- DRB - This approval expires two (2) years from date of approval if a permit has not been issued, or if no permit is required, work for which approval has been granted has not been completed.
- These instructions are provided to you so that you may begin to assemble information you will need when submitting your construction documents to obtain a building permit. For assistance with the submittal instructions, please contact your project coordinator, Casey Steinke, 480-312-2611.
- Table: "About Fees" – This is provided as a brief overview of fee types. A plan review fee is paid when construction documents are submitted. You may review the current year's fee schedule at: <https://www.scottsdaleaz.gov/planning-development/fees>
