Hello Alexis,

Since we are going through the formal appeal, I thought it important for you to have the official "denial" letter for your records.

Sincerely,

Jesús

Hello Alexis,

Thank you for your patience. I needed to confirm a few things before returning your communication.

I did confirm that your appeal will be heard on the agreed date, and that the appeal will not require a vote prior to the appeal being heard by the City Council. I have also identified the November 9, 2021 as the date for the appeal. I think we should be able to be first on the agenda, if not, really close.

I was also able to confirm other the appeals going before the City Council. I was mistaken in that there are actually two HP cases being appealed to the Council. The first is on the agenda for tomorrow's City Council hearing (September 21, 2021). Then there will be another appeal heard at the October 19, 2021 City Council hearing. If any of these dated change, I will update you and your team.

Please feel free to contact me with any further questions or comments.

Sincerely,

Jesús

Jesus,

Thank you for the call today. I have included Joe on this message as well to confirm that the November 9th City Council meeting will be an opportunity for my client to present to the Council for the attached appeal. There was some confusion after we spoke today as to whether there was need for a second meeting and whether there was opportunity to make a presentation.

We discussed the timing of the Council's hearing my client's appeal and understand November 9th to be the best opportunity, given the Council's currently busy October calendar.

Please give me a call back with any questions.

I look forward to your confirmation about procedure on the 9th.

Kind regards,

~Lex
