Dear City Council, City of Scottsdale:

I would like to provide my input for the rezoning application for 13647 N. 87th Street, Scottsdale AZ. I have submitted my disagreement with this rezoning effort previously and understand you have received it in the material regarding this case from the city Planning Commission.

I have lived in Scottsdale since 1973. I live here because of the great planning, rules and requirements the city has set-up to keep it a great place. It is not Tempe, Mesa, Phoenix or any other city in the greater Phoenix area because of the city planning. This is one of the reasons why people want to live in and stay in Scottsdale. I would dislike to see the city changes it zoning requirements in well-established neighborhoods and destroy one of the many of the reasons Scottsdale is such a great city.

So I hope you follow the city's Planning Commission recommendation and deny the rezoning effort.

Regards,  
Sharon Beaudry
