COMMENT	
Comment:	<p>Members of the DRB - My wife and I live in Optima Camelview Village directly opposite the proposed hotel development at the corner of Highland and Goldwater. While we are supportive of the proposed development, we do have serious concerns about the effectiveness of the proposed 4 foot height of the glass in controlling noise from the pool and terrace area. Towards that end, we would ask that you raise the requirement for the glass barrier to at least 8 or preferably 10 feet in height. During events at the existing parking lot, such as the recent tennis tournament, the annual automobile auction, etc., noise generated by those activities has been problematic. In addition, on occasion, noise from pool and outdoor activities at the W Hotel on Camelback Road, has impacted our community. If I am not mistaken, the height of that glass barrier is 4 or 5 feet. As a retired landscape architect whose practice involved site design, it has been my experience that taller masses are most effective in deflecting noise upward and away from adjacent areas. A perfect example of this is where the high barrier walls adjacent to the Loop 101 between Shea and Via Linda shield the adjacent Pima Path and neighborhoods from the high traffic noise of the expressway. While</p>

the material of the walls are different than the glass proposed at the hotel site, both materials are solid and taller than the adjacent noise generation elements. Thank you for your time and consideration. Morgan + Laura McIlwain

Subject: Fw: Hotel pool at Fashion Sq Mall
Date: Wednesday, November 6, 2019 10:16:24 AM

External Email: Please use caution if opening links or attachments!

I am writing you to voice my opinion on the hotel that is planned for the North Side of Fashion Square Mall. As a resident and owner of multiple units at the Optima Camelview condominiums I am concerned about the noise level that an outdoor pool can create. We are currently subject to the noise from the pool and parties at the "W" Hotel which is over a half mile away, we have had to call the police on numerous occasions as the "W" has not adhered to the 11 o'clock limitation on noise. The planned hotel will be right across the street from Optima. When I moved to Scottsdale eleven years ago, I understood I was moving to a city, and I expect and accept development, but there is a quality of life issue here that can be resolved with good development and government planning. A wall (glass or other material) high enough to mitigate much of the noise is a solution that should be acceptable to all. Please do not create a situation that would put the seven hundred residents of Optima in a position to be harmed in a meaningful way.

Thank you for your consideration John Bennett

External Email: Please use caution if opening links or attachments!

This email is in particular to the councilman who is supposed to be the voice of the people in downtown Scottsdale.

Based on meetings over the last few years we were told that the new hotel on Highland Ave in the Fashion Sq Mall vicinity would NOT be similar in noise level to the W hotel on Camelback Rd just off Scottsdale Rd.

The pool at the W continually plays music that can be heard at Optima Camel view condo complex located on Highland Ave. we are at least a quarter of a mile away. And we were told that would not happen at this new hotel.

The recent email states that u r not only planning to have to pool on the top floor open to the environment but unwilling so far to put up a sufficient wall to keep the noise inside. And this new hotel is directly across the street from our condo complex not a quarter of a mile away!

What have we become? An extension to the BAR AREA located near the W Hotel?? U r being implored to keep this new hotel noise under control. Something that was not done to the W making the noise very disturbing to residents at Optima on a regular basis.

Scottsdale City Council Members and Development Review Board:

As a resident at Optima Camelview Village, We are very concerned regarding the noise impact from the developer's proposed 8 foot increase. We live at the corner of Rancho Vista Drive and Scottsdale Rd and frequently can hear noise from the W Hotel. I am very concerned for all Optima residents and the surrounding neighborhoods; and especially, those in the most immediate geographic radius.

We purchased at Optima for the tranquil setting. Please honor our community and surrounding neighbors by maintaining a minimal height of 10 feet.

Subject: Noise Mitigation for Caesar's Hotel, Scottsdale
Date: Wednesday, November 6, 2019 7:13:20 AM

External Email: Please use caution if opening links or attachments!

Good morning.

As homeowners and residents of the Optima Camelview Condominiums, located directly across the street from the new Caesar's Hotel at Fashion Square Mall, we are both excited about the prospect of a quality new business in our neighborhood and concerned about the impact noise from the hotel could have on our quality of life.

It is our understanding that the City Manager and some City Council members have been working to reduce the noise impact of the rooftop pool by requiring the developer to increase the glass wall height from five (5) feet to ten (10) feet.

We have recently learned that on Monday, representatives for the Developer walked back the agreement and proposed an eight (8) foot increase for a span of forty (40) feet. It is our feeling that the width should be double that amount to have a more meaningful impact on mitigating sound.

Again, we are looking forward to the addition of the Caesar's Hotel and welcome our new neighbors and visitors to the community. Our goal is to reach a peaceful coexistence where all parties are able to enjoy their business, their vacation, and their home.

Thank you for your consideration in this matter.

From: [Debra Stein](#)
To: [Development Review Board](#); CityCouncil@scottsdaleAZ.gov; [Phillips, Guy](#)
Subject: The Caesar Hotel proposed development plans and subsequent noise issues
Date: Tuesday, November 5, 2019 9:06:15 PM

External Email: Please use caution if opening links or attachments!

Dear Members of the Scottsdale City Council and the Development Review Board,

My name is Debra Stein, and I am a resident of Optima Camelview Village.

My address is:

7141 E. Rancho Vista Drive
Unit 4002
Scottsdale, AZ 85251

I am writing as a concerned neighbor regarding the design and the known subsequent noise which jeopardizes my community's quiet enjoyment based on the proposed design elements of the Caesar's Hotel.

The hotel's latest plan has inadequate noise reduction elements and I am concerned that the elements are insufficient to protect our community from consistent noise emanating from the outdoor pool, and from the open meeting space on the

lawn of the hotel.

Regarding the pool : the pool walls are not high enough nor is the proposed sound monitoring system sufficient to shield us from noise from the pool area.

The monitoring system only monitors the music level and will do nothing about curtailing the noise from hotel guests who will need to speak at volumes higher than the level of sound in order to have conversation.

It is a known fact that voices carry and we all know about the ongoing problems from noise from the music playing at the W Hotel, and from patrons of the bars and restaurant's in the entertainment district. This is what is bound to happen from a party deck pool. The hotel can say it is not so, and that the

hotel and the outdoor pool is not going to be a party atmosphere, however, the brand, Caesar's stands for a Las Vegas destination for fun and for entertainment. The brand Caesars does not personify quiet or reserved.

Although I appreciate the offer from the hotel to give our residents a direct line to call the hotel manager if the noise is bothersome, the offer itself lends credence that noise is going to be a problem for our community. I foresee a constant back and forth between multiple homeowners and hotel

management; all of which is less than a good use of anyone's time, when we can stop this problem from occurring now.

There is a great burden in which the Development Review Board and the City Council face when you vote to approve the hotel's proposed development plan, or not.

Can all members insure that the level of noise from the hotel's design elements will not impede on the quiet enjoyment of our residents and of the surrounding residential neighborhood?

I understood that Macerich was going to expand the mall when I purchased my home. However, a Las Vegas branded hotel, with an open pool with music, directly across the street from our community is not what the mall offers, which is shopping and upscale restaurants.

The fact that noise from the hotel's pool is being discussed is worrisome for my community and should be worrisome to all of you.

This hotel will change the nature of what is a now beautiful, quiet and upscale community.

I worry that our beautiful properties will lose property value once there is constant noise from the hotel. You should too.

I hope that the Development Review Board and City Council Members understand that noise from the proposed design of the Caesar's hotel will forever change my community and the surrounding neighborhood. As I see it, the current proposal before the Development Review Board and the City

Council will be a vote on whether the city approves the expansion of the entertainment district, which has and continues to be south and east of Camelback and is the source of constant problems between the residents of that neighborhood as a result of noise from the entertainment district's

establishments and their patrons.

The noise from the Caesar hotel's open pool and meeting space on the lawn will become a nuisance and will destroy the quiet enjoyment in which we live.

A vote to approve these design elements will be a vote to turn your backs on Optima Camelview Village and what collectively has been a half a billion dollar investment in the City of Scottsdale.

The Design Review Board and the City Council can vote to press pause and work with all parties to rethink what this hotel, which Caesar has said in their own press materials is a hotel in the spirit of Las Vegas, which is grossly inconsistent with my quiet and upscale residential neighborhood.

Best Regards,

Debra Stein

Dear Mayor Lane.

I am a long time resident of Scottsdale. Moving here in 1965.

We currently live just north of Fashion Square Mall.

We have density, height and noise concerns with the Caesar development going in on the north side of the mall.

There have been similar concerns with the W and Adeline hotels.

Please do what you can to maintain the Scottsdale lifestyle we have been famous for.

⚠EXTERNAL Email with links or attachments. Please use caution!

Dear City council members and other city employees,

I am very concerned about the plan for pool and space in the Caesar Hotel. Optima Camelview and other surrounding areas are residential areas. Placement of an outdoor pool and party space will have a large negative impact on the peace and quality of life for those adjoining areas. Already we can hearing the noise from the W hotel although it is much further away. The placement of any pool or outdoor facilities must take into account of the impact and quality for the surrounding residents.

I commend that any such facilities face the south area, have a high surrounding barrier for sound abatement, and lights should face inward and away from residential areas.

For areas surround the Scottsdale's Airport there are noise abatement procedures that pilots and aircrafts must observe to avoid to limit the effect on surrounding residential areas.

Subject: Caesar Hotel at Fashion Square on Highland

⚠EXTERNAL Email with links or attachments. Please use caution!

Dear Mr. Cluff,

We live one block north of Optima. One of the attractions to this area was that it was walking distance to the mall and Old Town WITHOUT all the noise. It is the best of both worlds. Preserving neighborhoods like this should be the priority of this city.

Optima has been a wonderful neighbor in that it welcomes people to share their walkways and restaurant and yet they remain a very quiet, peaceful community. Clearly this atmosphere is important to those residents as well as ours.

When Days Inn changed hands to Hotel Adeline on Scottsdale Road, the obnoxious noise from their pool parties became a constant source of annoyance to our neighborhood. The city seems to be very happy to look the other way when the decibel level is so loud that houses literally vibrate from their pool parties.

I have little confidence that the Caesar will care about neighboring communities either. Their reputation precedes them. It would be comforting if residents of this city could actually depend on their mayor and city council to protect their very homes and neighborhoods from public disturbances. It seems like that would be a given that residents could assume would be the norm.

Instead, what seems to be happening is that all any entity has to do is wave money at Scottsdale and all aesthetics disappear. Building heights, noise limits, density for starters. These are the very things that attracted all of us to this part of the valley. Scottsdale used to have a reputation for maintaining a certain quality of life for residents, not for giant corporations.

Please be willing to voice our concerns to those who can do something positive for this community. It is actually what they are elected to do: Represent residents.

Thank you for your attention to this matter.

Subject: FW: Stop the Party Pool Across the Street

⚠EXTERNAL Email with links or attachments. Please use caution!

Dear Mayor and Council,

No amplified music or voices in the pool area. No bright lights. The location of the pool should not be at the 7th floor period. There is no way you can mitigate the noise disruption it will cause. You have further ruined Scottsdale by allowing Optima to go in...in the first place. Now your approval towards these new 150ft renderings will serve as a prelude for even further heights in the future. Exploiting Scottsdale for the developer's short term gain at the expense of the citizens is not in the best interests or agreement of the majority who live here. It will only lead to further complications with little forethought on how you are going to resolve the problems you create.

Sincerely, Patty Badenoch

To: Concerned Resident <optimacamelviewhotel@outlook.com>
Subject: Stop the Party Pool Across the Street

As you made have heard, plans to build a Caesar Republic Hotel across Highland Avenue from Optima have been announced. The design plans for the hotel have just been submitted to the City of Scottsdale. You can review the plans by pasting the following link onto your browser:

https://eservices.scottsdaleaz.gov/planning/projectssummary/applicant_submittals/ProjInfo_30_DR_2019.pdf

Alternatively, you can go to the City of Scottsdale web page www.scottsdaleaz.gov and type 30-DR-2019 into the search space. Click on Boutique Hotel.

The use as a hotel and the height of 150' have already been approved. Nothing can be done about those issues. However, we are able to impact the design of the hotel. The developer's plans call for a pool, restaurant and bar on the 7th floor facing northwest towards Camelback Mountain. These facilities will be only a few feet from Optima units along Highland Road. Caesar's has a world-famous reputation for its loud pool parties in Las Vegas. We don't want that repeated next to us.

The design of the hotel has to be approved by the City of Scottsdale. Now is the time to let the City staff, Mayor and Councilmembers and the Design Review Board know about your concerns.

The point person at the City is Bryan Cluff. Your comments should be emailed to him at

bcluff@ScottsdaleAZ.gov. It would also be a good idea to copy the Mayor, city council members and members of the Design Review Board with your email messages.

The email address for Mayor Lane is jlane@ScottsdaleAz.gov

To reach the other City Council members send messages to citycouncil@scottsdaleaz.gov

The current members of the Scottsdale City Council are: Suzanne Klapp, Virginia Korte, Linda Milhaven, Guy Phillips, Kathy Littlefield and Solange Whitehead. Anyone having a direct relationship with any of the City Council members should meet with them in person.

Please let the City know about your concerns. It is best to send messages using your own words. If appropriate, you could make the following points:

1. No amplified music or voices in the pool area.
2. No bright lights that would shine away from the hotel.

3. The glass wall around the pool should be at least 6 feet high.
4. The location of the pool should be moved to face south towards the sun and the parking garage. It should not face towards Optima.

The noise from the party pool at the W Hotel disrupts the surrounding neighborhood and is well known to the City of Scottsdale representatives. Tell them not to allow another one!

If you are interested in receiving updates about information about the hotel, please send your email address to optimacamelviewhotel@outlook.com. If you know other residents of Optima or surrounding neighborhoods who would be interested in this topic, please forward this email to them.

Subject: Potential safety issues for Scottsdale residents

⚠EXTERNAL Email with links or attachments. Please use caution!

Hello Bryan. My wife and I are Scottsdale residents, living at the Camelview Optima community. We feel strongly about the potential impact that the new Caesar's resort will have on Camelview Optima, as well as The city of Scottsdale in general.

We already have an "eyesore" of a problem with the pool parties at the W Hotel. Lets not allow this to happen again at the new Caesar's resort across the street from Camelview Optima. Creating a rooftop pool that looms over our residents on Highland would not be good for the City of Scottsdale. Noise, loud music, bright lights, excessive alcohol, as well as a serious safety concern for Scottsdale citizens in the surrounding areas, are what we potentially could face, if you allow the design to emulate what happened at the W. Have the pool face south towards the parking garage, not towards Optima.

Sincerely,

Bud Berk

Subject: Caesar Republic and Optima Camelview Village

⚠EXTERNAL Email with links or attachments. Please use caution!

M. Bryan Cluff, Honorable Jim Lane,

As part of the great city of Scottsdale community and a lucky Optima Camelview Village owner, I would like to add my voices to my fellow neighbors to request your extreme vigilance regarding potential nuisances that may arise from an inappropriate design of the new Caesar Republic hotel.

Developing Old Town should not jeopardize existing residents lifestyle nor the value of their investment. The emphasis of the City Council to maintain peace and respect in the community makes me feel confident this will be the main consideration while approving the final design of the 7th floor pool deck, which seems to be now the focal point for many Optima Camelview Village residents anxiety. I believe the all neighborhood has similar feelings.

Camelview residents have always been great fans and supporter of their nearby businesses, and we enjoy the Scottsdale Mall's new luxury wing, Ocean 44, Tocaya, and soon to open Nobu. While we are happy to contribute to their success, we appreciate when they grow in harmony with their neighborhood.

I want to thank you for your attention and wish the best to the City of Scottsdale, my Town of adoption.

To: Cluff, Bryan; Development Review Board
Subject: Case 30-DR-2019
Attachments: Case 193-DR-1997.pdf; Map of the area.pdf

Mr. Cluff and Development Review Board,

My name is Chris Layman. I live adjacent to the project in the single family subdivision, Paradise Meadows. Our subdivision was established in 1957, well before Scottsdale Fashion Square. This subdivision was designed as an upscale, low-density, quiet neighborhood. The residents of our neighborhood bought homes here to live that lifestyle. Over recent years, that quiet low-density lifestyle has been eroded. Here are just some examples of our reduced quality of life from the high density areas:

- Increased traffic/noise
- Dogs barking all day long from a dog area in an apartment complex abutting our neighborhood
- Fleeing criminals from Scottsdale Fashion Square into our neighborhood
- Tall buildings overlooking our homes
- Vandalism/graffiti
- Dog feces not picked up

To maintain a balance between the noisy high-density area where this project is located and our quiet low-density neighborhood, the following stipulations need to be applied to this project.

- 1) The end of Highland Ave west of Goldwater Blvd shall remain closed to all vehicles.
- 2) The developer shall complete the fence at the end of Highland Ave west of Goldwater Blvd and install a locking security pedestrian gate accessible to the residents of Paradise Meadows subdivision. Please see the attached case 193-DR-97, where the precedence was set for separation between high-density and low-density areas. Currently, the end of Highland Ave has now become a Uber/Lyft drop-off point for the attractions of Scottsdale Fashion Square.
- 3) All the glass on this building needs to be non-reflective. The residents surrounding this building will suffer unnecessary glare and heat.
- 4) No amplified music, announcements, etc. at any time over 68 decibels as measured from the right-of-way line on the north side of Highland Ave

Please consider incorporating these stipulations to this project. The residents of this city depend on you to protect the quality of life of all residents and to keep a balance between low-density and high-density areas where they meet.

Respectfully,

Chris Layman

Subject: RE: Case 30-DR-2019

Hello Mr. Layman,

Thank you for taking the time to comment on the submitted Development Review Board case for Caesar's Hotel. Your comments will be made a part of the record and included in our reports to the DRB. I would like to try and clarify/answer some of the requested stipulations you identify below.

There is currently no vehicular access from Goldwater to Highland at this location, and there is no plan for additional access. This issued was vetted during the zoning case review (25-ZN-2015) for the Fashion Square master plan, which also included a stipulation for fence improvements similar to your statement in #2 below. These improvements have already been completed to the extent possible, given the number and size of utilities that run through the street in this area. Since these are public streets, the City cannot provide gated access that would restrict pedestrian circulation.

As part of the staff review of the application we will be specifically looking at the potential reflectivity of the glass of the building to make sure there is not excessive glare onto adjacent properties, including the homes in your neighborhood.

Regarding Item #4 below, the below stipulation was included in the zoning approval for SFS and is applicable to the proposed hotel development:

"AMPLIFIED MUSIC. Within the area of the site identified as Parcel B on Exhibit A to Exhibit 1, there shall be no exterior amplified music after 10:00pm, and 11:00pm on weekends and holidays, at levels greater than 68 decibels as measured from the right-of-way line on the north side of Highland Avenue."

Please let me know if you have any questions.

Thank you,

Bryan D. Cluff, LEED AP

Subject: Case 30-DR-2019

Mr. Cluff and Development Review Board,

My name is Chris Layman. I live adjacent to the project in the single family subdivision, Paradise Meadows. Our subdivision was established in 1957, well before Scottsdale Fashion Square. This subdivision was designed as an upscale, low-density, quiet neighborhood. The residents of our neighborhood bought homes here to live that lifestyle. Over recent years, that quiet low-density lifestyle has been eroded. Here are just some examples of our reduced quality of life from the high density areas:

- Increased traffic/noise
- Dogs barking all day long from a dog area in an apartment complex abutting our neighborhood
- Fleeing criminals from Scottsdale Fashion Square into our neighborhood
- Tall buildings overlooking our homes
- Vandalism/graffiti
- Dog feces not picked up

To maintain a balance between the noisy high-density area where this project is located and our quiet low-density neighborhood, the following stipulations need to be applied to this project.

- 1) The end of Highland Ave west of Goldwater Blvd shall remained closed to all vehicles.
- 2) The developer shall complete the fence at the end of Highland Ave west of Goldwater Blvd and install a locking security pedestrian gate accessible to the residents of Paradise Meadows subdivision. Please see the attached case 193-DR-97, where the precedence was set for separation between high-density and low-density areas. Currently, the end of Highland Ave has now become a Uber/Lyft drop-off point for the attractions of Scottsdale Fashion Square.
- 3) All the glass on this building needs to be non-reflective. The residents surrounding this building will suffer unnecessary glare and heat.
- 4) No amplified music, announcements, etc. at any time over 68 decibels as measured from the right-of-way line on the north side of Highland Ave

Please consider incorporating these stipulations to this project. The residents of this city depend on you to protect the quality of life of all residents and to keep a balance between low-density and high-density areas where they meet.

Respectfully,

Chris Layman

Request for Site Visits and/or Inspections Construction Document Application

This request concerns all property identified in the construction document (plan review) application.

Project Name: Caesar's Republic Hotel

Project Address: Goldwater Blvd and Highland Ave

STATEMENT OF AUTHORITY:

1. I am the owner of the property, or I am the duly and lawfully appointed agent of the property and have the authority from the owner to sign this request on the owner's behalf. If the land has more than one owner, then I am the agent for all owners, and the word "owner" refer to them all.
2. I have the authority from the owner to act for the owner before the City of Scottsdale regarding any and all development application regulatory or related matter of every description involving all property identified in the construction document.

STATEMENT OF REQUEST FOR SITE VISITS AND/OR INSPECTIONS

1. I hereby request that the City of Scottsdale's staff conduct site visits and/or inspections of the property identified in the construction document in order to efficiently process the application.
2. I understand that even though I have requested the City of Scottsdale's staff conduct site visits and/or inspections, city staff may determine that a site visit and/or an inspection is not necessary, and may opt not to perform the site visit and/or an inspection.

Planning and Development Services

7447 E Indian School Road, Suite 105, Scottsdale, AZ 85251 ♦ www.ScottsdaleAZ.gov

Public Participation - DR, PP

Public participation ensures early notification and involvement prior to the filing of a formal application, which is an integral component of Scottsdale's public hearing process.

Step 1: Complete Neighborhood Involvement Outreach

Hold a minimum of 1 Open House Meeting prior to formal application submittal

- Send open house invite via 1st Class Letter to property owners & HOAs within 750', to the City's interested parties list, and to the City project coordinator. Invitations need to be sent at least 10 calendar days prior to the open house meeting, and include the following information:
 - Project request and description
 - Pre-application number (xx-PA-xxxx)
 - Project location (street address)
 - Size (e.g. Number of Acres of project, Square Footage of Lot)
 - Zoning
 - Applicant and City contact names, phone numbers, and email addresses
 - Scheduled open house(s) - including time, date, and location
- Post **Project Under Consideration** sign at least 10 calendar days prior to your Open House Meeting (See Project Under Consideration (White Sign) posting requirements)
- E-mail open house information to the Project Coordinator and to: planninginfo@scottsdaleaz.gov
- Provide sign-in sheets and comment sheets at the open house meeting
- Avoid holidays, weekends, and working hours
- Maintain contact with neighbors during the process and make as many contacts that are warranted to achieve productive neighborhood involvement
- Hold additional open house meetings as necessary to ensure public participation

- OR -

Complete Neighborhood Notification Outreach

- Mail Neighborhood Notification 1st Class Letter to property owners & HOAs within 750', the City's standard interested parties list, and to the City project coordinator at least 10 calendar days prior to formal application submittal (include the following information):
 - Project request and description
 - Pre-application number (xx-PA-xxxx)
 - Project location (street address)
 - Size (e.g. Number of Acres of project, Square Footage of Lot)
 - Zoning
 - Conceptual site plan/elevations
 - Applicant and City contact names and phone numbers

Step 2: Document your Project Notification efforts as follows:

- Provide a list of names, phone numbers/addresses of contacted parties
- Provide a map showing where notified neighbors are located
- Provide the dates contacted, and the number of times contacted
- Indicate how they were contacted (e.g. letter, phone call). If certified mail was used, provide receipts of delivery
- Provide copies of letters or other means used to contact parties

Public Participation - DR, PP

- Provide originals of all comments, letters, and correspondence received

City will post public hearing sign notices and provide other public notification

- Mailing out postcards to property owners within 750 feet
- Posting case information on the City website
- Posting on social media
- Sending to email subscribers

Neighborhood Outreach Report
Caesars Republic Scottsdale
May 23, 2019

HCW Development contacted surrounding property owners within 750 feet of the project on May 22, 2019 via first class mail to discuss the upcoming Development Review for the Caesars Republic Scottsdale project located at the southeast corner of Goldwater Blvd. and Highland Ave directly across from the new Ocean 44 restaurant. Neighbors were informed that the site plan and elevations were being submitted for review at an upcoming DRB meeting and that the City would post the site with the meeting time, date and location. Additionally, they were given contact information for the development team as well as the City's Project Coordinator if they had questions or concerns.

The outreach team and HCW Development are committed to the outreach process and informing people of all phases of the project. The HCW Development team will continue to communicate with the surrounding neighbors throughout the progress of this project to ensure that any neighborhood concerns are addressed.

ATTACHMENTS:

Notification Letter & Graphic
Notification List

May 21, 2019

Dear Neighbor:

As a result of the City's recent approval of Macerich's Scottsdale Fashion Square Master Plan (25-ZN-2015 & 1-II-2016), HCW Development is pleased to notify you of an application with the City of Scottsdale (962-PA-2018) for **Development Review Board** approval of the four-star Caesars Republic Scottsdale hotel. This 266 room **non-gaming hotel** operated by Aimbridge Hospitality will be located on the 7.04+/- acres at the southeast corner of Goldwater Blvd. and Highland Ave directly across from the new Ocean 44 restaurant.

Caesars Republic Scottsdale will be Caesars Entertainment Corporation's first **non-gaming hotel** in the United States. In addition to the hotel lobby and service areas, the first floor will include a fine dining restaurant and coffee shop.

We have submitted the site plan and building elevations to the City for development review. An elevation of our proposed development is enclosed. There will be a **Development Review Board** meeting to review this submittal and receive public comment at some point in the near future. The property will be posted by the City with the time, date and location of this public meeting.

In the meantime, if you have any questions please feel free to contact our architect, Benjamin Van Eps AIA, at 417-865-6100. The City of Scottsdale Project Coordinator for this application is Bryan Cluff who can be reached at 480-312-2258 or BCluff@ScottsdaleAZ.gov.

Sincerely,

The HCW Development Team
