So instead of "Flagstar Bank" the beneficiary should be listed as "Mortgage Electronic Registration Systems" or "American Financial Network"??

Hi Lisa, Following my voicemail, another courtesy check in on the status on the document I need notarized. It has been a long time and I simply need to get it done.

If there is anything I can do, please please me know. I will call back later today If I do not hear anything.

Good afternoon Everyone,

My last communication was to Greg to call me because there are a couple of things that I need to go over with him. I have been really busy so if Greg can let me know via e-mail, when he is available to talk would be better.

Thank You.

To the City of Scottsdale Historical Society:

I am writing to inform you about the Window Replacement I plan to install in compliance with the City Historical Society. I currently have single pain windows, original, with mintons. In compliance with the city, I plan to install double pain, energy efficient, with mintons on the windows facing the street. The color and style will stay the same.
