Notice of alternate billing (or payment) cycle
This contract allows (may allow) the owner to require the submission of billings or estimates in billing cycles other than thirty days. (This contract may allow the owner to make payment on some alternative schedule after certification and approval of billings and estimates). A written description of such other billing (and/or) cycle applicable to the project is available from the owner or the owner's designated agent at:
CLIENT NAME
CLIENT ADDRESS
CLIENT PHONE NUMBER
and the owner or its designated agent shall provide this written description on request.

Contractor must verify all dimensions at project before proceeding with this work.

Do not reproduce these drawings and specifications without the expressed written permission of the Architect. The drawings and specifications are instruments of service and shall remain the property of the Architect whether the project for which they are made is executed or not. These drawings and specifications shall not be used by anyone on any other projects, for additions to this project, or for completion of this project by others except by the expressed written permission of the Architect.
