t of existing HID wall packs. The WPX1, WPX2 and WPX3 are ideal

for replacing up to 150W, 250W, and 400W HID luminaires respectively. WPX luminaires deliver a

WPX feature a die-cast aluminum main body with optimal thermal management that both enhances LED efficacy and extends component life. The luminaires are IP66 rated, and sealed

Light engine(s) configurations consist of high-efficacy LEDs and LED lumen maintenance of L90/100,000 hours. Color temperature (CCT) options of 3000K, 4000K and 5000K with minimum CRI of 70. Electronic drivers ensure system power factor >90% and THD <20%. All luminaires have 6kV surge protection (Note: WPX1 LED P1 package comes with a standard surge protection rating of 2.5 EV, I was be ordered with an entired AV surge protection.

Note: The standard WPX LED wall pack luminaires come with field-adjustable drive current

feature. This feature allows tuning the output current of the LED drivers to adjust the lumen

Note: The lumen output and input power shown in the ordering tree are average

representations of all configuration options. Specific values are available on request.

Introduction

The WPX LED wall packs are energy-efficient, cost-

construction opportunities. Available in three sizes,

the WPX family delivers 1,550 to 9,200 lumens with

effective, and aesthetically appealing solutions

for both HID wall pack replacement and new

The WPX full cut-off solutions fully cover the

footprint of the HID glass wall packs that they

replace, providing a neat installation and an

upgraded appearance. Reliable IP66 construction

long service life. Photocell and emergency egress

mounted lighting application.

E4WH Emergency battery backup, CEC compliant DWHXD White (4W, 0°C min) 2 DRI XD Rlack

Battery pack options only available on WPX1 and WPX2.
 Battery pack options not available with 347V and PE options.

5-year limited warranty. Complete warranty terms located at:

www.acuitybrands.com/CustomerResources/Terms and conditions.aspx.

All WPX wall packs come with 6kV surge protection standard, except WPX1 LED P1 package which comes with 2.5kV surge protection standard. Add SPD6KV option to get WPX1 LED P1 with 6kV surge protection.
