**Description of the Site / Purpose of Modification:**

AT&T Site ID P019 / T BIRD ACADEMY  
APN: 175-04-002A

This property is located at 7410 E. Sutton Drive. The modification is to upgrade AT&T's existing equipment.

This application is for the installing new antennas which have an integrated RRH to allow for improved wireless coverage, with minimal visual impact. There will be no increase in height to the existing Water Tank.

**Current Zoning:** I-1

**Proposed Modification:**

Water Tower Tank:

Install (2) Nokia Antenna Stacked in Position 2/ 2 per sector / 3 sectors (29.5"x17.7"x9.5"/each) with FRP cable shrouds

Groundwork:

All work will be within the existing shelter

Access to the facility will be limited to authorized personnel only. The communication facility will have no impact to vehicular or pedestrian patterns; it does and will not utilize connection to any water system, refuse collection, or sewer system. The existing and proposed equipment will not emit any odor, dust, gas, noise, vibration, smoke, heat, or glare.
