Re: Letter of Authorization

To Whom it May Concern:

This letter is to confirm that FORS Architecture will be representing the GEORGE Hotel Ownership in the application of the UP and the DRB. These are the City of Scottsdale processes which request to amend the existing hotel user permit to facilitate the redevelopment of the property. The hotel is located at 7330 North Pima Road, Scottsdale Arizona.

Please refer the "Affidavit of Authorization to act for the property Owner" in the proceeding chapter, chapter 05 which is signed by the Owner.
