Inquire before you wire!

Wire Fraud Alert

This Notice is not intended to provide legal or professional advice. If you have any questions, please consult with a lawyer.

All parties to a real estate transaction are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification. **If funds are to be wired in conjunction with this real estate transaction, we strongly recommend verbal verification of wire instructions through a known, trusted phone number prior to sending funds.**

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.
- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you. DO NOT use the phone number provided in the email containing the instructions, use phone numbers you have called before or can otherwise verify. **Obtain the phone number of relevant parties to the transaction as soon as an escrow account is opened. DO NOT** send an email to verify as the email address may be incorrect or the email may be intercepted by the fraudster.
- **USE COMPLEX EMAIL PASSWORDS** that employ a combination of mixed case, numbers, and symbols. Make your passwords greater than eight (8) characters. Also, change your password often and do NOT reuse the same password for other online accounts.
- **USE MULTI-FACTOR AUTHENTICATION** for email accounts. Your email provider or IT staff may have specific instructions on how to implement this feature.

City of Scottsdale Case No.11-ZN-2019

**AGREEMENT FOR THE WAIVER OF CLAIMS
FOR DIMINUTION IN VALUE OF PROPERTY**

THIS AGREEMENT FOR THE WAIVER OF CLAIMS FOR DIMINUTION IN VALUE OF PROPERTY (the "Agreement") is made in favor of the City of Scottsdale ("City") by CH Cortesian Communities, a Arizona limited liability company; CH Visconti at Camelback Communities, a Arizona limited liability company; and CH Glen at Old Town Communities, a Arizona limited company (collectively, "Owners").

RECITALS

A. Owners is the fee title owner of property, generally located at the southwest corner of North Hayden and East Camelback Roads, and legally described in **Exhibit A**. (the "Property").

B. Owners acknowledge that he/she has made a request to the City for application of its land use laws for the development of the Property and is under no compulsion, economic or otherwise, to enter into this Agreement.

C. Arizona statute ARS § 12-1134.A provides that a city must pay just compensation to a landowner, in some cases, if the city approves a land use law that reduces the fair market value of the owner's property. This law is sometimes referred to as "Proposition 207" or the "Private Property Rights Protection Act". (ARS 12-1131, et.seq.)

D. The Private Property Rights Protection Act (e.g., A.R.S. § 12-1134.I) authorizes private property owners to enter into agreements with political subdivisions to waive any claim for diminution in value of their property in connection with any action requested by the property owners.

E. City and Owners seek to resolve whether the application of the City's land use laws to the Property constitute a "diminution in value" of the Property or other harm entitling Owners, now or in the future, to seek compensation from the City under the Private Property Rights Protection Act.

IT IS AGREED AS FOLLOWS:

Owners hereby makes the following acknowledgements and representations:

a. Owners acknowledge that: The recitals set forth above are true and correct and are incorporated herein by this reference.

b. Owners are aware of the Private Property Rights Protection Act. (ARS 12-1131, et. seq.)

c. Owners has independently determined and believes that the application of the City's land use laws to the Property will not reduce the fair market value of the Property.

d. Owners are aware that, as a condition of receiving approvals under the City's land use laws, the City may impose various requirements upon the Property, such as requirements for right-of-way dedications, time limitations for development, and other zoning ordinance stipulations and conditions.

2. The undersigned Owners agrees as follows:

a. The Owners agree that the stipulations and conditions set forth in Case No. 11-ZN-2019 shall be included as part of the ordinance that will be considered by the Scottsdale City Council. Owners agree that compliance with the stipulations and conditions set forth in Case No. 11-ZN-2019 will govern development of the property. Owners further understand and agree that stipulations and conditions may be added or modified during the public hearing process and that those stipulations and conditions will be incorporated into this Agreement.

b. Owners hereby waive and fully release any and all financial loss, injury, claims and causes of action that Owners may have, now or in the future, for any "diminution in value" and for any "just compensation" under the Private Property Rights Protection Act based on the Owner's request in Case No. 11-ZN-2019. This waiver constitutes a complete release of any and all claims and causes of action under the Private Property Rights Protection Act that may arise out of the Owner's request in Case No. 11-ZN-2019.

c. Owners hereby agree to indemnify, hold harmless and defend City, its officers, employees and agents, from any and all claims, causes of actions, demands, losses and expenses, including reasonable attorney's fees and litigation costs asserted by or resulting from any of the present owners of any interest in the Property seeking any potential compensation, damages, attorney's fees or costs under the Private Property Rights Protection Act that they may have based on the Owner's request in Case No. 11-ZN-2019.

d. This Waiver Agreement shall run with the land and shall be binding upon all present and future owners of any interest in the Property. Owners consent to the recording of this Agreement with the County Recorder in which the Property is located.

e. The Owners agrees that, as of the effective date of this Agreement, he/she has received equal protection of the laws and due process of all claims and requests, and has not suffered any compensable regulatory taking (as those terms and their related claims are defined by Arizona state and federal constitutional jurisprudence).

3. Owners warrant and represent that Owner are the owner of the fee title to the Property.

4. The person who signs this Agreement on behalf of Owner personally warrants and guarantees to City that he has legal power to bind Owner to this Agreement.

Wire Fraud Alert

This Notice is not intended to provide legal or professional advice. If you have any questions, please consult with a lawyer.

All parties to a real estate transaction are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification. **If funds are to be wired in conjunction with this real estate transaction, we strongly recommend verbal verification of wire instructions through a known, trusted phone number prior to sending funds.**

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.
- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you. **DO NOT** use the phone number provided in the email containing the instructions, use phone numbers you have called before or can otherwise verify. **Obtain the phone number of relevant parties to the transaction as soon as an escrow account is opened. DO NOT** send an email to verify as the email address may be incorrect or the email may be intercepted by the fraudster.
- **USE COMPLEX EMAIL PASSWORDS** that employ a combination of mixed case, numbers, and symbols. Make your passwords greater than eight (8) characters. Also, change your password often and do **NOT** reuse the same password for other online accounts.
- **USE MULTI-FACTOR AUTHENTICATION** for email accounts. Your email provider or IT staff may have specific instructions on how to implement this feature.

Inquire before you wire!

Wire Fraud Alert

This Notice is not intended to provide legal or professional advice. If you have any questions, please consult with a lawyer.

All parties to a real estate transaction are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification. **If funds are to be wired in conjunction with this real estate transaction, we strongly recommend verbal verification of wire instructions through a known, trusted phone number prior to sending funds.**

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.
- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you. **DO NOT** use the phone number provided in the email containing the instructions, use phone numbers you have called before or can otherwise verify. **Obtain the phone number of relevant parties to the transaction as soon as an escrow account is opened.** **DO NOT** send an email to verify as the email address may be incorrect or the email may be intercepted by the fraudster.
- **USE COMPLEX EMAIL PASSWORDS** that employ a combination of mixed case, numbers, and symbols. Make your passwords greater than eight (8) characters. Also, change your password often and do **NOT** reuse the same password for other online accounts.
- **USE MULTI-FACTOR AUTHENTICATION** for email accounts. Your email provider or IT staff may have specific instructions on how to implement this feature.
