## Citizen Review Report Summary: Civic Center MUMSP Final Wrap Up Meeting, January 25, 2017

The Civic Center MUMSP process began with a series of public meetings, all designed to inform various stakeholders in plans for minor upgrades and visions for future expansion of amenities. The final meeting, described below set out to describe the extent of the project, solicit input and establish priorities. The summary below outlines what was presented, details of intervention, and comments received. In general, changes are minor, as the character of Scottsdale Civic Center will remain the same - which was by far the strongest message from the public. **Pertinent attachments included in this document as required per the Citizen Review Checklist of MUMSP process.**

On January 25, 2017, the City of Scottsdale held an open house meeting from 6:00 p.m. to approximately 7:30 p.m. to receive public comments on the proposed Municipal Use Master Site Plan and Zoning District Map Amendment change Civic Center Mall property zoning designation from Central Business Downtown Overlay (C-2 DO), Highway Commercial Downtown Overlay (C-3 DO), Multiple Family Residential Downtown Overlay (R-5 DO), and Open Space Downtown Overlay (O-S DO) to the Downtown/Downtown Civic Center – Type 2 Planned Block Development Overlay Downtown Overlay (D/DCC-2 PBD DO), and a Conditional Use Permit for Live Entertainment at the Scottsdale Center for Performing Arts. Postcards **(A.4)** for the January 25, 2017 meeting were mailed to over 3,000 property owners **(A.2)** on Jan. 13, 2017. The mailing extended beyond the 750 foot radius around the site - as shown on the attached map and mailing list **(A.1)**. In addition, the City of Scottsdale issued a press release to notify the public of the open house meeting (see below).

Approximately 100 people attended the open house meeting. Sign-in sheets and comment cards from the meeting are also included as **A.6** to this report. In addition, **A.7** includes the affidavit of sign posting and photos of the public notice installations at 3 locations.

## Public invited to comment on Civic Center Mall Master Plan

By **Erin Walsh**, public information officer, 480-312-2355

January 20, 2017

Residents and other stakeholders are invited to learn about and provide comment on a proposed master plan for the **Scottsdale Civic Center Mall**.

The meeting takes place 6 p.m. Wednesday, Jan. 25, at the Scottsdale Center for the Performing Arts, 7380 E. Second St.

Scottsdale's Civic Center Mall annually ranks among the Valley's premier community spaces. It features public art, fountains and mature trees and landscaping. The mall hosts dozens of events each year, including the Scottsdale Arts Festival, the Scottsdale Culinary Festival and the Spring Training Festival.

The mall is at the heart of a cultural campus that includes the Scottsdale Center for the Performing Arts, City Hall, the Civic Center Library and the Scottsdale Museum of Contemporary Art.

The goal of the mall master plan is to identify areas for improvement and renovation. Areas to be addressed include infrastructure, enhanced public amenities, expanded performance and festival capabilities and strengthening the mall as a destination point and economic catalyst.

The proposed master plan was created through an ongoing public involvement process and collaboration with local business owners. A final draft is expected to be considered by the City Council later this year.

The mall was developed in the 1960s following a grassroots community planning process and has undergone several expansions and renovations.

Learn more about the mall and the **master plan process**.

## **Citizen Review Report Summary: Civic Center MUMSP Preliminary and Focus-Group Meetings**

### Summary of comments from additional Civic Center public meetings

Additional meetings were held with smaller groups as follows. In each case, direct contact was made by phone to arrange the meeting with the group.

On January 10, 2017, staff met with Steven Voss, who is developing the condominium complex at Main Street & 75th Street. He requested that we keep the Nevelson sculpture and open space intact at the east end of Civic Center. Staff responded that we will keep the sculpture in place and work on modifying the existing fountain feature so that it can co-exist with the new shade pavilion in that area.

On January 10, 2017, staff met with the Scottsdale Historical Society at the Little Red Schoolhouse. The Society appreciated the new design. However, they were not supportive of the idea to move the restroom building out into the primary walkway. City staff responded by modifying the plan to keep the restroom building in its current location.

On January 17, 2017, City staff met with the Scottsdale Cultural Council senior management at the Cultural Council offices. The Council was generally supportive and requested City staff to provide upgraded facilities for performances including more storage space and better electrical service. They also requested improved truck access. The Public Art Director requested that we coordinate with her staff on potential relocation of public art sculptures. City staff is following up on these requests and agreed to each request.

On January 17, 2017, City staff gave a presentation of the master plan to the Tourism Development Commission at City Hall. Staff gave a presentation of the master plan concept and listened to feedback. The Commissioners asked a few questions for clarification on the concept and also requested that the performance venues allow for multiple types of entertainment. Staff responded that this request will be honored. Overall, the Commission was very supportive of the master plan.

On January 18, 2017, City staff gave a presentation of the Civic Center master plan concept to the Parks & Recreation Commission at City Hall. The Commissioners asked that the plans be coordinated with City Parks staff. They were very supportive of the concept plans.

On January 18, 2017, City staff met with the Old Town Merchants Association at Cavalliere Blacksmith Shop on 2nd Street. The Association members did not like the concept of moving the restroom building out into the primary walkway. City staff responded by modifying the plan to keep the restroom building in its current location. The members were also concerned about taking away parking spaces to create a green space near the Little Red Schoolhouse. Staff responded that the parking would be replaced in another location at that time.

On February 7, 2017, staff gave a presentation to the Paths & Trails Subcommittee of the Transportation Commission at City Hall. The committee members asked that there be a designated bike route through the Civic Center. Staff responded by working with Transportation staff and adding the route to the master plan.

On February 15, 2017, staff met with the COS Library Board at Civic Center Library board room. The Board members requested that a "children's garden" be added near the north side of Civic Center Library. Staff responded by adding this feature to the master plan.

On February 16, 2017, staff gave a presentation to the COS Transportation Commission at City Hall. The commissioners were very supportive of the concept plan. They asked staff to work closely with the Principal Traffic Engineer who is in the process of improving sidewalks around downtown Scottsdale. Staff responded that they are already working together on this coordination effort.

## Summary of comments from Civic Center public meeting – January 25, 2017

Following is a summary of comments received from the January 25, 2017 public meeting –  
**City staff responses are shown in bold type below.**

Comment: Holly Street has created a wonderful design plan for revitalization of the Civic Center.

Comment: The top priority issue should be the parking. Underground parking should be pursued with accommodation to the city hall, performing arts center and SMOCA.

**Response: Underground parking is shown on this master plan update and is being proposed by staff for the future.**

Comment: The ideas are good, but what value is the process if there is no funding?

**Response: The Master Plan needs to be approved before we can arrange funding. The decision will be up to City Council regarding funding in a future budget.**

Comment: It appears that the bathrooms on the new plan seem to be an expensive idea on this wish list. I would not put them in the center of the walk way to the beautiful expansive plaza. Can the rest rooms remain where they are and be updated and always remain clean?

**Response: We have removed the new restroom building from this master plan. We intend to keep it in the existing location (next to the Little Red Schoolhouse for a while.**

Comment: There are some major immediate repairs needed related to fountains and the infrastructure. Those issues should be addressed immediately and funded out of capital funds.

**Response: This is also a high priority for City staff. We are working with a structural engineer regarding a solution to the immediate needs for repairs. Additional infrastructure work will be done as part of the remodeling of the Civic Center in the next few years.**

Comment: Typically rezoning include increased density and building heights, what is the purpose of the rezoning.

**Response: The property zoning is inconsistent with the use of the property, for example most of the library is zoned Multiple-family Residential (R-5) and the parking structure is zoned Open – Space (O-S). The proposed rezoning is to align the property with the City Downtown Plan and the proposed Municipal Use Master Site Plan (MUMSP). The MUMSP that is proposed does not include residential density or increase in building heights, although modifications to the development standards are required to the building setbacks to allow the building to be setback at the current distances.**

## Participate in Scottsdale Civic Center Mall Public Meeting January 25

For the past year, work has been underway to develop a plan for future uses of Civic Center Mall and identify opportunities for improvements and renovations. The proposed master plan was created through a significant public involvement process and collaboration with local business owners.

Join us for a public meeting to learn more and provide comments about the proposed master plan, related development applications and upcoming hearing process at 6 p.m. on Jan. 25 at the Scottsdale Center for the Performing Arts, 7380 E. Second St.

The goal of the Civic Center Mall Master Plan is to address infrastructure deficiencies, improve public amenities, expand performance and

festival capabilities and create a destination point and economic catalyst.

As part of the process to approve and implement the master plan, the city will be requesting approval of a: 1) Zoning District Map Amendment to rezone the property to Downtown/Downtown Civic Center - Type 2 Planned Block Development Overlay Downtown Overlay; 2) Conditional Use Permit for Live Entertainment for Live Entertainment for the Scottsdale Center for Performing Arts; and 3) a Municipal Use Master Site Plan for the Scottsdale Civic Center Mall.

To learn more about the project, please visit the project website at [ScottsdaleAZ.gov](http://ScottsdaleAZ.gov), search "Civic Center Mall."

Thank you for participating in the tonight's Civic Center Mall public meeting.

The project team would like your feedback on the proposed Civic Center Master Plan and any comments you have in regards to the area within the project boundaries.

I appreciate that there on life long Scottsdale Residents involved in the planning. The new performance space should remain sloped. I agree the current rest rooms by the historic society should not be removed. Agree we need to lose the term "mall" Can I get on the list for SOD when its dug up?

Please let us know if you have any additional comments in regards to the expanded Civic Center area and/or public spaces in Downtown Scottsdale.

We need to limit what is built outside the boundary. I have heard talk of a 4 story building where Pepins was. That type of building should not be allowed so close to the civic center

The new greenspace at the NE corner would be a great addition to the Park. Underground parking increases quality of life. What pedestrian connections are being made to ensure good accessible access to the park by foot/bike/<sup>sewing</sup> ~~staircase~~?

Please let us know if you have any additional comments in regards to the expanded Civic Center area and/or public spaces in Downtown Scottsdale.

75<sup>th</sup> st. can have lots of speed from police/neighborhood. Are any traffic calming strategies being considered adjacent to the park on the East? (Not speed bumps!)

Please think about how to dampen  
sound drifting to neighborhood to  
east through landscape, hardscape,  
and ordinances so Residents + events can <sup>co-exist</sup> ~~live~~ in peace. Don't  
obscure window to the west sculpture + fountain with permanent  
stage. Generally like the direction! Opening park to east is great.

Thank you for participating in the tonight's Civic Center Mall public meeting.

The project team would like your feedback on the proposed Civic Center Master Plan and any comments you have in regards to the area within the project boundaries.

The bathrooms should not be in the middle of the walkway.

Why not just have street level from Brown with a slope up not the whole walkway street level?

Please let us know if you have any additional comments in regards to the expanded Civic Center area and/or public spaces in Downtown Scottsdale.

I like the  
Conceptual design shows  
One comment: don't  
put the restrooms in the center walkway -  
set it back off the main entrance.

**Civic Center Master Plan – Recycling goals.**

Hi Gary,

Thanks for discussing the Civic Center Master Plan efforts with me last week.

As I brought forward, I would hope we could incorporate a statement or a goal somewhere in the plan referencing the importance of planning for recycling in this popular public space.

The 2035 draft General Plan goals related to solid waste and recycling are being used by Dan Worth to create the *Community Solid Waste and Recycling Vision and Strategic Plan*. Council directed Dan to take on this effort at a Council Meeting in May of 2016.

The 2035 GP Policy EP4.1 states: **“Maintain and expand citywide recycling programs, particularly for tourist areas, businesses, multi-family housing, institutional facilities, special events and public spaces.”**

I am requesting your master plan process and future improvements inclusively embrace this challenge and plan for our community to put its best foot forward in demonstrating the importance of a recycling ethic by showcasing the practice to tourists, visitors and active citizens of Scottsdale. The Civic Center is one of our premiere public spaces within the public realm of our downtown.

I am asking that you please communicate this to the consultant team and express the importance of the timing of this planning opportunity. A simple statement or goal in the master plan should be sufficient. Please also consider this same ethic when working on other components of our downtown public realm and open spaces.

I also did bring up another element the plan should consider. In my past efforts in planning the Civic Center in 1990 I realized there were inadequate accommodations for back of house staging, storage, and maintenance needs for this active public space. Perhaps there is a way to look to areas within the Civic Center to perform those functions seamlessly.

Thank you for your considerations, and best of luck to the team on the successful completion of this process.

**Civic Center Master Plan – Recycling goals.**

Hi Gary,

Thanks for discussing the Civic Center Master Plan efforts with me last week.

As I brought forward, I would hope we could incorporate a statement or a goal somewhere in the plan referencing the importance of planning for recycling in this popular public space.

The 2035 draft General Plan goals related to solid waste and recycling are being used by Dan Worth to create the *Community Solid Waste and Recycling Vision and Strategic Plan*. Council directed Dan to take on this effort at a Council Meeting in May of 2016.

The 2035 GP Policy EP4.1 states: **“Maintain and expand citywide recycling programs, particularly for tourist areas, businesses, multi-family housing, institutional facilities, special events and public spaces.”**

I am requesting your master plan process and future improvements inclusively embrace this challenge and plan for our community to put its best foot forward in demonstrating the importance of a recycling ethic by showcasing the practice to tourists, visitors and active citizens of Scottsdale. The Civic Center is one of our premiere public spaces within the public realm of our downtown.

I am asking that you please communicate this to the consultant team and express the importance of the timing of this planning opportunity. A simple statement or goal in the master plan should be sufficient. Please also consider this same ethic when working on other components of our downtown public realm and open spaces.

I also did bring up another element the plan should consider. In my past efforts in planning the Civic Center in 1990 I realized there were inadequate accommodations for back of house staging, storage, and maintenance needs for this active public space. Perhaps there is a way to look to areas within the Civic Center to perform those functions seamlessly.

Thank you for your considerations, and best of luck to the team on the successful completion of this process.

Need collaboration from city leadership to define vision	

business on the mall										
area	infrastructure	connector	public space / activation	amenities	amenities / water	amenities / landscape	gathering	activity	point of pride	economic catalyst
<p>planning</p> <p>pavers have issues</p> <p>remove some grade changes</p> <p>grade changes are funky. You go up to go down and it creates hidden features</p> <p>take grade changes away from edge</p> <p>Grade change at Main entry needs to be removed</p> <p>AZ88 is the only amenity that engages the park</p>		<p>need a connection (physical and visual) for Civic Center to a major street</p>	<p>more programming through PCA</p> <p>small group music performances</p> <p>Sunday Affair - have more frequently to extend into shoulder months and summer nights</p> <p>programmed music nights</p> <p>no residential on park</p> <p>brick paving does not extend to History Museum entry</p> <p>area at Historic Museum is 'barren'. It is between the entry and the mall</p> <p>Keep area at Historic Museum flat for events</p>	<p>add bike racks and bike paths</p>	<p>repair fountain</p> <p>change water features - too passive</p> <p>don't keep water where it is - it is hidden from view</p>	<p>use turf where people can use it, eliminate turf where it is too small to be utilized</p>	<p>Event set-up on Main Street. Entry does not work</p>	<p>AZ88 is hard to find. GPS does not work - need to rely on phone calls</p>	<p>Phoenix = cool</p> <p>Tempe = college</p> <p>Scottsdale = stodgy</p> <p>entry sequences from garage are not aesthetic / pleasing</p> <p>identify entrances</p>	
<p>planning</p> <p>don't eliminate parking stalls</p> <p>garage traffic flow is strange</p> <p>AZ88 is nice - keep it</p>		<p>Tour buses stop at Brown and Main</p>	<p>move patio dining / drinking spaces so that they front onto the mall</p> <p>people like to sit on patios and view out to activity</p> <p>people moving through the park will make it more desirable</p> <p>implement "Meet me on Monday" tour</p> <p>Tempe is encouraging street bands</p> <p>have alcohol in park</p> <p>analyze liquor license opportunity</p>	<p>like creek but the existing one is not an interesting design</p>	<p>visitors like the rolling hills and flowers near the museum</p> <p>improve landscaping</p> <p>grass is critical - keep it</p> <p>grass + shade</p> <p>like the rolling hills at Historic Museum (kids + adults)</p>	<p>How do small events happen and how are they paid for?</p> <p>need a better programming policy</p>		<p>lack of wayfinding - place in right location</p> <p>place signs at edge of street</p> <p>rename Main Street Civic Center (no Mall)</p> <p>Keep Old Town the way it is</p> <p>improve lighting in alley</p> <p>main trail does not look friendly</p>	<p>Mall is an asset - needs promotion</p>	
<p>planning</p> <p>Remove / Re-do</p> <p>City Hall</p> <p>Parking garage</p> <p>Saguero</p> <p>Pepperwood</p> <p>Re-do One Civic Center</p> <p>activate bridge to let people know about park</p> <p>bury parking garage</p> <p>shave off end of garage or remove</p> <p>put parking garage below grade</p> <p>Move SMOCA to City Hall</p> <p>New City Hall somewhere else</p> <p>Take out SMOCA + Jewel in Crown</p>			<p>New Years</p> <p>Tempe allows for open carry to keep local restaurants busy</p> <p>more events and concerts</p> <p>need simple connections to food and beverage</p> <p>incorporate and interactive activated landmark art piece</p> <p>Bryant Park - retail/restaurants are elevated above park to enhance view</p>	<p>Sikes allow for them to be included</p>	<p>interactive water - why not more? (code challenges)</p> <p>interactive water - if you do it make it big</p> <p>nothing is worse for public space than a turned off water feature</p>	<p>consolidate turf to larger areas</p>	<p>Concern with tents blocking retail space. Mill Ave places tents in center of street</p>	<p>How do we improve view into park?</p> <p>visible from Indian School</p> <p>Add art or Signage at bridge</p> <p>many people don't know where Civic Center is</p>	<p>Where is downtown - canal or civic</p> <p>Scottsdale Civic Center does not have enough cache yet</p> <p>make a defined entry into park</p> <p>Consider "Main Street Civic Center" as a potential name. It provides a location</p> <p>Google can't find us</p> <p>may need to shift image of this section of downtown</p> <p>Front of Civic Center needs to be on street</p>
