BID SET

Early Conference and Submission. By submitting a bid for the program, the bidder certifies that they have received all information necessary to prepare a bid, including the program description and application of funds and consider applicable knowledge and industry standards, have received all work required to complete a comprehensive proposal that meets all applicable building codes.

If questions or drawing queries are found, these should be submitted by the building Structural Commission on or before the first of the following dates:

- 1. Questions or drawing queries on the plans and any Structural Commission will be received in the office and any Structural Commission will be received in the office and any Structural Commission will be received in the office.
- 2. Questions or drawing queries on the plans and any Structural Commission will be received in the office and any Structural Commission will be received in the office.
- 3. Questions or drawing queries on the plans and any Structural Commission will be received in the office and any Structural Commission will be received in the office.

No consideration will be given after the bid date for items that would otherwise have been answered during the above time period.

It is the responsibility of ALL Bidders to become familiar with the project site. The Chicago Order Program will not accept requests for information readily answered on-site from the project site.

No consideration will be given for Chicago Order Program questions or drawings of the following:

- 1. Items requiring clarification that should clearly indicated on an exception on the initial bid.
- 2. Items that should have been clearly indicated on the bid as an exception or for information during building.
- 3. Items that should have been clearly indicated on the bid as an exception or for information during building.
- 4. Items that should have been clearly indicated on the bid as an exception or for information during building.
