Subject: Marijuana in Downtown Scottsdale

Mr. Bloomberg,

My name is Janet Wilson. I own numerous buildings in Downtown Scottsdale, the closest being within the 1500 foot radius at 4251 N Brown Avenue.

I am writing this email to protest the applicant's request to reduce the separation distance from 1,500 ft to 650 ft.

I do not understand why we have to fight this fight over again. The rules are clear. If you visit the site on Buckboard you will see it backs right up to residential and is close to a preschool. Think about the kids that will be raised around marijuana.

I have no problem locating medical marijuana in industrial areas. The old argument that it is too far for some medical marijuana patients to travel is not a valid argument when you become aware that the dispensaries will deliver.

PLEASE VOTE NO

Sincerely,
Janet Wilson
