**Subject:** Proposed Verizon Tower at 92nd/Cholla

The PDF package regarding the proposal mentions "propagation map" in the 1st sentence of the Project Description showing the area that the cell tower will benefit. However, I don't see any of the maps in the package being identified as a propagation map. Can you please forward that map with the package? Thank you. -- sent by Jerri Horst (case# 25-DR-2015#2)
