Community Notification

Dear Neighbor:

T-Mobile is committed to maintaining existing coverage and expanding network capacity to meet customer demand throughout the City of Scottsdale. T-Mobile has an existing Wireless Communication Facility (WCF) located in the Church Steeple at 4425 N Granite Reef Road, that provides residents, visitors and businesses with improved high quality reliable wireless service for both personal & business, in addition to enhancing emergency services in the area.

The existing WCF was originally permitted with City of Scottsdale (CUP) Conditional Use Permit (4-UP-2016), which is coming up for renewal. The existing WCF is not recognizable as a WCF, and one of the more aesthetically pleasing WCF's located in the City of Scottsdale. T-Mobile intends to submit an application to the City of Scottsdale to renew the CUP to allow the site to continue serving the community as is. No changes are being proposed.

In the meantime, please do not hesitate to contact me at (602) 326 0111 anytime with questions or concerns regarding this project, or email me at dmurphy@coal-creek.com

Alternatively, please contact Keith Niederer at the City of Scottsdale (480) 312-2953 or KNiederer@Scottsdaleaz.gov

Sincerely,

Declan Murphy
