## **CITIZEN REVIEW & NEIGHBORHOOD INVOLVEMENT REPORT**

### **Raintree and Pima**

February 14, 2019

#### **Overview**

This Citizen Review Report is being performed in association with a request for a minor General Plan Amendment from AMU to AMU-R of a 5.56+/- acre site and a Zoning District Map Amendment to rezone from C-2 PCP-AMU-R/PCP-AMU PSD of a larger 13.08+/- acre site located at the northwest corner of Raintree Drive and Pima Road. The proposed project would result in a mixed-use project consisting of a residential community, internalized storage facility, and/or other commercial uses. This Citizen Review Report will be updated throughout the process.

The entire project team is sensitive to the importance of neighborhood involvement and creating a positive relationship with property owners, residents, business owners, homeowners associations, and other interested parties. Communication with these parties will be ongoing throughout the process. Work on compiling a list of impacted and interested stakeholders and neighborhood outreach began prior to the application filing and will also continue throughout the process. Communication with impacted and interested parties has taken place with verbal, written, electronic, and door-to-door contact.

#### **Community Involvement**

Surrounding property owners, HOAs and other interested parties will be noticed via first class mail regarding the project. The distribution of this notification will meet the City's requirements as specified in the Citizen Review Checklist. This notification will contain information about the project, as well as contact information. This contact person will provide, as needed, additional information and the opportunity to give feedback. The notification will also contain information regarding a neighborhood Open House that will be held on March 11, 2019 for those who wish to learn more about the project. The location and time will be posted on the Early Notification Sign. After this meeting, the outreach team will continue to be available to respond to any neighbors who have questions or comments.

A vital part of the outreach process is to allow people to express their concerns and understand issues and attempt to address them in a professional and timely matter. Again, the entire team realizes the importance of the neighborhood involvement process and is committed to communication and outreach for the project.
