Bryan,

I was able to look at the case. Their preliminary G&D plans and preliminary drainage report are acceptable to drainage. However, I could not update the Tracking Sheet since it was open by you. I'm leaving for the day soon since I have a doctors appointment. I'll update the Tracking Sheet tomorrow.

Thanks,
Mohammad

Hi Mohammad,

I hope all is well. Just checking in on your review here. Our letter is already a week late and I will be sending the package back to the applicant end of day tomorrow. Any chance you can have your review done tomorrow?

Thank you,
