re: Conditional Use Permit-Elks Lodge #2148

Dear Mayor Lane, Council Members,  
City Officials and Members of the Elks Lodge:

I am a Director of, and write as directed by the Board of the Valley Field Riding & Polo Club ("VFRPC"), which has since 1937 been located in a historic structure at 2530 North N. 64<sup>th</sup> Street, Scottsdale, Arizona, immediately north and adjacent to the Scottsdale Elks Lodge. VFRPC requests that any applications by Scottsdale Elks Lodge No. 2148 to enlarge or continue its conditional use permits be denied, and that it be immediately ordered to terminate activities which violate Scottsdale City Code and its prior use permits.

### History:

Scottsdale Case No. 005-PA-92 (sometimes noted 006-SA-93) includes a February 5, 1992 letter from the Elks to the City which claims the member guest RV parking generates funds donated to Elks' charities, and the guests contribute to the Scottsdale economy. On March 25, 1992 the Elks Lodge wrote that while there were eight parking spaces, electrical hookups are limited to six.

2530 N. 64th Street, Scottsdale, AZ 85257 (480) 945-6994  
P.O. Box 10570, Phoenix, AZ 85064-0570

On March 2, 1992 Scottsdale Project Coordination Manager Lisa Collins wrote the Elks that RV parking with no hookups for utilities would be considered ancillary to the use of the property as a private lodge and given staff approval.

A request to expand the R.V parking area from 8 to 34 spaces, a purported non-commercial use for Elks members only, was set for public hearing December 13, 1993, and was opposed by Raymond Cosgrove, a neighbor.

A December 22, 1993 staff memo notes that the R5 District does not allow RV parks. Lisa Collins wrote the Elks December 30 that the request to have additional RVs would not be permitted under the current R5 Zoning, noting that the request to increase the number of RVs was determined by staff to be more than ancillary and was now a primary use of the site. On February 11, 1994 Ms. Collins wrote confirming that the Elks had withdrawn their application for an amended permit to allow more than eight RVs.

Recent Action:

The City issued a Code Enforcement notice dated September 27, 2017 concerning unauthorized activity on the site, which illegal uses continue. The Elks' January 29, 2018 application to change the current conditional permit from a seven to thirty days, to permit storage of busses, and to allow temporary construction staging areas came after the citation for code violations.

A neighborhood Town Hall meeting was held by the Elks in September 2017, at which it distributed written ballots (which inaccurately bear the printed date of August 31, 2017). Most of those who spoke at the meeting expressed opposition to the proposed commercial uses of the property; despite this, the Elks filed with the City many ballots showing approval, many by non-neighbors. Many of the filed ballots expressed concern about dust control, a problem with has not been remedied.

It is noteworthy that the meeting and the written ballots prepared by the Elks did not give notice of, or include a request to approve the slurry seal operation which began four days later (an unauthorized commercial/industrial use which generates a great deal of noise and dust). If the Elks did not know that use was soon to begin, its contract with VSS permitting its operations on their property would confirm that fact. Absent proof that the slurry use was a sudden and unexpected opportunity, it appears that the Elks displayed bad faith in their representations to neighbors at the Town Hall meeting they convened.

Because the Elks claim a charitable purpose (supporting youth, veterans, the needy and scholarships) to justify their unauthorized commercial activities, we request that the City require them to produce for inspection:

1. Written documentation of all gifts and expenses which qualify as charitable purposes, or are relied upon to justify the commercial uses of the Elks property. The 990 tax returns for exempt organizations filed by the Elks for 2014, 2015 and 2016 do not include a listing of charitable expenses or contributions.
2. All contracts and memoranda concerning agreements to park RVs or buses, or conduct slurry seal or other industrial uses on the property from the time such activities began. The contracts will identify the commencement dates of such activities, which will confirm that violation of the conditional use permit and code has been flagrant and continuing.
3. Copies of all receipts, ledgers, and other records identifying or disclosing payments made by RV owners to park on the premises, bus operators to park or operate on the premises, and for the slurry seal operations. Such records will identify the periods of time in which such violations occurred, and can be compared to determine if the income from such commercial activities have any relationship to claimed charitable purposes.

If necessary, the records identified above may be sealed and furnished to officers of VFRPC under a confidentiality agreement. If the City will not require that they be furnished to the Mayor, Council, city staff and to the immediate neighbor which is detrimentally affected by these activities, they would be available by subpoena if it becomes necessary to file a civil action to abate and recover damages for nuisance. We would prefer that this not become necessary.

Scottsdale City Code Section 5.1001 states that R5 zoning "is intended to provide for development of multiple family residential and allows a high density of population with a proportional increase in amenities as the density rises. The district is basically residential in character and *promotes a high quality environment* though aesthetically oriented property development standards."

The uses the Elks have made of their property are inconsistent with the purposes of the zoning district. They show a persistent and continuing disregard for the code restrictions, use permit conditions, and for the rights of their neighbors.

The activities create noise from early morning until late at night, dust, disruption, and are entirely inconsistent with the residential character of the neighborhood. There are other locations within or adjacent to the city of Scottsdale at which these activities can lawfully be conducted, and there is no justification or necessity to intrude on the residential district.

VFRPC's caretaker Scott Battle has photographs and videos which give evidence of the conduct damaging to the club and inconsistent with the rights of the neighbors and of the standards of the zoning district. If you require further information from Mr. Battle or, from me, or from other members of the VFRPC, please let me know and I will obtain them.

23 October 2017

Dear Mayor Lane:

Our neighborhood Papago Buttes is a wonderful quiet place, just the type of neighborhood that has attracted families to Scottsdale for decades. We enjoy a quality of life that is not available elsewhere in the Metro area. The impact that the reoccurring noise is having on our neighborhood consisting of 33 homes is witnessed by the 31 signed petitions attached. We are requesting that the City of Scottsdale through its many divisions enforcement, planning, zoning, and pubic works address this reoccurring noise issue associated with the Elk's Club and the City.

The Elks Club and City of Scottsdale contractors have engaged in this Slurry Road Seal mixing and transfer activity Without Permit time and time again. Their current plan results in surrounding neighbors being impacted 4 to 5 times a year from 10 days to 2 weeks per occurrence, thats over 2.5 months a year. It is a 6am (or earlier) to 6pm operation 7 days a week.

The Elks Club is also currently in violation of their conditional land use permit issued by the City of Scottsdale on other issues. This existing case was brought about by a complaint from other parties.

I have discussed this matter with your staff at length and they have been active in researching the matter. I trust that the City of Scottsdale will hear our request and allow us the "Quiet Enjoyment" of our homes. I am available to discuss this matter at any time if you require more information.

Sincerely,

To the Mayor and City Council Members of Scottsdale:

The City of Scottsdale has a Slurry Road Seal mixing and staging operation in the rear of the Elks Club on Oak Street/64<sup>th</sup> Street ... directly adjacent to our Papago Buttes gated HOA community. This operation runs from 6am (often earlier) until late in the evening. ***The noise from the vehicles coming and going - mixing, dumping, etc - is excessive for a residential area.*** We hear it from within our homes with the windows and doors closed, and especially when we are attempting to enjoy some peace and quiet in our backyards. We've been advised that the city intends to use this location for 4 to 5 staging events that last ten days to three weeks at a time, every year. *This is completely unacceptable.*

***This operation is also in violation of the current use Code for this location.*** Upon being informed of the situation by a Papago Buttes HOA Board member, a City of Scottsdale code enforcement official visited the site and was going to issue an immediate 48-hr 'cease operation' order that very day, but informed us a day later that he could not do so because the end user was, in fact, the City of Scottsdale itself.

***As a community we are petitioning the City of Scottsdale to find a more suitable location for this noisy activity - in an appropriate, industrial-use area away from residential neighborhoods such as ours.***

Thank you.

To the Mayor and City Council Members of Scottsdale:

The City of Scottsdale has a Slurry Road Seal mixing and staging operation in the rear of the Elks Club on Oak Street/64<sup>th</sup> Street ... directly adjacent to our Papago Buttes gated HOA community. This operation runs from 6am (often earlier) until late in the evening. ***The noise from the vehicles coming and going - mixing, dumping, etc - is excessive for a residential area.*** We hear it from within our homes with the windows and doors closed, and especially when we are attempting to enjoy some peace and quiet in our backyards. We've been advised that the city intends to use this location for 4 to 5 staging events that last ten days to three weeks at a time, every year. *This is completely unacceptable.*

***This operation is also in violation of the current use Code for this location.*** Upon being informed of the situation by a Papago Buttes HOA Board member, a City of Scottsdale code enforcement official visited the site and was going to issue an immediate 48-hr 'cease operation' order that very day, but informed us a day later that he could not do so because the end user was, in fact, the City of Scottsdale itself.

***As a community we are petitioning the City of Scottsdale to find a more suitable location for this noisy activity - in an appropriate, industrial-use area away from residential neighborhoods such as ours.***

Thank you.

Welcome to our Town Hall Meeting. August 31, 2017 5:30pm

B.P.O.E. Scottsdale Elks Lodge 2148, located at 6398 E Oak St, Scottsdale, AZ 85257 is applying to the City of Scottsdale for an amendment to our Conditional Permit to allow:

Change from current provision of 8 RV Parking Spaces limited to a 7 day stay to read limited to a 30 day stay. This is limited to Elks members only.

Allow the long-term storage of up to 20 RV, Boats, etc. in the back (north) end of our lot. No dry camping will be allowed. Again, limited to Elks members only.

Allow for lot rental to the Recreational Transportation Charter Bus company, which includes the parking of 11 Charter buses and 1 trailer that is used for an office on the west side of our property.

We are open to your concerns and discussion of these issues as how they may affect our neighborhood.

We thank you for attending our meeting and welcome your comments below. Please print and sign your name and address. These will be presented to the city with our request for an amendment to our Conditional permit.

## Valley Field Riding and Polo Club

March 15, 2018

Mr. Jeff Barnes  
City of Scottsdale  
7447 E. Indian School Road, Suite 105  
Scottsdale, AZ 85251

RE: Case #3-UP-2018, Elks Lodge #2148

We represent the Valley Field Riding & Polo Club, a private corporation that owns the buildings and grounds immediately to the north of the subject property owned by the conditional use permit amendment applicant. We object to the requested amendment.

We employ a caretaker at our property who lives on site close to the wall separating our property from that owned by the applicant. He reports that multiple buses are allowed premise housing, the ability to come and go at will and otherwise maintain and operate the buses on the applicant's property. These vehicles also are allowed to move about at various hours after dark, while employing back up alarms as they traverse the subject property at various times approaching and beyond midnight. In addition to the noise, we are informed that the buses, plus recreational vehicles and dump trucks occupy the premises and create significant dust as they move about the property. The operators also provide garage and mechanic's services while on the property. Some vehicles are without wheels. Some are recreational vehicles. Some are designed for housing and currently appear occupied.

Apparently, the subject property is zoned Multiple-Family Residential (R-5). We do not know if this includes the primary operation of facilities for vehicular housing, a commercial garage and commercial vehicular parking.

In short, for these reasons we object to the current usage on the subject property described above. We also object to any request to increase the present usage that will exacerbate the problem further.

Sincerely,

Peter J. Rathwell, Board President

**Re: CONDITIONAL USE PERMIT- ELKS LODGE #2148  
Papago Buttes Homeowners Association**

Dear Council Members for the City of Scottsdale and Mayor Lane:

We are the attorneys that represent the Papago Buttes Homeowners Association (the "Association"). This letter concerns the proposed amendment to an existing Conditional Use Permit requested by the Scottsdale Elks Lodge #2148 ("Elks Lodge") to allow for the following additional uses: (1) temporary construction staging multiple times per year, (2) long-term storage for up to twenty (20) Recreational Vehicles, and (3) storage for up to fifteen (15) charter buses.

*The Association requests that the City Council deny the request for an amendment to the Conditional Use Permit as the Association believes that permitting the amendment would negatively impact and be incompatible with the residential use of the Association and the surrounding communities.*

Pursuant to the City of Scottsdale Revised Code Section 1.402(B), the Association hereby objects to the proposed amendment to the Conditional Use Permit sought by the Elks Lodge and requests that the City Council to use its judgment to reject the proposal as the amendment to the Conditional Use Permit would be detrimental to the adjoining communities, including homeowners within the Association, and is incompatible with the area in which the Association is located.

City of Scottsdale Revised Code Section 1.402(B) provides, in relevant part, that an amendment to a Conditional Use Permit must be approved as provided in Section 1.400 et seq. for the approval of conditional use permits. Pursuant to Scottsdale Revised Code Section 1.401, a conditional use permit may be granted **only** after the Planning Commission has made a recommendation and the City Council has found as follows:

- A. That the granting of such conditional use permit **will not be materially detrimental** to the public health, safety or welfare. In reaching this conclusion, the Planning Commission and the City Council's consideration shall include, but not be limited to, the following factors:
  - 1. Damage or **nuisance** arising from **noise**, smoke, odor, **dust**, **vibration** or illumination.
  - 2. Impact on surrounding areas resulting from an unusual volume or character of traffic.
- B. The characteristics of the proposed conditional use are **reasonably compatible with the types of uses permitted in the surrounding areas**.
- C. The additional conditions specified in Section 1.403, as applicable, have been satisfied.

**The burden of proof for satisfying the aforementioned requirements shall rest with the property owner.**

(Emphasis added).

Based on City of Scottsdale Revised Code Section 1.402(B), the proposed amendment to the Conditional Use Permit should **not** be granted if the permit would not be reasonably compatible with the surrounding uses. Zoning restrictions are important procedural safeguards that assist in preventing land use that would negatively influence or would be incompatible with the surrounding areas. In this circumstance, the Elks Lodge is

conditionally zoned as R-5 (Multi-family Residential) for use as a private club. However, neither the manner in which the Elks Lodge currently operates nor the uses proposed by the amendment are compatible with the Association's use (or the use by the surrounding community) and are materially detrimental to the Association and its owner through the noise and dust that have been and will be generated by the Elks Lodge.

A cursory review of the facts and circumstances makes it clear that the proposed Conditional Use Permit is inconsistent with the intent and limits of the Ordinance, and the Elks Lodge desire to include additional uses upon their property is simply insufficient to overcome the issues with the incompatibility of their intended use. The owners within this quiet neighborhood in an upscale community purchased their properties under the assumption that their immediate neighbor would use the property as a private club, and could not have anticipated the property's use as a twenty (20) space long-term RV storage lot with storage for up to fifteen (15) charter buses. It is evident even from the Google image of the Elks Lodge that the property is already being used in violation of the Conditional Use permit for excessive storage of charter buses and recreational vehicles as shown below. Accordingly, it is evident that allowing the proposed change to the conditional use in property zoned for multi-family purposes is entirely detrimental to the property values of the members in the Association, and has and will continue to cause an extreme nuisance to the Association's residents.

Furthermore, although the Elks Lodge request additionally sought to use the property for construction staging, the Elks Lodge has already been engaged in such practices. The Elks Lodge acknowledged to the City of Scottsdale in September 2017 that it was using the property for construction staging in nonconformance with its Conditional Use Permit and that such use generated “an extreme amount of dust” due to the large number of vehicles on the property and such use is plainly evident as shown below. This misuse of the property must be stopped immediately.

The City of Scottsdale Revised Code Section 1.707 provides that the City Council may revoke a conditional use permit if the holder of the permit changes the use without an amendment, fails to comply with the conditions prescribed on the permits, or such misuse is detrimental to the community. Specifically, Section 1.707 provides as follows:

- A. The City Council may revoke or modify a conditional use permit upon a finding of:
  - 1. A material **change in the conditional use without an amendment**; or
  - 2. Material **noncompliance with the conditions prescribed** upon issuance of the conditional use permit or with representations by the permittee as to the nature of the conditional use to be conducted; or
  - 3. Operation of the conditional use in such a manner as to cause a **substantial detrimental impact on the community**.
- B. A **revocation hearing shall be conducted** by the City Council following the notice and hearing procedures of [Section 1.702](#).
- C. The conditional use permit **shall be revoked or modified if** four (4) of the City Council members find that one (1) or more of conditions set forth above in paragraph A. of this section has occurred.
- D. Any person aggrieved by a decision of the City Council pursuant to this section, or any taxpayer, city officer or department affected by a decision of the Council pursuant to this section, may appeal the Council's decision to the Superior Court at any time within thirty (30) days after the Council has rendered its decision.

As the Elks Lodge has admittedly violated the terms of its Conditional Use permit in multiple ways with blatant disregard to the impact on the surrounding community and the Association, the Association requests that the City Council notice a revocation hearing and determine whether the Elks Lodge shall be permitted to maintain its conditional use as a private club. To the extent that the City Council is inclined to modify the Conditional Use permit held by the Elks Lodge, the Association requests that such permit specify the appropriate use of the property such that the Elks Lodge cease to be used for storage of charter buses, recreational vehicles, and construction staging and instead be used solely as a private club, as was originally intended.

It is clear that allowing the Elks Lodge to operate as a construction staging site and as a long term storage yard for recreational vehicles and charter buses would have an extremely detrimental impact to the residents of the Association and the surrounding community, depriving those residents of their anticipated quiet enjoyment, and decreasing their property values. Accordingly, the Association respectfully requests that the City Council deny the proposed amendment to the Conditional Use Permit submitted by the Elks Lodge. Additionally, due to the Elks Lodge's material noncompliance with the conditions prescribed upon issuance of the Conditional Use permit, and the detrimental impact such noncompliance has had on the Association's members and the surrounding community, the Association further requests that the City Council hold a hearing pursuant to the procedures set forth in Section 1.702 of the City of Scottsdale Revised Code to consider the revocation or modification of the conditional use permit held by the Elks Lodge.

Please contact me directly at (480) 427-2859 if you have any questions or need any additional information or documents from the Association with respect to this issue. Additionally, please let me know what action the City of Scottsdale is taking to ensure that the Conditional Use Permit described above is being enforced. The Association looks forward to hearing from the City, and working with the City on this matter to ensure compliance with all City codes.

Sincerely,

A handwritten signature in black ink, appearing to read 'M K Sahl', with a stylized flourish at the end.

Mark K. Sahl, Esq.

SCOTTSDALE ELKS LODGE #2148  
BENEVOLENT & PROTECTIVE ORDER OF ELKS  
6398 E OAK ST  
SCOTTSDALE AZ 85257-1102

Requested/Proposed changes to the current conditional permit for Scottsdale Elks Lodge 248, a fraternal organization, leasing the property at 6398 E Oak St, Scottsdale, AZ 85257

In light of the fact that there is no legal right of way for Oak Street in front of the property, the Scottsdale Elks Lodge 2148, an authorized agent per our lease agreement with the owner of the property, The William A Cavalliere Educational Trust, request that any improvements to the south portion of the property, to include driveway curbs and sidewalk be at the expense of the City of Scottsdale if such improvements are required. The city will be responsible for performing these upgrades and the replacement of any and all landscaping that may be disturbed or destroyed by said upgrades.

Change from current provision of 8 RV parking spaces limited to a 7 day stay to read limited to a 30 day stay. This is limited to Elk members only so no competition with public lots.

Allow the long-term storage of up to 20 RV, Boats, Trailers, etc. in the north end of our lot. No dry camping, or maintenance on stored items to be allowed. This is limited to Elk members only.

Allow parking of up to 15 charter buses on the east side of the property along with on airstream trailer used as an office. No maintenance will be allowed on the buses on property.

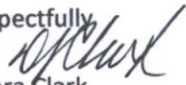

Allow temporary construction staging area multiple times per year not exceeding 10 days per stay for slurry seal company contracted for microsealing with the City of Scottsdale. If longer period needed, slurry seal company will apply for temporary permit at time needed.

These minor changes allow our organization to increase our income to give us greater ability to support our community charitable projects.

The first RV spot which is now visible from Oak St has been placed behind a fence and none of the stored vehicles will be visible from the street

As there are no building/structures or paving of said property being done on the lot no change to the current storm water dissipation plan is necessary.

Respectfully,

Lodge Secretary

Amendment to Conditional Use Permit  
230-PA-2017  
Neighborhood Meeting

Scottsdale Elks Lodge 2148 actually had two town hall meetings, one on Aug 31, 2017 with very low attendance due to a mix up with the direct mailing company and the again on September 19, 2017.

Overall the response was very positive for all our requests. Extensive discussion was directed at the storage of the buses.

I have included signed statements from the attendees of the meetings.

Respectfully

Comments: dust & noise must be under control.  
the Bus issue is a no-go. too noisy; backup Alarms all night  
long must stop. The R.V. Storage may be O.K., It depends on  
the actual plan provided.

I support conditionally the R.V. storage only. I would  
prefer that NO RV Hookups were provided on the property.

Welcome to our Town Hall Meeting. August 31, 2017 5:30pm

B.P.O.E. Scottsdale Elks Lodge 2148, located at 6398 E Oak St, Scottsdale, AZ 85257 is applying to the City of Scottsdale for an amendment to our Conditional Permit to allow:

Change from current provision of 8 RV Parking Spaces limited to a 7 day stay to read limited to a 30 day stay. This is limited to Elks members only.

Allow the long-term storage of up to 20 RV, Boats, etc. in the back (north) end our lot. No dry camping will be allowed. Again, limited to Elks members only.

Allow for lot rental to the Recreational Transportation Charter Bus company, which includes the parking of 11 Charter buses and 1 trailer that is used for an office on the west side of our property.

We are open to your concerns and discussion of these issues as how they may affect our neighborhood.

We thank you for attending our meeting and welcome your comments below. Please print and sign your name and address. These will be presented to the city with our request for an amendment to our Conditional permit.

Comments:

I think the ELKS do a lot of good CHARITABLE work for community & should be allowed THIS permission to help raise money. There will be MINIMAL impact on neighborhood due to long term NATURE OF STORAGE

**Re: CONDITIONAL USE PERMIT- ELKS LODGE #2148  
Papago Buttes Homeowners Association**

Dear Council Members for the City of Scottsdale and Mayor Lane:

We are the attorneys that represent the Papago Buttes Homeowners Association (the "Association"). This letter concerns the proposed amendment to an existing Conditional Use Permit requested by the Scottsdale Elks Lodge #2148 ("Elks Lodge") to allow for the following additional uses: (1) temporary construction staging multiple times per year, (2) long-term storage for up to twenty (20) Recreational Vehicles, and (3) storage for up to fifteen (15) charter buses.

*The Association requests that the City Council deny the request for an amendment to the Conditional Use Permit as the Association believes that permitting the amendment would negatively impact and be incompatible with the residential use of the Association and the surrounding communities.*

Pursuant to the City of Scottsdale Revised Code Section 1.402(B), the Association hereby objects to the proposed amendment to the Conditional Use Permit sought by the Elks Lodge and requests that the City Council to use its judgment to reject the proposal as the amendment to the Conditional Use Permit would be detrimental to the adjoining communities, including homeowners within the Association, and is incompatible with the area in which the Association is located.

City of Scottsdale Revised Code Section 1.402(B) provides, in relevant part, that an amendment to a Conditional Use Permit must be approved as provided in Section 1.400 et seq. for the approval of conditional use permits. Pursuant to Scottsdale Revised Code Section 1.401, a conditional use permit may be granted only after the Planning Commission has made a recommendation and the City Council has found as follows:

- A. That the granting of such conditional use permit **will not be materially detrimental** to the public health, safety or welfare. In reaching this conclusion, the Planning Commission and the City Council's consideration shall include, but not be limited to, the following factors:
  - 1. Damage or **nuisance** arising from **noise**, smoke, odor, **dust**, **vibration** or illumination.
  - 2. Impact on surrounding areas resulting from an unusual volume or character of traffic.
- B. The characteristics of the proposed conditional use are **reasonably compatible with the types of uses permitted in the surrounding areas**.
- C. The additional conditions specified in Section 1.403, as applicable, have been satisfied.

**The burden of proof for satisfying the aforementioned requirements shall rest with the property owner.**

(Emphasis added).

Based on City of Scottsdale Revised Code Section 1.402(B), the proposed amendment to the Conditional Use Permit should **not** be granted if the permit would not be reasonably compatible with the surrounding uses. Zoning restrictions are important procedural safeguards that assist in preventing land use that would negatively influence or would be incompatible with the surrounding areas. In this circumstance, the Elks Lodge is

conditionally zoned as R-5 (Multi-family Residential) for use as a private club. However, neither the manner in which the Elks Lodge currently operates nor the uses proposed by the amendment are compatible with the Association's use (or the use by the surrounding community) and are materially detrimental to the Association and its owner through the noise and dust that have been and will be generated by the Elks Lodge.

A cursory review of the facts and circumstances makes it clear that the proposed Conditional Use Permit is inconsistent with the intent and limits of the Ordinance, and the Elks Lodge desire to include additional uses upon their property is simply insufficient to overcome the issues with the incompatibility of their intended use. The owners within this quiet neighborhood in an upscale community purchased their properties under the assumption that their immediate neighbor would use the property as a private club, and could not have anticipated the property's use as a twenty (20) space long-term RV storage lot with storage for up to fifteen (15) charter buses. It is evident even from the Google image of the Elks Lodge that the property is already being used in violation of the Conditional Use permit for excessive storage of charter buses and recreational vehicles as shown below. Accordingly, it is evident that allowing the proposed change to the conditional use in property zoned for multi-family purposes is entirely detrimental to the property values of the members in the Association, and has and will continue to cause an extreme nuisance to the Association's residents.

Furthermore, although the Elks Lodge request additionally sought to use the property for construction staging, the Elks Lodge has already been engaged in such practices. The Elks Lodge acknowledged to the City of Scottsdale in September 2017 that it was using the property for construction staging in nonconformance with its Conditional Use Permit and that such use generated “an extreme amount of dust” due to the large number of vehicles on the property and such use is plainly evident as shown below. This misuse of the property must be stopped immediately.

The City of Scottsdale Revised Code Section 1.707 provides that the City Council may revoke a conditional use permit if the holder of the permit changes the use without an amendment, fails to comply with the conditions prescribed on the permits, or such misuse is detrimental to the community. Specifically, Section 1.707 provides as follows:

- A. The City Council may revoke or modify a conditional use permit upon a finding of:
  - 1. A material **change in the conditional use without an amendment**; or
  - 2. Material **noncompliance with the conditions prescribed** upon issuance of the conditional use permit or with representations by the permittee as to the nature of the conditional use to be conducted; or
  - 3. Operation of the conditional use in such a manner as to cause a **substantial detrimental impact on the community**.
- B. A **revocation hearing shall be conducted** by the City Council following the notice and hearing procedures of [Section 1.702](#).
- C. The conditional use permit **shall be revoked or modified** if four (4) of the City Council members find that one (1) or more of conditions set forth above in paragraph A. of this section has occurred.
- D. Any person aggrieved by a decision of the City Council pursuant to this section, or any taxpayer, city officer or department affected by a decision of the Council pursuant to this section, may appeal the Council's decision to the Superior Court at any time within thirty (30) days after the Council has rendered its decision.

As the Elks Lodge has admittedly violated the terms of its Conditional Use permit in multiple ways with blatant disregard to the impact on the surrounding community and the Association, the Association requests that the City Council notice a revocation hearing and determine whether the Elks Lodge shall be permitted to maintain its conditional use as a private club. To the extent that the City Council is inclined to modify the Conditional Use permit held by the Elks Lodge, the Association requests that such permit specify the appropriate use of the property such that the Elks Lodge cease to be used for storage of charter buses, recreational vehicles, and construction staging and instead be used solely as a private club, as was originally intended.

It is clear that allowing the Elks Lodge to operate as a construction staging site and as a long term storage yard for recreational vehicles and charter buses would have an extremely detrimental impact to the residents of the Association and the surrounding community, depriving those residents of their anticipated quiet enjoyment, and decreasing their property values. Accordingly, the Association respectfully requests that the City Council deny the proposed amendment to the Conditional Use Permit submitted by the Elks Lodge. Additionally, due to the Elks Lodge's material noncompliance with the conditions prescribed upon issuance of the Conditional Use permit, and the detrimental impact such noncompliance has had on the Association's members and the surrounding community, the Association further requests that the City Council hold a hearing pursuant to the procedures set forth in Section 1.702 of the City of Scottsdale Revised Code to consider the revocation or modification of the conditional use permit held by the Elks Lodge.

Please contact me directly at (480) 427-2859 if you have any questions or need any additional information or documents from the Association with respect to this issue. Additionally, please let me know what action the City of Scottsdale is taking to ensure that the Conditional Use Permit described above is being enforced. The Association looks forward to hearing from the City, and working with the City on this matter to ensure compliance with all City codes.

Sincerely,
