Mr. Venker,

Thank you for returning my call. The Property I am interested in is currently vacant, and does not have an address. The APN is 217-15-033, and it is located at the northwest corner of 90th Street and Raintree Circle Drive. Here are coordinates in the center of the Property:

33.622022, -111.888174.

I am wondering if there is any historical significance to the Property or the immediately surrounding area. Please let me know if you find anything.

Thank you,
