Hi Doris-

This is from the Ackermans'
They bought the Kassel home.
Their address is 5625 E Lewis (6525 is a typo below, address is 5625).

Please include them in the R1-10 PRD Amendment proposal.
Thank you,
Lauren

Good morning Billy,
Please include my wife, Jean Moon, and myself (Tom Ackerman) in the PRD application. We both feel strongly that increased density should be prevented in order to preserve our neighborhood. To that end, Jean and I will be signing the Prop 207 form.
