5:30 p.m. to 6:30 p.m. on Monday, November 30, 2015.

Dear Neighbor:

Scottsdale Fashion Square has been the crown jewel retail center for Downtown Scottsdale since 1961. During that time, the center – and property – have evolved greatly by way of thoughtful development.

In our effort to continue to retain and attract the best luxury brands and provide the highest quality shopping experience for our customers, we have submitted a pre-application (817-PA-2015) with the City of Scottsdale to assist in our newest vision for the future. On behalf of Scottsdale Fashion Square, we are requesting approval of a Zoning District Map Amendment application to rezone the property from Downtown/Regional Commercial Office – Type 2 Planned Block Development Overlay Downtown Overlay (D/RCO-2 PBD DO) to Downtown/Downtown Regional Use – Type 2 Planned Block Development Overlay Downtown Overlay (D/DRU-2 PBD DO). The D/DRU-2 PBD DO is the corresponding zoning district to implement the Downtown Plan's Downtown Regional – Type 2, which the mall is designated. As part of the application, we will be requesting a new development plan that will 1) redistribute existing approved square footage and 2) request building heights up to 150' in some locations (please see the attached zoning boundary map).

The purpose of this request is to reallocate building square footage that is currently permitted to other areas on the site that will better allow for more sustainable development responsive to the market accommodating a mixed use potential that may include, but is not limited to, hotel, office, residential and retail (with the potential for a high-end organic grocer). We are hopeful that these additional uses will strengthen the retail core and enhance Downtown Scottsdale's reputation as a live, work, and thrive community.

We are pleased to invite you to attend an open house to review our proposal. Please join us at The W Hotel in Scottsdale (7277 E. Camelback Road) in Hospitality Suite 707 (accessed by the elevators just past the front desk) from 5:30 p.m. to 6:30 p.m. on Tuesday, December 1, 2015.

In the meantime, if you have any questions, please contact our neighborhood outreach team, Technical Solutions, at 602-957-3434. The City of Scottsdale Project Coordinator for this project is Bryan Cluff, who can be reached at 480-312-2258 or [BCluff@ScottsdaleAZ.gov](mailto:BCluff@ScottsdaleAZ.gov). You can also receive additional information on the City's website at: [www.scottsdaleAZ.gov/projects/ProjectsInProgress](http://www.scottsdaleAZ.gov/projects/ProjectsInProgress).

Sincerely,

A handwritten signature in black ink, appearing to read "Scott H. Hill". The signature is written in a cursive, flowing style.
