RE: GLOPE Abandonment

Dear Caitlyn Gulsvig:

Per your request for Arizona Public Service Company's (APS) concurrence to abandon the 33-foot-wide GLOPE around the perimeter of the property at APN 217-15-033, West of 90th street as described in your request dated March 16, 2020, the following information is provided.

I have researched our records and found that the subject property is situated within the APS service territory. There is an existing overhead 69KV line located in the southerly 33 foot GLOPE. Therefore, APS can only concur to the release of the westerly and northerly portions of the 33 foot GLOPE and does not concur to the release of any part of the southerly portion of the 33 foot GLOPE.

Should you have further questions concerning this matter, please contact me at (602) 371-7295 or david.schlief@aps.com.

Sincerely,

A handwritten signature in black ink that reads "David Schlief". The signature is written in a cursive, flowing style.
