RE: DRB APPROVAL NOTIFICATION

Case Reference No: 33-DR-2018 Scottsdale Heights

The Development Review Board approved the above referenced case on October 4, 2018. For your use and reference, we have enclosed the following documents:

- Approved Stipulations/Ordinance Requirements
- Construction Document Submittal Requirements/Instructions (**These will be available after October 15**)
- This approval expires two (2) years from date of approval if a permit has not been issued, or if no permit is required, work for which approval has been granted has not been completed.
 - These instructions are provided to you so that you may begin to assemble information you will need when submitting your construction documents to obtain a building permit. For assistance with the submittal instructions, please contact your project coordinator, Jeff Barnes, 480-312-2376.
- Table: "About Fees"
 - A brief overview of fee types. A plan review fee is paid when construction documents are submitted, after which construction may begin. You may review the current years fee schedule at: <http://www.scottsdaleaz.gov/bldgresources/Fees/default.asp>

Please note that fees may change without notice. Since every project is unique and will have permit fees based upon its characteristics, some projects may require additional fees. Please contact the One Stop Shop at 480-312-2500.

Finally, please note that as the applicant, it is your responsibility to distribute copies of all enclosed documents to any persons involved with this project, including but not limited to the owner, engineers, architect, and developer.

Sincerely,

Jeff Barnes
