Rick Mckee,

Attached is a copy of the legal notice for your public hearing case. **Please read the notice carefully for accuracy. If there is an error, please contact your Project Coordinator.** If errors are not corrected immediately, the case may need to be continued in order to meet advertising requirements specified in state statutes and local ordinances. **Your Project Coordinator is Greg Bloemberg, 480-312-4306.**

Your site must be posted at least twenty days prior to the first public hearing date. The posting must be removed within thirty days following the final disposition of your development application. **An affidavit of posting and photo of the sign must be provided before your case can be presented at a public hearing.**

You will receive a staff report, which discusses your proposal and includes pertinent development stipulations. That report will be available for your review approximately one week prior to the date of your public hearing. **Your hearing date for Planning Commission has been tentatively set for June 22, 2022.** You will be notified when the City Council date has been determined.

If you have any questions or concerns, contact the Project Coordinator handling your case.

Thank you.
