<b>AGENDA ITEM</b>	
What agenda item are you commenting on?	CASE 5-AB-2020
<b>COMMENT</b>	
Comment:	Concerned with the request to abandon easement on Southern Boundary. From what we can see, the request is made on this side so that the WASH may be redirected to flow along the property line (abutting our property line/privacy wall). There have been occasions where White Water has flowed in the WASH. Redirecting the WASH along the property line, we believe, may put our property wall at risk (underground erosion / base erosion) from severe whitewater flow through a new WASH.
